Carthage and Her Remains Sagwan Press

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support

of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Tunis, Kairouan & Carthage Theclassics.us

Excerpt from Carthage and Tunis, Past and Present: In Two Parts Occupied at first by a primitive population of which we know scarcely the names and still less the history, its social and political existence commences in fact only at the arrival of the Phoenicians. These incomparable navigators, who scented, so to speak, and discovered upon all the shores Of the ancient world stations capable of strengthening and developing their mercantile power, could not long remain unacquainted with this gulf of Tunis, worthy one day to shelter the daughter and the rival of Tyre, the Superb. They built there Carthage. At first a modest colony, then flourishing, it became rapidly independent of its mother country; and at length assuming the rule that belonged to its declining metropolis in the East, it inherited its empire and enlarged its horizon. Rome, already preponderant in its peninsula, could not advance further without striking against this Punic colossus which projected its shade menacingly from the coast of Sicily. About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works."

Tunis, Kairouan & Carthage Arkose Press

L'inflexible Caton avait voulu que de la grande cité qui fit trembler Rome il ne restât rien. Il fut bien près d'y parvenir. Jusqu'à la fin du siècle dernier, Carthage n'a en effet guère laissé dans la mémoire des hommes ce que les récits des Anciens, pour beaucoup hostiles, ont bien voulu nous en dire. Quant à Flaubert, en dépit de ses efforts, il dépeint dans Salammbô une civilisation quelque peu imaginaire. La révélation est venue de l'archéologie qui, depuis quelques années, a fait des avancées décisives. Elle a permis de faire justice des mythes ou des calomnies propagés par les ennemis de Carthage et surtout de nous informer avec une précision croissante sur les croyances des Carthaginois, sur leur mode de vie, sur la vigueur économique de leur cité, sur les multiples villes qu'elle fonda, sur son commerce, sur son agriculture... L'étude de la culture matérielle a permis de mettre en évidence le caractère métissé de la civilisation d'une cité aux racines orientales établie dans l'ensemble de la Méditerranée occidentale, ouverte aux influences extérieures (notamment artistiques). Il ne fait pas de doute que sa destruction impitoyable en 146 av. J.-C. a constitué un tournant capital de l'Histoire. Puissance d'abord continentale, Rome, qui l'a supplantée, a évidemment imposé un modèle de civilisation radicalement différent de celle qu'elle avait développée. Ancien membre de l'Ecole française de Rome, professeur à l'université de Grenoble, spécialiste de l'Afrique du Nord dans l'Antiquité, Serge Lancel a dirigé des chantiers de fouilles en Algérie et en Tunisie, et notamment la mission archéologique française qui a opéré à Carthage entre 1974 et 1981 dans le cadre de la campagne internationale patronnée par l'Unesco.

The City of Tunis Nabu Press

An introduction to the people and land of Tunisia, whose historic city of Carthage (now Tunis) was for centuries the passageway to the mysteries and unknown treasures of Africa.

Carthage Hardpress Publishing

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these

images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Carthage and Tunis Wipf and Stock Publishers

An introduction to the geography, people, history, government, resources, culture, and major cities of Tunisia.

Tunisia, from Carthage to Tomorrow Fayard

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1906 edition. Excerpt: ... I did not know what to say, those eyes were so eloquently tragic, that hand so pathetically thin. "Neither of us will ever forget you," I said; " that is impossible, and I believe we shall find some way to help you." I caught Bachir's eyes. He came towards me. "May I speak to you," he said, "and advise you to say good-bye to Madame Ajeeb? Her servant is in the next apartment; she has come to look for her." Madame rose quickly. "Good-bye," she said, "it helps me to feel that I have two friends in the city." Bachir went with her as far as the door which opened into the next apartment. What passed between them I shall never know, but I saw Bachir put his hand in his pocket, and I have an idea that the dear man gave her some money in case she should need it for a bribe, and then he returned to us, his thin brown face expressive of absolutely nothing. t After that Jack and I did the museum, which contains a room full of beautiful Carthaginian jewellery and antique glass and coins--all amazingly interesting to any one who has seen just their doubles in Sicily and Greece as we have, for the Carthaginians had nothing of their own but money. I think they must have been rather vulgar people, avaricious, purse-proud, and unimaginative. On the way back from the Bardo we saw some snakecharmers, but I will tell you about them in my next letter. The days are getting much hotter, but there is always a lovely cool breeze in the afternoon. La petite Belge and her husband are to dine with me to-morrow night. Yours devotedly, Doris. chapter X H6tel Eymon, Tunis, May, i905. Dearest, To-day has been a day of smaller things, but of infinite variety. I feel as though I were gradually learning to read the East withBachiras my dictionary, but as you can imagine, ...

By the Waters of Carthage Alpha Edition

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

Carthage and Her Remains Forgotten Books

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

TUNIS KAIROUAN & CARTHAGE Touchstone

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented

this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

Tunis, Kairouan & Carthage Palala Press

Tunis, Kairouan and Carthage - the very names conjure up visions of 'a hundred dramatic scenes and incidents which have governed the subsequent history of the world'. In this volume (written at the beginning of the twentieth century) Graham Petrie gives a thorough and detailed account of the history and contemporary life of these Tunisian habitations. But this is no mere travel guide: the author's first-hand acquaintance with the places and people he describes is evident in the absorbing narrative and delicate watercolours which are reproduced in full colour.
