Comical Vacations 2 Three-Book Bundle  
Contents The Finch Family Holiday 3 It is that time of year again folks, yes summer is here so batten down the hatches because the Finch family are heading for Cornwall to stay in a holiday home by the sea with its own secluded beach. Sounds idyllic, sounds relaxing and sounds like a lot of fun in the sun so one out of three is not bad since all is not what it seems and how is Kitty Finch supposed to chill out when there are certain people winding her up from start to finish. As extra members of the clan are joining them for the ten-day humorous adventure, sparks could fly if someone lit a match to ignite the tension, sexual or otherwise. There are

days out to look forward to in Cornwall where the Finch family discover new things, try out new stuff and resort to old tricks when needed. Will Kitty's cousin get the better of her on this comical vacation? Will Kitty Finch be involved in any holiday romances or just watching from the sidelines, as per usual? Will a cardboard figure and a knitted scarecrow survive the vacation to go on another one? So come along and catch up with the funny Finches as they show you what having a British family holiday is about. The Finch Family Holiday 4 This year's Finch family holiday finds them flying off to France for ten days in the rural French countryside. Only Kitty Finch seems to spend her vacation time searching for something whether it is a home for a pet, a handbag or a holiday romance.

Not to mention the mystery man and his yellow socks that bring trouble her way. All whilst avoiding the unwanted advances of a certain somebody who does not know when to take no for an answer but should know better. As the Finch family comes across plenty of people to share their time with including German neighbours, English expats and even a French farmer to name a few. One of the men Kitty meets is special enough to take her fancy for a French fling, so start reading this funny French farce to see if she succeeds despite the exes who are hijacking her holiday fun. Whether it comes to randy rabbits, randy monkeys or randy men it is all part of the experience. The Finch Family Holiday 5 Who wants to go on holiday when they are ill in bed? Kitty Finch does not so she

does her best to get out of the annual family holiday but no, her parents are having none of it so she is going to Turkey whether she likes it or not. Since they will probably kidnap her if she does not comply and come willingly while she never imagined part of that sentence actually coming true on this trip. Anyway, they are soon off to the airport where her nightmares begin and not for the only time on this holiday does Kitty wish that she had stayed in bed and had not bothered getting up. Not that she wants to appear ungrateful about going on a five-day all-inclusive package holiday in the sun during the school half-term in October, it is just that she will be face-to-face with her ex-husband who she hasn't seen since the wedding fiasco and the less said about that the better.

Despite not feeling up to a holiday with the family, it is not all doom and gloom for poor old Kitty because she does get to experience things in Turkey that she never would have had she not gone there and some aspects of it she even enjoys. As this is what a British family holidaying abroad gets up to when left to their own devices. Only do not expect this laugh-out-loud saga to end there because the funny Finches will be back for yet more shenanigans in the next book.

Demon's Destiny: Famed for his cocky attitude and womanizing lifestyle, Baal likes to make his own rules. But being the most powerful demon in Hades' army comes with a steep price. Namely, a command to mate with the human he is bound to protect. When the lord of the Underworld reveals the female's true identity, Baal vows he will never love

her. Even though she may destroy him, he soon discovers it's a promise he might not be able to keep. When her sibling goes missing, Ranata finds herself at the mercy of those who intend to make her Hell's next sacrifice. With the world embraced in the wrath of a power-hungry demigod, and a sister now in his clutches, she discovers she is not fully human and now must face the biggest challenge of her life. Mating a demon is an insane idea, but she will do anything to save her sister. Falling in love with him might be even crazier. Hades: Being the lord of dark, terrifying things makes Hades the most feared god in existence. He's also the most bored. When the guardians request his assistance, he is quick to grant it and make his way to the human realm. After

all, creating havoc is what he does best. When his path crosses with a beautiful female, he finds her honesty refreshing, making his desire burn hotter. It's when she summons him for a favor that he will finally get to name his terms. When tall, dark and oh-so-sexy walks into her store, Mia suddenly finds herself marked by a god. Saddled with a curse that rips her world apart on a nightly basis, she decides bargaining with Hades to remove it might prove beneficial. Of course, requesting a favor from the lord of the Underworld comes with a huge price. Namely thirty days in Hell as his guest. Hades is only out for some fun, but Mia isn't playing his games. She intends to get through her agreement despite the yearning she feels for him. Problem is, the longer they are together

the more she begins to see beyond the lord of evil to the troubled man beneath. Now she must decide if he is worthy of the only thing she has left to give. Vampire's Desire: He does not trust her... Lucan has one chance to save himself before the darkness he wields consumes him. The vampire would rather damn his soul to Hell, than mate his enemy's sister. Fate hasn't left him much choice however, because it prophesies Sabin to end the brutal war on humanity. The longer he waits, the further into the shadows he slips and the closer they all come to being destroyed. She will betray him... Sabin experiences daily torture ever since her brother locked her in his hellish dungeon. The only thing that keeps her sane, is the knowledge there is one vampire

destined to save her. Even when Lucan rejects the idea they could ever become mated, she knows the fate of the world depends on them being together. He is darkness; she is light, yet they need each other to survive. Evil is preparing to destroy Sabin, and with each passing second the enemy grows stronger. Time is running out and with the Phoenix God missing, Sabin cannot fulfill the prophesy. There may be only one sacrifice left to make. READ THE WHOLE SERIES -also available as audiobooks!
