The illustrated Workbook contains exercises that provide additional practice and reinforcement of language concepts and skills from the Summit Student's Book and its Grammar Booster. A two-level high-intermediate/advanced course, Summit is the perfect next step for learners who have completed a beginning to intermediate level course. Summit develops competence and confidence in all four skills.

*The Ghost Army of World War II* Pearson Education ESL

"Touchstone is an innovative four-level series for adults and young adults, taking students from beginning to intermediate levels (CEFR: A1-B2). Based on research into the Cambridge English Corpus, Touchstone teaches English as it is really used. It presents natural language in authentic contexts, and explicitly develops conversation strategies so learners speak with fluency and confidence."--Page 4 of cover.

*Top Notch 2 Workbook* Allyn & Bacon

Top Notch 1B contains Units 6-10 from the Top Notch 1 Student's Book plus the corresponding Workbook units. *Touchstone Level 2 Student's Book* Pearson Longman

With its fresh new look, the third edition of the Summit program helps develop confident English speakers who are able to navigate a host of social and professional situations. This two-level course provides high-intermediate learners with an integrated set of global communication skills. It delivers immediate, demonstrable results through its goal- and achievement-based pedagogy and continual recycling of language. The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series. Summit 1 covers competencies from B2 to B2+ and Summit 2 introduces C1 competencies in the Common European Framework of Reference. The entire Summit course can be tailored to blended learning with its integrated online component, MyEnglishLab (access code provided in the Student Book). Highlights New Conversation Activator videos build communicative competence. New Discussion Activator videos increase range and depth of expression. Test-taking Skills Booster and extra challenge exercises help students succeed on the reading and listening sections of standardized tests. Greatly increased grammar, reading, listening, and writing practice plus digital grammar exercises give students the additional practice opportunities they've requested. Memorable models build natural, social language and conversation strategies. 50+ listening tasks at each level develop critical thinking and crucial listening comprehension

skills, such as listening for details, confirmation of content, inference, and understanding meaning. ActiveTeach includes a digital Student Book for whiteboards with lesson plans, assessment tools and access to audio, video, and exercises to make learning more focused and interactive. Fluency-building planning activities such as idea framing help students express themselves with confidence. More ready-to-use teacher resources (including a broad range of print and digital components) than other courses make Summit easy to use for busy teachers.

**MyLab English** Macmillan

“A riveting tale told through personal accounts and sketches along the way—ultimately, a story of success against great odds. I enjoyed it enormously.” —Tom Brokaw The first book to tell the full story of how a traveling road show of artists wielding imagination, paint, and bravado saved thousands of American lives—now updated with new material. In the summer of 1944, a handpicked group of young GIs—artists, designers, architects, and sound engineers, including such future luminaries as Bill Blass, Ellsworth Kelly, Arthur Singer, Victor Dowd, Art Kane, and Jack Masey—landed in France to conduct a secret mission. From Normandy to the Rhine, the 1,100 men of the 23rd Headquarters Special Troops, known as the Ghost Army, conjured up phony convoys, phantom divisions, and make-believe headquarters to fool the enemy about the strength and location of American units. Every move they made was top secret, and their story was hushed up for decades after the war's end. Hundreds of color and black-and-white photographs, along with maps, official memos, and letters, accompany Rick Beyer and Elizabeth Sayles's meticulous research and interviews with many of the soldiers, weaving a compelling narrative of how an unlikely team carried out amazing battlefield deceptions that saved thousands of American lives and helped open the way for the final drive to Germany. The stunning art created between missions also offers a glimpse of life behind the lines during World War II. This updated edition includes: A new afterword by co-author Rick Beyer Never-before-seen additional images The successful campaign to have the unit awarded a Congressional Gold Medal History and WWII enthusiasts will find The Ghost Army of World War II an essential addition to their library.

**Teacher's Edition and Lesson Planner** Allyn & Bacon

Textbooks are indispensable components and in some case the

cornerstones of the mission of English Language Teaching (ELT). However, they are artefacts of a pedagogical culture that rarely echo the concerns of their most prolific consumers: teachers and students. This book offers a useful framework for evaluating ELT textbooks from a critical discourse perspective; one that is based on sound current research but also offers practical guidance to teachers. Building from a foundational understanding of ELT textbooks, the author presents a systematic procedure to critically analyze their multimodal discourse, examine how those discourses are negotiated between teachers and students in class, and measure how those consumers privately value the lessons. The book provides teachers with the tools they need to select and adapt materials based on critical multimodal discourse analysis, where not only the text but the pictures, websites, audio, visual elements too are subjected to a process which can reveal underlying ideologies, assumptions, omissions and reifications. The triangulated approach, demonstrated in a series of vignettes featuring Korean university students and native-English-speaking instructors, can inform textbook choice, instigate change, and inspire lesson re-contextualization to best suit the needs of its primary consumers.

**Top Notch 2 With Activebook + Myenglishlab + Workbook** Allyn & Bacon

Specially designed for young adult and adult learners, this four-level beginner Mandarin Chinese course employs a communicative and integrated approach to Chinese language learning. Emphasis is placed on pair work, group work and on a variety of speaking and listening activities to help students become confident Chinese language speakers.

**Top Notch Fundamentals with ActiveBook** Allyn & Bacon

This textbook is a classic. It is extensive and rather than giving a simple step by step account of development (although this is provided in nice tables at the front of the book) it encompasses a more scientific explanation than is found in other embryology texts. It is fairly wordy, but it is easy to pick out relevant information and diagrams are excellent, being numerous, well labelled and easy to understand. This textbook, which is both easy to understand and extensive makes it an excellent buy both for a medical student just beginning embryology, and later on when a more detail may be needed. The book has beautiful photographs which captivate the reader, and there are also nice

clinical boxes which break up the text nicely and are also accompanied by photographs. At the end of each chapter are problem solving exercises for which answers are provided at the end of each chapter. This is the embryology textbook to buy. I wouldn't recommend any other. It will keep you company through medical school and beyond

*Top Notch 2 Student Book and Workbook Pack* Pearson Education ESL

NorthStar, Fifth Edition is an integrated-skills English course that empowers adult and young adult English language learners to achieve their academic and personal goals. Current and thought-provoking topics promote language development and critical thinking skills. Building on the success of previous editions, this new fifth edition engages and motivates students with new and updated content. What is new in the fifth edition? \* New and updated content with a new theme keeps students motivated. \* The new design and imagery bring the activities to life. \* Learning outcomes are created using the Global Scale of English (GSE) so students can see their progress more easily. \* Every unit offers note-taking practice and writing skill development. \* Scaffolded critical thinking activities are clearly marked to help students develop their academic skills. \* Academic Word List words are highlighted to help students identify essential vocabulary. \* New and updated activities in MyEnglishLab provide additional practice online. \* ExamView Test Generator allows teachers to customize assessments. \* Students can complete activities, listen to audio, and watch video on the go with the Pearson Practice English App.
