The Literary Year-book

Infinite Joy
This is a book of
poems, written from
some happy as well as
sad times during the
author's life. Not all are

life experiences of the author, but many are. Some will make you laugh and some will make you cry, but each one has a meaning and at some level each of you will be able to relate to some them from one point in your life.

In Roger Williams's Little Book of Virtues, religion writer Becky Garrison delves into the life of her eleventh/twelfth great-grandfather to uncover the untold story behind this forgotten pioneer of religious liberty. Employing a format reminiscent of How Proust Can Change Your Life and The Little Book of Atheist Spirituality, Garrison examines Roger Williams's work

through the lens of the four classical virtues, which, as she observes, define values that have an almost universal consensus regardless of one's particular belief system. How can Roger Williams's life and ministry shed light on the role of the citizens in a global pluralized world? Garrison asks why this conversation focusing on the role of religion in public life got relegated to moralists like William J. Bennett, who crafted a fundamentalist rulebook that views these virtues through a very strict black-and-white lens. In this age of horizontal social media, what prevents people from standing up to these modern-day Goliaths and taking away their media megaphone?

Here Garrison sees hope in the rise of the “nones” who, like Williams, follow their own spiritual path and create spaces that embrace women, POC, LGBT folks, and others marginalized by the institutional church.

A first novel.

My Feelings and Me

One night, when Ethan reaches under his bed for a toy truck, he finds this note instead:

"Monsters! Meet here for final test." Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds.

With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

friends and congregation alike. So her death by gunshot in a bank parking lot has left everyone mystified—especially Sutton. When the police investigation stalls, Sutton decides to solve Cara's murder herself. The more she learns about her sister's life, the more determined she becomes to find the ruthless killer who took it. Yale Classics (Vol. 2)

Anchor (COMPLETED) :- David Grimwald is a 21 old alpha of Blue Hounds Pack. Even though he is 21, he didn't found his destined mate yet and waiting for her patiently. Until one day, he finds a rogue girl in the middle of the forest, near the border of his territory. He immediately realizes that this petite little girl is his mate. But what was she doing there? What is she running away from? Mila is a little 18 year old orphan and wolfless slave of Beaufort Wolves Pack. She escaped from her pack to avoid the threat on her life. But she is not alone. She is carrying a baby in her womb along. What is the secret behind this baby? Why is she running away from her

pack in such a condition? Who is the father of her child? Will David accept her as his mate? Will he accept the baby growing inside her? Or will they both end up rejected and alone? Read the full story to know more.. -----

----- “Oh baby! You have no idea how badly I want to take you up in my room and devour your beautiful body?” My hands stopped wiping the floor and my head instantly snapped up to my mate, whose face is now buried in that girl’s neck. Their bodies were too close to my comfort. What did he just say? Did he just offer her to have s*x? Can’t he see me standing here? Am I that invisible to him that he is offering another girl to sleep

with him right in front of me? I felt a part of my heart breaking at his words. I know I insisted him to not get physical with me until we make our relationship official, but it doesn’t mean he is allowed to do that with someone else. I am still his mate no matter what position our relationship is in. I can see their actions moving towards the direction of the bedroom and I have to stop them before they cross their limits. But how? Suddenly, an idea came into my head. I know this is going to earn me some harsh punishment, but at least I will keep my mate out of that girl’s body this way. With this thought, I picked up the bucket filled with dirty water and pretended to slip right

in front of them, pouring all the water right on top of that girl's head. "What the f*ck? You bi*ch. What did you do? Ewe.. This is no nasty. I have to take a shower right now. I'm leaving. But I will see you later for this." My plan was a success. She ran out of there as fast as she can to clean herself and there was finally a satisfied smile on my face in joy. "Mila? Why did you do that? I know you did that on purpose." My smile vanished when I hear Ralph's angry voice for me. "I have something important to discuss with you. Please meet me at the garden tonight. I will be waiting." Saying this, I started cleaning the excess water of the floor by myself. I wanted to talk to him

right now, but we can't afford to get caught. So I offered him to meet me later. He didn't say anything further and went to his room angrily. Oh goddess. Why did I get such a mate who doesn't understand me?

