The Siena Travel Guide: Sights, Culture, Food, Shopping & Fun - don't visit Italy without it! Available in print and in ebook

formats.

Alla scoperta di Siena. Guida alla città per bambini Wentworth Press

Un libro fatto di cieli, di pietre e di stelle. Un libro da visitare, da tenere sott'occhio quando siamo pronti per inaspettati itinerari. Scritto con amore e con certezze storiche, per un viaggio senza tempo, curioso, fuori dai soliti percorsi. Le chiese delle terre di Siena sono il cuore e il senso di questo cammino e dietro a queste vicende architettoniche e storiche ci sono uomini e donne e le loro storie. È una Toscana finalmente vera; lo vediamo anche dalle foto di Göran Söderberg che offrono slancio e profondità alla pubblicazione, che non addomesticano la bellezza ma ne fanno un oggetto crudo e tutto da scoprire.

Siena il sogno gotico Createspace Independent Publishing Platform

Attempts to provide a comprehensive study of the paintings produced in Florence between circa 1100 and 1270 - the scope of the book ranges from early examples of medieval art to the generation of painters preceding Cimabue. All known works of the period are included accompanied by descriptions.

Alla scoperta di Siena. Guida alla città per i bambini Youcanprint

Meticulously researched and compiled by expert food writers of the international Slow Food movement, Italian Cheese was first published in 2001. This new edition of the book is 45 percent larger than the original and now profiles 290 distinct styles of traditional cheese. Organized by region, the book covers a wide range of typical Italian cheeses. Readers will discover not only familiar favorites like Parmigiano Reggiano and Grana Padano, but less well known styles like the nutty Taleggio, a washed-rind cheese from Lombardy that has been made in the Valsassina foothills since the 9th century. Or Caciocavallo from southern Italy, with its distinctive purselike shape. Entries describe how these traditional products are made and give readers a context for understanding the time-honored farming and cheesemaking practices that are rooted in the Italian landscape and culture. Attractive color photographs accompany each description and illustrate each type of cheese.

Guida Di Siena E Dei Suoi Dintorni ... Slow Food
Siena, Italy. The History of the City, a Travel Guide for Tourism
Does any country boast as many holiday destinations as Italy?
The majesty of Rome, the beauty of Naples, the romance of
Venice; all must-visit cities at some point in one's life. But even
beyond the more storied names, Italy offers much to stir the soul.
The small city of Siena, with a population of barely 50,000, is a

classic hidden gem. Siena is most famous for its biannual horse race, the Palio. A forthcoming documentary on the Palio should heighten British interest in a truly unique event. If possible, time your visit around either the July or August races. However, even if you can't make the Palio, you'll find much to treasure. Siena is a truly beautiful city, all cobbled streets and tall, ancient buildings. The city is split into 17 districts all with their own names and colours and, as you walk the streets, you'll notice the flags change depending on which district you travel through. Unlike certain global megacities, Siena has a strong sense of identity. It will stay with you long after you depart. Siena is a city where the architecture soars, as do the souls of many of its visitors. Effectively a giant, open-air museum celebrating the Gothic, Siena has spiritual and secular monuments that have retained both their medieval forms and their extraordinary art collections, providing the visitor with plenty to marvel at. The city's historic contrade (districts) are marvellous too, being as close-knit and

colourful today as they were in the 17th century, when their world-famous horse race, the Palio, was inaugurated. And within each contrada lie vibrant streets populated with artisanal boutiques, sweet-smelling pasticcerie (pastry shops) and tempting restaurants. It's a feast for the senses and an essential stop on every Tuscan itinerary.
