When the Stones Came to Town Guitar Recorded Versions
 The #1 New York Times bestselling autobiography of the guitarist, songwriter, singer, and founding member of the Rolling Stones. Ladies and gentlemen: Keith Richards. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richard brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

The Rolling Stones - Best of ABKCO Years Bloomsbury Publishing (Piano/Vocal/Guitar Artist Songbook). This fantastic collection features over 25 hits from the British rock band in piano/vocal/guitar notation, including: Angie * Beast of Burden * Emotional Rescue * Fool to Cry * Happy * It's Only Rock 'N' Roll (But I like It) * Miss You * Not Fade Away * Rocks Off * Shattered * Start Me Up * Time Is on My Side * Tumbling Dice * Waiting on a Friend * and more.

Stunning images of some of the greatest musicians from rock 'n' roll history, including both onstage action and behind-the-scenes candid.

Gus & Me Plume

Here's the inside story: the history of the Rolling Stones - according to the Rolling Stones. Mick Jagger, Keith Richards, Charlie Watts, and Ronnie Wood have come together for this remarkable project. They've also opened up their personal and band archives to include many rare and intimate images that are interwoven with the text. The book gets right to the heart of what makes the Stones the Stones, as musicians, songwriters, performers, and colleagues. They describe how their music has evolved and how it has affected and changed their lives. They also reveal, with refreshing frankness, how their own lives have helped, or hindered, their music-making. The Stones' own words -

insightful, funny, poignant, surprising, and above all, completely authentic - are complemented by insider reflections from key players in their story over the years such as Ahmet Ertegun, David Bailey, and Cameron Crowe. A comprehensive reference section including discography, and chronology, studded with the Stones' personal comments on the music and memories, completes this must-read volume. Here, in their own words and images, is the life and work of a band which has played the soundtrack of our lives for the last forty years.

Jimmy Buffett -- Easy Guitar Anthology Hachette UK
 Comprehensive visual history of the "World's Greatest Rock & Roll Band" as told through the recording of their monumental catalog, including 29 studio and 24 compilation albums, and more than a hundred singles. Since 1963, The Rolling Stones have been recording and touring, selling more than 200 million records worldwide. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *The Rolling Stones All the Songs*, authors Margotin and Guesdon describe the origin of their 340 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the great artists who contributed to their tracks. Organized chronologically by album, this massive, 704-page hardcover begins with their 1963 eponymous debut album recorded over five days at the Regent Studio in London; through their collaboration with legendary producer Jimmy Miller in the ground-breaking albums from 1968 to 1973; to their later work with Don Was, who has produced every album since *Voodoo Lounge*. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as how the mobile studio they pioneered was featured in Deep Purple's classic song "Smoke on the Water" or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on "Street Fighting Man." Please note that the ebook does not contain images.

 A deluxe edition of the seminal book that unites two legends of rock 'n' roll: Jim Marshall and the Rolling Stones. Now with new essays and never-before-seen proof sheets! The year 1972 brought together two legends of rock 'n' roll at the peaks of their careers: Jim Marshall and the Rolling Stones. Selected by LIFE magazine to photograph the Stones' EXILE ON MAIN ST. tour, Marshall had a week of unlimited access. The results are his now-iconic images of the band, onstage in their full glory and backstage in moments of unguarded camaraderie. Marshall's ability to capture the essential spirit of an artist and the transformative power of music is matched only by the Stones' larger-than-life energy. Fifty years after these photographs were taken, they retain the power to thrill and inspire. This definitive

edition presents the images as they were meant to be seen: at a larger size and in the rich, high-contrast tones Marshall favored. The original content is enhanced with never-before-seen proof sheets and two new essays by photographer and film director Anton Corbijn and Nikki Sixx of Mötley Crüe. This is the ultimate, immersive experience of one of the greatest moments in music history. **TWO MAJOR NAMES:** This book showcases the confluence of two massive creative talents: the band that defined rock 'n' roll, and the photographer who best captured its spirit. Jim Marshall is renowned in the music photography world. His images will immerse you completely in the scene of 1972. **MUST-HAVE FOR FANS:** If you love music or photography, or you wish you could go back to the raw energy of the 1970s, this is the book for you. **DELUXE COLLECTOR'S ITEM:** Previously published in 2012, Marshall's Rolling Stones photographs now get the ultimate deluxe treatment. You can enjoy these beloved images at a larger size, printed high quality and high-contrast, and in a gorgeous hardcover that's perfect to gift or display. **TWO ANNIVERSARIES:** Summer 2022 is not only the 50th anniversary of the tour when these photos were taken, but also the 60th anniversary of the Stones' debut performance. Commemorate those historic moments with this stunning book. Perfect for: • Music fans and musicians • Photographers and photography buffs • Anyone nostalgic for the 1970s • Rolling Stones fans • Jim Marshall fans • Photography book collectors • Leica camera users • History buffs • Dads, moms, and grandparents

Rolling Stones - Exile on Main Street (Songbook) Little, Brown

An inspiring, acclaimed picture book about family and music that details the electric moment with Keith Richards of the Rolling Stones first picked up a guitar, illustrated by his daughter, Theodora Richards. Long before there was a band, there was a boy: a young Keith Richards, who was introduced to the joy of music through his beloved granddad, Theodore Augustus Dupree, affectionately known as "Gus," who was in a jazz big band and is the namesake of Keith's daughter, Theodora Dupree Richards. *Gus & Me* offers a rare and intimate look into the childhood of the legendary Keith Richards through this poignant and inspiring story that is lovingly illustrated with Theodora Richards's exquisite pen-and-ink collages. This unique autobiographical picture book honors the special bond between a grandfather and grandson and celebrates the artistic talents of the Richards family through the generations. It also includes selected photographs from the Richards family collection.
