Christmas time is believed by many, to be a season of hope and miracles. Sometimes, hearts are broken, faith is lost, and many times, hope is renewed. This Christmas, lives will be changed forever! In this short story, in a small town somewhere in America, there was a house without Christmas, just like many. That night, the temperature was at a freezing point. A 10-year-old boy named Kadi ran after his dog, Diana. She got very excited about the snow. When she did not stop, something unimaginable happened! It was awful. It was heartbreaking. It was a miracle. Do you believe in miracles?
