"When Special Agent in
Charge Max West and
his K-9 partner, Opal,
look into a series of

bombings in Northern
California, horse trainer
Katerina Garwood
instantly seems
suspicious. As the ex-
fiancée of a man tied
to the criminal Dupree
family, Katerina may
know more than she's
letting on--especially
since the infamous
syndicate is targeting

her. And Max isn't sure he can believe her when she says she knows nothing. Despite his reservations, though, he can't deny his attraction...or the impulse to protect her. And with the criminals closing in, Max must separate the truth from lies, or he and Katerina may not live to share tomorrow..."--Back cover.

Agent Ginger - The Recall Harlequin USA TODAY bestselling author Christy Barritt delivers an intriguing story about a baby in jeopardy, part of The Baby Protectors series. Tasked with figuring out who left a baby girl at the Houston FBI office, Special Agent Tanner Wilson has only one hint—his ex-girlfriend's name written on a scrap of paper. But child

psychologist Macy Mills doesn't recognize little Addie, and someone's dead set on abducting her...even if it costs Tanner's and Macy's lives. And with Addie and Macy as targets, Tanner's new mission is to protect them both—at the risk of his own life and heart. Macy will do anything to help him find who's after Addie, and make amends for her past mistakes. But for their reunion to become a second chance at love, they must find a way to survive the danger threatening to tear them apart. Experience more action-packed mystery and suspense in the rest of The Baby Protectors series: The Baby Assignment by Christy Barritt Baby on the Run by Hope White Guarding the Babies by Sandra Robbins Nanny

 Danger in Amish
 Country When her
 brother is killed in a
 small Amish town,
 Anna Quinn discovers
 she's an unwelcome
 outsider. But the FBI
 agent investigating the
 case is right at
 home—because Eli
 Miller was born and
 raised in Apple Creek's
 Plain community. Eli
 left his Amish faith
 behind long ago, but
 his heart is rooted in a
 local cold case he can't
 forget—a mystery with
 strange connections to
 Anna's loss. Desperate
 to uncover the truth,

Anna and Eli are faced
 with stony silences and
 secrets...secrets that
 someone wants to
 keep buried in the
 past.

AMISH COUNTRY

DANGER Returning to
 her Amish hometown
 to open a bed-and-
 breakfast, Heather
 Miller thinks she's
 finally safe from her
 violent ex-
 husband—until he
 escapes from prison.
 Now with her ex
 determined to hurt her,
 she must rely on US
 Marshal Zachary
 Walker for safety. For
 Zach, this mission isn't
 only his duty—it's
 personal. The escaped
 convict killed his sister,
 and Heather was
 instrumental in putting
 the man behind bars.
 But with Zach's natural
 protective instincts

toward Heather turning into something deeper, he must keep his emotional distance. He can't be distracted, because the danger that lies in wait is as evil as it is unexpected...and a lapse in judgment could prove deadly.

This is about Agent Ginger's last mission to the Ukraine by the Russian border as Agent Six her successor had been kidnapped in Russia. Ginger had taken time off as the lead agent in Syno security Agency to

become mother to two beautiful children, Breeze and C J, between her and Clive. That was until they received the phone call that Agent Six had been kidnapped while under cover in Istanbul and from where she had been detailed to go to the Ukraine. Once there, she was to go to the Russian border and wait for further instructions. Agent Six was Ginger's replacement when she went on sabbatical. Ginger knew this day may be coming, but it did not make it any easier for her and Clive. She had to get to the Ukraine borders and soon. There was no time to waste or they might lose Susan, (Agent Six) completely. From the intel gathered Ginger

knew that Petrov who ran things over there was a sadistic individual who was determined to eliminate as many agents as he could get his hands on. How could Susan allow herself to be captured? Ginger felt guilty, It should have been her, so she has got to do her best to get Susan out before it was too late for her to be rescued. Agent Ginger thought again about what had brought her to this point. She thought about the dangers ahead; the Russian base was bristling with elite and veteran Special Forces, the long miles of terrain between her and the base, regularly swept through by Russian incursions. The only way of finding out what had happened to

Susan was for someone to go there and be on ground. Ginger knew the terrain better than anyone else. Susan's patch was her patch, her contacts were her contacts. Her dangers were once her dangers. No one was better qualified for this rescue than her. She had to go, Ginger was determined. She prepared to cross the Ukrainian border. Agent Six was across that border in Russia and in deadly peril. And with her potentially lies the fate of SYNO.

