In this book, Watchman Nee outlines the pathway for those who
have an ear to hear. Like a skilled physician, he first exposes the
problems besetting seeking Christians. Using God's Word, he
candidly examines the defeated state of the believers, then
presses for a cure, opening up a revelation of the victorious,

Finally the strong hand of God lifted him out of the pit. This expanded anniversary edition includes more than 150 Bible verses referencing hell for further study. Also included is the new section, "Wrestling With the Big Questions" where Bill answers these and many others questions: Why do some people who have a near-death experience see a bright light? Will those who never heard about Jesus go to hell? Is hell eternal, or are those in hell simply annihilated?

In this volume, representatives of several North American Baptist seminaries and a Baptist university make the exegetical and theological case for a Baptist polity. Right polity, they argue, is congregationalism, elder leadership, diaconal service, regenerate church membership, church discipline, and a Baptist approach to the ordinances.

The Evolution of Corporate Worship Are you weary of traditional, predictable, restricted, personality-driven, or entertainment-type

worship that lacks authentic, spiritual connection? The Future of Worship: Preparing the Church for a Tsunami of Change reveals the evolution of corporate worship from the time God introduces it to Moses and Israel until the time Christ comes to fulfill and return it to its original intent. "The tsunami that is about to hit the church will wipe out everything that was insensitive to the 'peculiar signs' and did not move to higher ground," writes the author, who aptly reveals what was right with worship—and what went wrong. Chapter topics that help you experience a tangible God-present worship experience include: The Foundation of Sanctuary Worship The Significance of the Tabernacle of David The Who, What, When, Where and How of Worship Applying Heavenly Attributes to Our Earthly Worship The Future of Worship Your traditions and expectations may be shaken a bit by the revelations in The Future of Worship—but your spirit will soar with anticipation!

In this book, Ogbu Kalu provides an overview of Pentecostalism in Africa. He shows the amazing diversity of the faith, which flourishes in many different forms in diverse local contexts, and demonstrates that African Pentecostalism is distinctly African in character, not imported from the West.

"Most contemporary young people operate far enough from Moses' moral compass that it never occurs to them that "OMG" ("oh my God," in teenspeak) has anything to do with the Ten Commandments, much less that it breaks one of them. After all, the phrase is a nearly ubiquitous adolescent throw-away line...Yet

Christians should hear the phrase “oh my God” differently. Youth ministers, parents, teachers—anyone who has ever loved an adolescent—know that “OMG” can be a prayer, a plea, a petition, a note of praise, or an unbidden entreaty that escapes our lips as we seek Christ for the young people we love.” from the book Using six lens the authors detail current practices and tease out underlying questions as youth ministry becomes more self-consciously aligned with practical theology. Contributors include: Kenda Creasy Dean, Mike Carotta, Roland Martinson, Rodger Nishioka, Don Richter, Dayle Gillespie Rounds, and Amy Scott Vaughn.

Church Growth Principles Mountain of Fire and Miracles Ministries O Thou that hearest prayer, unto thee shall all flesh come. Psalm 65:2 (KJV) Howbeit this kind goeth not out but by PRAYER AND FASTING. Matthew 17:21 (KJV). Some mountains will not fall unless they are bombarded with the artillery of prayer and fasting. The weapon of prayer and fasting have been known to do wonders when other methods have failed. In addition, some breakthroughs are impossible unless there is regular, consistent, concerted, constant bombardment of prayers. The prayer points for this year's programme have been specially vomitted by the Holy Ghost to bring salvation, deliverance and healing of the spirit, soul and body to God's people. Pray them with determination, pray them with aggression, pray them with violence in your spirit, pray them with violent faith, pray them with great expectation and your life will never remain the same. The God who answereth by fire will surely answer you, in Jesus' name. Your friend in the school of prayer, Dr. D.K. OLUKOYA HOW IT WORKS The fasting & prayer programme begins 09 August

2021 and runs through 17 October, 2021, each day of the week from Monday to Sunday. On Mondays and Fridays, you break your fast at 5 PM local time; every other day you break at 2 PM local time. Children participating in the programme should break their fast at 12 PM local time daily

Patterned after the annual feasts of the Tabernacle, the annual 70 days of fasting and prayer program is an annual spiritual sacrifice that cannot but yield power and breakthroughs given the covenant that backs it up. "We give all the glory to the Lord for what He has been doing with our annual Seventy days prayer and fasting programme. The Lord has used the programme to: Ignite the fire of revival in thousands of lives, put stubborn pursuers to flight, produce prayer eagles, open chapters of prosperity for many, confuse satanic dribblers and put the enemies' gear in reverse. Prayer is of great value in turbulent and non-turbulent situations. Prayer is a necessity not an option." "Howbeit this kind goeth not out but by PRAYER AND FASTING" (Matt 17:21).

In the Days of Caesar is a constructive political theology formulated in sustained dialogue with the Pentecostal and charismatic renewal one of the most vibrant religious movements at the beginning of the twenty-first century. Amos Yong here argues that the many tongues, practices, and gifts of renewal Christianity offer up new resources for thinking about how Christian community can engage and transform the social, political, and economic structures of the world. Yong has three goals here. First he seeks to correct stereotypes of

Pentecostalism, both political and theological. Secondly he aims to provoke Pentecostals to reflect theologically from out of the depths of their own Pentecostalism rather than merely to adopt some framework for theological or political self-understanding. Finally Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice. This book's engagement with political theology from a Pentecostal perspective is the first of its kind.
