Amy Goodnight knows that the world isn't as simple as it seems. She also understands that "normal" doesn't mix with magic, and she's worked hard to build a wall between the two worlds. Not only to protect her family, who are all practicing witches, but to protect any hope of ever having a normal life herself. Ranch-sitting for her aunt in Texas should be exactly that: good old ordinary, uneventful hard work. Only, Amy and her sister, Phin, aren't alone. There's someone else in the house with them--and it's not the living, breathing, amazingly hot cowboy from the ranch next door. It's a ghost, and it's more powerful than the Goodnights and all their protective spells combined. It wants something from Amy, and none of her carefully built defenses can hold it back. This is the summer when the wall between Amy's worlds is going to come crashing down. A Kirkus Reviews Best Book of the Year An ALA-YALSA Best Book for Young Adults Praise for Texas Gothic: [Star] "You can't get much more Nancy Drew. . . . This engaging mystery has plenty of both paranormal and romance, spiced with loving families and satisfyingly packed with self-sufficient, competent girls."--Kirkus Reviews, Starred [Star] "Teens looking for a rollicking adventure filled with paranormal events, dastardly evildoers, and laugh-out-loud moments as Amy and Ben argue and snipe their way to love will adore this book."--School Library Journal, Starred "The author mixes suspense, humor, and lots of local flavor. . . . The enjoyable sum is a lively teen ghost story with sex appeal."--The Horn Book "A deeply affectionate rendering of Texas landscapes and legends combines with an appealing cast of well-developed characters to give texture to this well-plotted mystery; truly scary moments are balanced by the humorous bumbles of the awkwardly developing romance between Amy and Ben, as well as Phin's sublime cluelessness about the way her eccentricities appear to other people."--The Bulletin

The German Patient takes an original look at fascist constructions of health and illness, arguing that the idea of a healthy "national body"---propagated by the Nazis as justification for the brutal elimination of various unwanted populations---continued to shape post-1945 discussions about the state of national culture. Through an examination of literature, film, and popular media of the era, Jennifer M. Kapczynski demonstrates the ways in which postwar German thinkers inverted the illness metaphor, portraying fascism as a national malady and the nation as a body struggling to recover. Yet, in working to heal the German wounds of war and restore national vigor through the excising of "sick" elements, artists and writers often betrayed a troubling affinity for the very biopolitical rhetoric they were struggling against. Through its exploration of the discourse of collective illness, The German Patient tells a larger story about ideological continuities in pre- and post-1945 German culture. Jennifer M. Kapczynski is Assistant Professor of Germanic Languages and Literatures at Washington University in St. Louis. She is the coeditor of the anthology A New History of German Cinema. Cover art: From The Murderers Are Among Us (1946). Reprinted courtesy of the Deutsche Kinemathek. "A highly evocative work of meticulous scholarship, Kapczynski's deftly argued German Patient advances the current reevaluation of Germany's postwar reconstruction in wholly original and even exciting ways: its insights into discussions of collective sickness and health resonate well beyond postwar Germany." ---Jaimey Fischer, University of California, Davis "The German Patient provides an important historical backdrop and a richly specific cultural context for thinking about German guilt and responsibility after Hitler. An eminently readable and engaging text." ---Johannes von Moltke, University of Michigan "This is a polished, eloquently written, and highly informative study speaking to the most pressing debates in contemporary Germany. The German Patient will be essential reading for anyone interested in mass death, genocide, and memory." ---Paul Lerner,

University of Southern California

Struggling to support her family in mid-19th-century New York, writer Frances Osgood makes an unexpected connection with literary master Edgar Allan Poe and finds her survival complicated by her intense attraction to the writer and the scheming manipulations of his wife. 75,000 first printing. **Englisch-Deutsches und Deutsch-Englisches Wörterbuch** CIFOR

In Kafka and Wittgenstein, Rebecca Schuman undertakes the first ever book-length scholarly examination of Ludwig Wittgenstein's philosophy of language alongside Franz Kafka's prose fiction. In groundbreaking readings, she argues that although many readers of Kafka are searching for what his texts mean, in this search we are sorely mistaken. Instead, the problems and illusions we portend to uncover, the im-portant questions we attempt to answer—Is Josef K. guilty? If so, of what? What does Gregor Samsa's transformed body mean? Is Land-Surveyor K. a real land surveyor?—themselves presuppose a bigger delusion: that such questions can be asked in the first place. Drawing deeply on the entire range of Wittgenstein's writings, Schuman can-nily sheds new light on the enigmatic Kafka.

