Michael Cunningham
brings together his
Pulitzer Prize-winning
novel with the
masterpiece that inspired
it, Virginia Woolf's Mrs.
Dalloway. In *The Hours*,

the acclaimed author
Michael Cunningham
draws inventively on the
life and work of Virginia
Woolf and the story of her
novel, *Mrs. Dalloway*, to
tell the story of a group of
contemporary characters
struggling with the
conflicting claims of love
and inheritance, hope and
despair. In this edition,
Cunningham brings his
own Pulitzer Prize-winning

novel together with
Woolf's masterpiece,
which has long been
hailed as a
groundbreaking work of
literary fiction and one of
the finest novels written
in English. The two novels,
published side by side
with a new introduction by
Cunningham, display the
extent of their affinity,
and each illuminates new
facets of the other in this

joint volume. In his introduction, Cunningham re-creates the wonderment of his first encounter with Mrs. Dalloway at fifteen—as he writes, “I was lost. I was gone. I never recovered.” With this edition, Cunningham allows us to disappear into the world of Woolf and into his own brilliant mind.

Moving and unsentimental story of inner reconstruction after a devastating loss
Shortlisted for the prestigious Premio Strega in Italy in 2014, this is the story of a broken family coming to terms, in the aftermath of the earthquake in L'Aquila in 2009, with the loss of one

of them - a twin sister, a daughter, a mother - while living in temporary accommodation on the outskirts of the city. The terse and clean voice of the spiky, single, thirty-something female narrator wards off sentimentality while guiding us through the inner reconstruction undertaken by each character individually and by the family as a whole, letting us witness the extraordinary poetic power of love and the renewal of hope.

From the author of the international bestseller *Mornings in Jenin* comes a powerful, passionate story of a family separated by conflict, and the tragedy they endure 'The story Susan Abulhawa tells in this marvellous novel is hard to bear but impossible to ignore ... precise, courageous, and dazzling' Teju Cole 'Gripping and deeply moving ... Suffering and resilience are difficult things to witness, but this powerful, politically

engaged novel does so with a transformative literary grace.' Independent on Sunday It is 1947, and Beit Daras, a rural Palestinian village, is home to the Baraka family – oldest daughter Nazmiyeh, brother Mamdouh, beautiful, dreamy Mariam and their widowed mother. When Israeli forces descend, sending the village up in flames, the family must take the long road to Gaza, in a walk that will test them to their limits. Sixty years later, in America, Mamdouh's

granddaughter Nur falls in love with a doctor. Following him to his work in Gaza, she meets Alwan, who will help Nur discover the ties of kinship that transcend distance – and even death. Told with raw humanity, *The Blue Between Sky and Water* is a lyrical, devastatingly beautiful story of a family's relocation, separation, survival and love. [The Angel On The Roof](#) University of Missouri Press From the author of the Agatha Raisin television

series...DEATH OF A MACHO MAN: A Hamish Macbeth Mystery When Hamish Macbeth, local constable of the Scottish village of Lochdubh, tries to break up one of the many fights involving Randy Duggan, the ruffian challenges him to a fistfight. New York Times Bestseller

- “A celebration of sport fishing in America, its history, locales, and impact.” — New York Times Book Review An essential book for everyone who loves casting a line into our nation's waters, *The American Fisherman*, by

outdoorsman Willie Robertson (CEO of Duck Commander and star of A&E's *Duck Dynasty*) and historian William Doyle, reveals that in the U.S.A., fishing is far more than a pastime — it has shaped our past and defined our character in remarkable ways. This generously illustrated celebration of fish, anglers, and our country's treasured wild places traces fishing's astonishing impact on the United States and its people, from its settlement and founding, to powering its economy

and inspiring our creativity and faith. Blessed by perhaps the most diverse and abundant waters in the world, Native Americans were the continent's first master anglers and incorporated fish into their spiritual beliefs and legends. When the Vikings, the earliest European visitors, arrived, they were drawn across the Atlantic Ocean by the bountiful fishing grounds of North America's East Coast. During the colonial era, fish helped save the Pilgrims, make George

Washington wealthy, and win the American Revolution. From New England cod to Pacific Northwest salmon to Gulf shrimp, the fishing industry has fed and financed centuries of Americans in every region of the country. Throughout, Willie and Bill explore how fishing has made an enduring mark on our national identity and culture. The American Fisherman is also an ode to our nation's extraordinary natural places: alpine trout streams in the Rocky

Mountains, steelhead runs along the storm-tossed Alaskan coast, the azure waters off Key West where marlin roam, and the bayous of Louisiana where the Robertsons have instilled the love and lessons of fishing down through the generations, as so many other families have. A spirited and unique look at the U.S.A. and its people, The American Fisherman will hook every sportsman from the first page and forever deepen their appreciation for the fishing life. INCLUDES

That was the simple yet groundbreaking question William T. Vollmann asked in cities and villages around the globe. The result of Vollmann's fearless inquiry is a view

of poverty unlike any previously offered. Poor People struggles to confront poverty in all its hopelessness and brutality, its pride and abject fear, its fierce misery and quiet resignation, allowing the poor to explain the causes and consequences of their impoverishment in their own cultural, social, and religious terms. With

intense compassion and a scrupulously unpatronizing eye, Vollmann invites his readers to recognize in our fellow human beings their full dignity, fallibility, pride, and pain, and the power of their hard-fought resilience.