The Insurance Field

Harlequin
An undercover guardian is on the case in this classic thriller by bestselling author Lynette Eason Days before Christmas, CIA agent Amber Starke is

on the run with her murdered best friend's special-needs son. And they're next on his criminal father's hit list. Amber failed her undercover mission to bring down her friend's husband for his crimes, but she won't fail to protect her friend's son. Now that the killer knows she's not just a nanny but an agent, she must rely on her childhood crush, Deputy Lance Goode. The handsome lawman was burned in love by his first wife, who was killed while evading the law. But he'll do everything he can to help Amber, except offer his heart. Originally published in 2016

Harlequin

This Companion explores the many ways in which the Gothic has dispersed in the twentieth and twenty-first centuries, and in particular how it has come to offer a focus for the tensions inherent in modernity. Fourteen essays by world-class experts show how the Gothic in numerous forms - including literature, film, television, and cyberspace - helps audiences both to distance themselves from and to deal with some of the key underlying problems of modern life. Topics discussed include the norms and shifting boundaries of sex and gender, the explosion of different forms of media and technology, the mixture of cultures across the western world, the problem of

identity for the modern individual, what people continue to see as evil, and the very nature of modernity. Also including a chronology and guide to further reading, this volume offers a comprehensive account of the importance of Gothic to modern life and thought.

A woman's past may jeopardize her future with her boss in this inspirational romantic suspense novel by a USA Today–bestselling author. Morgan Smith had to give up her name, her calling, and her past when she entered the witness protection program. Now a caretaker of horses on an Iowa farm, she spends her days in the stables and

helping kids learn to ride. But danger has followed her. She longs to tell her handsome boss, Alex Reardon, everything—about the troubled adoption agency she worked for, a missing infant and the attempt on her life. But sharing her past with Alex could put him in grave danger and lead a killer to their door. . . .

A primary source examination of the infiltration of Stalin's Soviet intelligence network by members of the American government during World War II reveals the dictator's dubious partnerships with such top-level figures as Vice President Henry Wallace and chief

advisor Harry Hopkins.
Holiday Secrets

Harlequin
In this sweeping history, Steven Marks tells the fascinating story of how Russian figures, ideas, and movements changed our world in dramatic but often unattributed ways. On Europe's periphery, Russia was an early modernizing nation whose troubles stimulated intellectuals to develop radical and utopian alternatives to Western models of modernity. These provocative ideas gave rise to cultural and political innovations that were exported and adopted worldwide. Wherever there was discontent with modern existence or traditional societies were undergoing transformation, anti-Western sentiments

arose. Many people perceived the Russian soul as the antithesis of the capitalist, imperialist West and turned to Russian ideas for inspiration and even salvation. Steven Marks shows that in this turbulent atmosphere of the past century and a half, Russia's lines of influence were many and reached far. Russia gave the world new ways of writing novels. It launched cutting-edge trends in ballet, theater, and art that revolutionized contemporary cultural life. The Russian anarchist movement benignly shaped the rise of vegetarianism and environmentalism while also giving birth to the violent methods of modern terrorist organizations. Tolstoy's visions of nonviolent

resistance inspired Gandhi and the U.S. Civil Rights movement at the same time that Russian anti-Semitic conspiracy theories intoxicated right-wing extremists the world over. And dictators from Mussolini and Hitler to Mao and Saddam Hussein learned from the experiments of the Soviet regime. Moving gracefully from Moscow and St. Petersburg to Beijing and Berlin, London and Luanda, Mexico and Mississippi, Marks takes us on an intellectual tour of the Russian exports that shaped the twentieth century. The result is a richly textured and stunningly original account of the extent to which Russia--as an idea and a producer of ideas--has contributed

to the making of the modern world. Placing Russia in its global context, the book betters our understanding of the anti-Western strivings that have been such a prominent feature of recent history.

"DON'T THINK YOU CAN GET AWAY WITH IT." Just when she started to feel safe, small-town librarian Lorie Narramore begins receiving threatening notes. They prove that her worst fears have come true—her dark past has followed her to Arkansas. And someone wants her to pay for what she's done. As the threats turn into full-scale attacks, Lorie has no choice but to rely on deputy sheriff Matt MacGregor's

protection. But after her harrowing ordeal with the law, can she truly trust a cop? And can Matt trust her to tell him the truth when the threats claim she's gotten away with murder?