Schweine sind nicht schwer zu malen. Die größere Schwierigkeit besteht darin, sie zu finden, sie zu enttarnen und ihre wahre Gestalt zu erkennen. Dies alles hat sich Gustav Weihwasser zur Aufgabe gemacht. Und er entwickelt ein untrügliches Gefühl für die Jagd auf sie. Wer aber sind die Schweine, die seine Leinwände füllen? Wer ist der Putzteufel, der eine kleine Stadt und ihren Ermittler seit Jahren in Atem hält?

Immediately after the Messiah — which was created in the twenty four days from August 22 to September 14, 1742 — Handel advanced to the composition of Samson. The commencement of the work is not dated; but by September 29, fourteen days after the completeion of Messiah, the first act was completed; the second act was finished by October 11, and the work was finished on Octber 29, 1741. Handel's two greatest oratorios were produced together in ten successive weeks. SATB with SATBB Soli

"A moving, splendidly realized story of courage and grit in modern-day Kabul." —Vikas Swarup, author of Slumdog Millionaire A harrowing yet tender novel—Bend It Like Beckham in a burka—The Taliban Cricket Club is a moving and unforgettable tale of one woman's courage and guile in the face of terror and tyranny. Set in war-torn Kabul, Afghanistan, this extraordinary new fiction by Timeri N. Murari, acclaimed author of the international bestseller, Taj, is a sweeping story of love, family, resilience, and survival, featuring an unforgettable heroine determined to help her loved ones win their freedom with a bat and a ball.

REDD+ must be transformational. REDD+ requires broad institutional and governance reforms, such as tenure, decentralisation, and corruption control. These reforms will enable departures from business as usual, and involve communities and forest users in making and implementing policies that affect them. Policies must go beyond forestry. REDD+ strategies must include policies outside the forestry sector narrowly defined, such as agriculture and energy, and better coordinate across sectors to deal with non-forest drivers of deforestation and degradation. Performance-based payments are key, yet limited. Payments based on performance directly incentivise and compensate forest owners and users. But schemes such as payments for environmental services (PES) depend on conditions, such as secure tenure, solid carbon data and transparent governance, that are often lacking and take time to change. This constraint reinforces the need for broad institutional and

policy reforms. We must learn from the past. Many approaches to REDD+ now being considered are similar to previous efforts to conserve and better manage forests, often with limited success. Taking on board lessons learned from past experience will improve the prospects of REDD+ effectiveness. National circumstances and uncertainty must be factored in. Different country contexts will create a variety of REDD+ models with different institutional and policy mixes. Uncertainties about the shape of the future global REDD+ system, national readiness and political consensus require flexibility and a phased approach to REDD+ implementation.

Frida Kahlo wird als Eule wiedergeboren. Kaum hat sie sich im Kronberger Park eingemischt, endet die erste Nacht mit einer Leiche unter ihrem Baum. Plötzlich taucht Carlos, eine Eule aus dem Nachbarbaum auf, der Frida magisch anzieht. Während zahlreiche Personen einen Leichenbesuch abstatten, und entweder alle oder keiner etwas mit der Verstorbenen zu tun haben will, kommen sich die beiden näher. Von ihrem Baum aus beobachten sie Szenen, die sich nach und nach zu einem Netz von Beziehungen rund um die Tote spinnen. Frida verwandelt diese in ein Kunstwerk voller Witz und Realität und bringt dabei auf bizarre Art und Weise den Mörder ans Tageslicht.

Mystischer Ruhrgebiet-Krimi Joshua Benning hat von Kindheit an übersinnliche Fähigkeiten. Vor allem ermordete Opfer scheinen sich ihm zu offenbaren, was ihn schon früh inoffiziell mit der Polizei zusammenbrachte. Erich Salberg, Leiter in den Ermittlungen mehrerer Mordfälle, zieht Joshua

schließlich hinzu, doch der hiesige Fall bringt den jungen Mann an seine Grenzen. Wer tötet im Ruhrgebiet und in Joshuas unmittelbarer Nähe junge Frauen? Das erste Mal können ihm auch die Geister nicht helfen. Also begibt er sich mit der Polizistin Lea Schmidt auf die Spur des Mörders. 290 Seiten

Vincent Calvino ist in Bangkok gestrandet - als Privatdetektiv. Zusammen mit seinem Freund Pratt, dem thailändischen Polizeioffizier, mischt er die Unter- und Halbwelt auf. Das gefällt manchen Leuten gar nicht, die denken, im Schutz des heiligen Schreins könne man besonders gut Kohle machen. Schon bei ihrem ersten Auftritt stecken Calvino und Pratt ganz tief drin im grossen Spiel um Macht, Reichtum und Korruption. (Quelle: Buchdeckel verso)
