The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the

subject of premillennialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.

English description: The history of Jerusalem during the Islamic Middle Ages was not confined to the foundation of sanctuaries, and the struggle over their control - even if these aspects could not be ignored in the context of Jerusalem. Different kinds of sources - buildings, inscriptions, documents and chronicles - inform us about the history of Jerusalem between the Fatimids and the Ottomans, and on the changing social and political factors which shaped the urban environment. German description: Die Geschichte der Stadt Jerusalem im islamischen Mittelalter umfasste mehr als die Einrichtung und Nutzung von Heiligtumern und den Streit um ihre Kontrolle - auch wenn diese Aspekte aus dem Leben in der Stadt nicht wegzudenken waren. Verschiedene Quellen - Bauten, Inschriften, Urkunden und chronikalische Literatur - geben Aufschluss über die Geschichte Jerusalems zwischen Fatimiden und Osmanen, wobei hier v.a. die wechselnden sozialen und politischen Faktoren in der Gestaltung des städtischen Lebensumfeldes im Vordergrund stehen.

Kabbalah holds the secrets to a path of conscious awareness. In this compact book, noted spiritual teacher DovBer Pinson presents 32 key concepts of Kabbalah and shows their value in opening the gates of perception. From the Introduction: Simply translated, Kabbalah means "that which is received." Looking deeper, the word Kabbalah can mean to be open and receptive, to challenge one's own internal navigational system in order to see, hear, and be open to... more. We must be receptive to a teaching to fully absorb it. We turn ourselves into vessels and invite within that which we wish to understand or grasp. In this way, we become receptacles, dispensaries, and a part of the Kabbalah. We become vessels of this tradition by opening the self to a higher reality, and viewing the spirit within the matter. We raise our consciousness to the point where the Divine within all creation is revealed. As we pursue a deeper awareness, we become less ego-centered and more attuned to the deeper significance of our surroundings. About the author: Rabbi DovBer Pinson heads the Iyyun Center in Brownstone Brooklyn. He has written several books, including *Inner Rhythms: The Kabbalah of Music*; *Reincarnation & Judaism: The Journey of the Soul*; *Meditation & Judaism: Exploring Meditative Paths* and *Jewish Wisdom of the Afterlife*.

Inside the Gates of Heaven is one of the most compelling accounts of an individual's encounters with God in this generation. Not only does this account take you on a journey through the gates of glory, it answers some of the questions long asked by many about our eternal destination. I have personally read and re-read this account in light of what the Lord is revealing to many of us in this hour and find that Brother Oden was a forerunner for many of us. His words and experiences have been repeated through many others who have had similar experiences. The Lord is truly trying to encourage this generation with the reality that awaits all of us - Heaven, our eternal destiny. Bruce Allen For those unsure of the existence of Heaven, Oden Hetrick's detailed account of his visits to the place we all long for serves as a true doubt-demolisher and faith-injector. The fact that Oden led an exemplary righteous, Christian life lends further credence to his written testimony. It was my honor both to have known him as a friend and to have been inspired by his great faith. Steve Jones Extra Mile Ministries [www.extramileministries.net](http://www.extramileministries.net) The Hetrick family is very special to me. They adopted

me into their family like a daughter and sister, and have blessed me in many ways. Dad Hetrick was a genuine man of God with a gentle spirit. I trust you will be blessed and edified by what the Lord has revealed to him. I look forward to experiencing the exciting glories of Heaven soon that he has left on record for our encouragement and instruction. Arlene A. Cober

"REMARKABLE . . . A WONDERFUL STORY." --The Boston Globe The father is a high-ranking Communist officer, a Jew who survived Stalin's purges. The son is a "refusenik," who risked his life and happiness to protest everything his father held dear. Now, Chaim Potok, beloved author of the award-winning novels *The Chosen* and *My Name is Asher Lev*, unfolds the gripping true story of a father, a son, and a conflict that spans Soviet history. Drawing on taped interviews and his harrowing visits to Russia, Potok traces the public and private lives of the Slepak family: Their passions and ideologies, their struggles to reconcile their identities as Russians and as Jews, their willingness to fight--and die--for diametrically opposed political beliefs. "[A] vivid account . . . [Potok] brings a novelist's passion and eye for detail to a gripping story that possesses many of the elements of fiction--except that it's all too true." --San Francisco Chronicle

From Jerusalem to Ghana to Katrina-ravaged New Orleans, a woman reclaims her history in a "beautifully written and thought-provoking" memoir (Dave Eggers, author of *A Hologram for the King* and *Zeitoun*). A biracial woman from a country still divided along racial lines, Emily Raboteau never felt at home in America. As the daughter of an African American religious historian, she understood the Promised Land as the spiritual realm black people yearned for. But while visiting Israel, the Jewish Zion, she was surprised to discover black Jews. More surprising was the story of how they got there. Inspired by their exodus, her question for them is the same one she keeps asking herself: have you found the home you're looking for? In this American Book Award-winning inquiry into contemporary and historical ethnic displacement, Raboteau embarked on a ten-year journey around the globe and back in time to explore the complex and contradictory perspectives of black Zionists. She talked to Rastafarians and African Hebrew Israelites, Evangelicals and Ethiopian Jews—all in search of territory that is hard to define and harder to inhabit. Uniting memoir with cultural investigation, Raboteau overturns our ideas of place, patriotism, dispossession, citizenship, and country in "an exceptionally beautiful . . . book about a search for the kind of home for which there is no straight route, the kind of home in which the journey itself is as revelatory as the destination" (Edwidge Danticat, author of *The Farming of Bones*).