DEADLY HOLIDAY

REUNION When his ex is thrust into the crosshairs of a deadly syndicate, FBI agent Gavin McKade will do whatever it takes to protect her. Even work the case with his stubborn sheriff dad. Gavin's holiday homecoming isn't exactly warm and fuzzy, but he must set aside the past to make sure Lexie Grant survives. As if protecting Lexie from professional killers isn't

difficult enough, the unlikely reunion has rekindled their complicated romantic connection. But if Gavin can't untangle Lexie from this dangerous web, the blurring line between duty and love may not matter...because this Christmas could be their last.

The Cambridge Companion to the Modern Gothic Simon and Schuster

In creating the world's premier law enforcement agency, J. Edgar Hoover built a gigantic bureaucratic machine resembling a slow-moving freight train, which was kept on his undeviating track by volumes of manuals containing rules and regulations beyond imagination. Each car of this lumbering snakelike

apparatus had a function, but fastened loosely to the rear was a lonely straggling caboose known as the One-man Resident Agent. Hoover and his sycophants in the corner offices on Pennsylvania Avenue hated the concept of the one-man office and looked at them as necessary evils. They were needed to get the work done but hated as they were too far removed to be effectively micromanaged, and as they were out of sight, they were wrongly assumed to be screwing off. Hoover's *Nightmare: A Special Agent Gone Native* is like no other book ever written from within the ranks of the FBI. Penned as a novel to allow the author flexibility, the reader is

taken on an exciting, informative, dramatic, and often humorous journey through a part of US history that is, unfortunately, rapidly being swallowed up and lost down the memory hole of time. As the reader travels with the main character, Agent McWade, he will experience Indian wars, crazy kidnapping scenarios, Behavioral Science Unit experiences, unimaginable sex crimes, heart-wrenching tragedy, and a host of other unparalleled real-life cases. All this through the eyes of the agent who became Hoover's nightmare. Read and enjoy the book that took the FBI well over a year to approve and allow to be published.

The Electrical World

Harper Collins
SECOND CHANCE
PROTECTOR When a speeding car almost hits Dr. Christina Jennings, it's the quick reflexes of FBI agent Dylan Hunter that save her. They soon realize the driver's purpose—dumping an unconscious Amish girl on Christina's doorstep. The small-town doctor's set on finding out who's responsible, but doing so throws her into the path of a killer...and leads her to a past she'd rather forget. On leave after his partner's death, Dylan can't possibly ignore the need to keep Christina safe. But as the man who once shattered her heart, he has to convince her to trust him first. Because the deeper Christina's propelled straight into

danger, the more she comes to believe that relying on Dylan may be her only chance for survival.

Ranch Refuge

Harlequin

Candice DeLong has been called a real-life Clarice Starling and a female Donnie Brasco. She has been on the front lines of some of the FBI's most gripping and memorable cases, including being chosen as one of the three agents to carry out the manhunt for the Unabomber in Lincoln, Montana. She has tailed terrorists, gone undercover as a gangster's moll, and posed as the madam for a call-girl ring. Now for the first time she reveals the dangers and rewards of being a woman on the front lines of the world's most powerful law

enforcement agency. She traces the unusual career path that led her to crime fighting, and recounts the incredible obstacles she faced as a woman and as a fledgling agent. She takes readers step by step through the profiling process and shows how she helped solve a number of incredible cases. The story of her role as a lead investigator on the notorious Tylenol Murderer case is particularly compelling. Finally, she gives the true, insider's story behind the investigation that led to the arrest of the Unabomber including information that the media can't or won't reveal. A remarkable portrait of courage and grace under fire, Special Agent offers a

missing chapter to the annals of law enforcement and a dramatic and often funny portrait of an extraordinary woman who has dedicated her heart and soul to the crusade against crime.

No Place to Run

Harlequin

FBI agents solve the toughest cases with the help of their brave canine partners in the Classified K-9 Unit series. When a fellow FBI agent is kidnapped and a protected witness vanishes, Leo Gallagher will stop at nothing to find them both. So when he discovers a link between the case and a single mother in Wyoming, Leo and his trusty K-9 partner rush to question Alicia Duncan. Could she be the key to locating the missing persons? Not if

a killer has anything to say about it. Someone is determined to keep Alicia from talking, so Leo and his chocolate lab must keep her and her little boy safe on their family ranch. With danger lurking around every corner, Leo must work overtime to not lose another person who's important to him.
