worship leaders. The Allens weave several of the songs into blended-worship medleys based on particular themes (e.g., "How Can I Keep from Singing?" is joined with the hymn "I Will Sing the Wondrous Story" and the chorus "I Could Sing of Your Love Forever"). Other nice features include simple but effective narration, rendered by the worship leader (with two optional

storytellers). Keeping the narration short (and utilizing familiar songs) allows for the collection to be presented more as a worship concert than a performance, therefore fostering more audience participation than is often the case in a choral musical. The production notes also give instructions for an optional communion service that can be incorporated into the mix. *When I Don't*

Desire God Dorrance Publishing Here I Am, Lord By: Katherine Horning and Johny Davilmar On a mission trip to Haiti, short-term missionary Katherine Horning met a young, fourteen-year-old man named Johny. With Katherine's love of teaching and Johny's desire and drive to learn, the two formed a deep connection that would last their entire lives. Here I Am, Lord tells

the story of how these two unlikely friends changed each other's lives for the better. Now in his thirties, Johny, with the support of Katherine and several Seventh Day Adventist churches near Columbus, Ohio, has obtained his bachelor's and master's degrees, has become a chaplain, and now is an intern pastor in Nassau, Bahamas. *The Mala of God* Hal Leonard Corporation

Here I Am, Lord Shawnee Press (TN) Those familiar with the music of Dan Schutte are in for a great treat here. As in his music, he deals with themes of longing and desire for God, the hungers of the human heart, unfulfilled human hopes and dreams, and the profound happiness of finding ones home in God. The exercises here are loosely based on the Spiritual Exercises of St. Ignatius of Loyola, and the goal is the same for both: to draw readers into a personal, living, growing relationship with Jesus Christ.

From the Forward by Thomas Shepherd
Peace Within introduces new voices to the world of spiritual literature All the stories, poems and spiritual journeys you will encounter in this volume have a common denominator; each contributor was willing to risk whatever it took to find balance and harmony in their lives, expressed in the simple phrase Peace Within.

Although life may not always be joyful, people who find that axis of spiritual integrity within, and stay centered upon it, soon discover that nothing which happens in life can disturb their peace. Now, more than ever, humanity needs to grow up, to enter a new phase of life. Our new millennium requires a renewed consciousness of the potentiality within every sentient being. The

search for new consciousness has found some guiding voices in the book you hold in your hands. In this profound collection of stories, learn how each author has found a deep sense of inner peace, often in the face of extraordinary circumstances . Your mind and heart will be quickened as you read these stories of courage and commitment. May you find that peace is contagious, and may you catch it here.

Wayne Manning, Life and Business Coach, Manning Consulting, Auburn, CA Each story has an unmistakable sense of peace, love and joy in some mixture and balance. Each person found their own way to this treasure in their own timing. Their stories are not only inspiring and informative; they are critical to our future. M Marylou Palmer, Certified Transitional