The Autobiography and Letters of Mrs. M.O.W. Oliphant Grosset & Dunlap

From the star of TLC's hit reality show Little People BIG World comes a revelatory memoir that will inspire those who have long followed the Roloff's and newcomers alike. "A Little Me by Amy Roloff is a feel-good, inspirational memoir about a remarkable woman who addresses challenges head-on with a positive outlook and deep faith." - New York Journal of Books

Whatever package you come in, life isn't easier or harder than another's because you are different physically. There may be more challenges, but still, everyone has challenges. "God doesn't make mistakes." For Amy Roloff, star of TLC's hit reality show *Little People, BIG World*, her father's words would repeatedly serve as an anchor, reminding her of her inherent worth and purpose, whenever feelings of insecurity and inadequacy surfaced and threatened to overwhelm her. In *A Little Me*, Amy shares what it was like growing up with achondroplasia dwarfism, how she struggled to overcome obstacles both physical and

emotional—navigating the average-size world as a little person, dealing with a serious illness as a young girl, bullying, and issues of body image and unachievable beauty ideals—while learning, as we all must, to accept herself for who she is. Finally allowing herself to be vulnerable enough to open up to others, she learned that it's worth risking possible rejection for a chance at genuine relationships. Amy's memoir is an inspiring and at times heart-wrenching account of resilience and the strength of the human spirit to overcome seemingly insurmountable obstacles.

This collection is based on the required reading list of Yale Department of Classics. Originally designed for students, this anthology is meant for everyone eager to

know more about the history and literature of this period, interested in poetry, philosophy and rhetoric of Ancient Rome. Latin literature is a natural successor of Ancient Greek literature. The beginning of Classic Roman literature dates to 240 BC. From that point on, Latin literature would flourish for the next six centuries. Latin was the language of the ancient Romans, but it was also the lingua franca of Western Europe throughout the Middle Ages. Consequently, Latin Literature outlived the Roman Empire and it included European writers who followed the fall of the Empire, from religious writers like Aquinas, to secular writers like Francis Bacon, Baruch Spinoza,

and Isaac Newton. This collection presents all the major Classic Roman authors, including Cicero, Virgil, Ovid and Horace whose work intrigues and fascinates readers until this day. Content:

Fofa, a brave, little African girl, lives with her brothers and her strict aunt in the jungle. Fofa is tired of following her brothers around, and one day she decides to venture off by herself to swim in the natural pool at the foot of the mountain. As Fofa enjoys the refreshing spring water, she doesn't realize she's in danger. And then, on the bank, she hears the cry of an animal. She saves a baby lion being born, names him Angel, and carries the cub home. However, Fofa must give up the animal so it can be returned to the wild. That makes her sad and depressed. Her schoolwork suffers, and her grades drop. But her teachers help her get her spark back.

This picture book for children delivers that message that it takes a village to raise a child. Through the love of Fofa's family and friends, and especially her teachers, she's able to find joy in her life again.

The hilarious, heart-warming and tear-jerking memoir from one of Britain's best-loved comedians and actors, Matt Lucas. Hello there. Welcome to my autobiography. Throughout this book I talk about my life and work, including *Little Britain*, *Come Fly With Me*, *Bridesmaids*, *Les Miserables*, *Alice In Wonderland* and, of course, *Shooting Stars*. The thing is, this is a bit different to most memoirs you may have read, because it comes

in the form of an A-Z. For instance, B is for Baldy! - which is what people used to shout at me in the playground (not much fun), G is for Gay (because I'm an actual real life gay) and T is for the TARDIS (because I'm a companion in Doctor Who now). You get the sort of thing. Anyway I hope you buy it at least twice. Thank you.

Corruption of Faith

Houghton Mifflin Harcourt

The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture

book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This

book is also available in Spanish, as *Un día de nieve*.) Praise for *The Snowy Day*: “Keats made Peter’s world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that’s begging to be enjoyed.” —The Atlantic “*Ezra Jack Keats's classic The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow.”—*Publisher's Weekly*
