Painting pours have become very popular recently and no wonder it's because they are so much fun. When the colors spill out onto the canvas it can be very exciting to watch. Pick up

the canvas and roll it around, back and forth and watch as the rich tones create wonderful cells and unique designs that look amazing every time. Painting pours are very exhilarating and happy to watch as each artist creates their own truly unique piece. This book can be used for learning all about painting pours in addition to creating designs within the pour. Whether you are

looking to create traditional pours right out of the cup or interested in expanding your creations with marketable subjects, then this book is for you. Learn to go beyond the traditional pour by creating designs that buyers love and are easy to sell. While many know that painting pours can be abstract in nature adding simple subjects will make it easier to market and sell your art, if that is your

goal. Pours are beautiful on their own but if you want to market your art then add subjects will make it considerable easier. Go onto Instagram, Facebook or YouTube and look under Lisa V Maus to see many of the pours. I do try to keep the cost in mind so I have added as much information as possible in each lesson. This is a step by step description to get comfortable with painting pours. Once you comfy there's no stopping you. Get ready for a long and beautiful relationship with

pouring on wonderful colors. These lessons can be used as painting pours classes, or on your own with easy to follow lessons to achieve wonderful, alive and marketable artwork. A successful painting pour is achieved when the artist has enjoyed the process. [Acrylic Paint Pouring](#) Walter Foster Publishing This book contains step by step instructions on acrylic pour painting; it covers all the basics of acrylic pouring for beginners and advanced pourers in a helpful and

accessible manner. It will teach you what you need before you start a pour in terms of all the required tools and materials, and explains all the basic techniques. Below is a preview of what is inside: Acrylic pours painting tricks Tips for before you start paint pouring Paint pouring beginners tips Tips on pouring mediums and consistency Mixing medium and paints for acrylic pouring Pour process tips for acrylic pouring Step by step guide for acrylic paint pouring How to mix the

How to Make Beautiful, Fresh, Funky and Trendy Acrylic Paint Pour Art The Essential Beginner's Handbook for Fluid Art Tips, Tricks, and Techniques Learn 5 FAST, QUICK & EASY Methods Making beautiful, colorful messes is so much fun! Have you ever wanted to tap into your creative side but thought you lacked artistic talent? Do you love the look of modern, abstract artwork but are afraid to take the leap of making your own? Are you a perfectionist? Are you scared to create

artwork because you'll feel you will have to do and re-do and RE-DO it over and over again? Don't worry! This book holds the answers for you! Now you can learn to create beautiful works of art with your own two hands! It's cheap, easy, and fun! Literally, anyone who can spill a cup of milk can make a masterpiece. Acrylic poured artwork is funky, fresh, and totally on-trend right now. You can use this method to paint to just about anything around your house to create that

spectacular conversation piece. Even if you think you lack artistic talent, in this book, I show you that YOU can unleash the artist inside you. You haven't had this much fun making art since you finger-painted in Kindergarten for Mother's Day! This type of art creation is perfect for kids and adults of all ages. It can be so satisfying, too! The artwork is sometimes not just in the end result, but the journey of the process is half the satisfaction. In this book, I will show you in easy to

follow, step-by-step instructions and techniques of how to create wondrously amazing works of fluid acrylic paint poured art. I start from the very beginning. What are the absolutely necessary materials What materials and supplies are helpful but optional How to set up your workspace How to mix the paint just right What are "cells" and how you make them Once we set a firm foundation, I will talk you through the 5 major methods of pouring the paint. We'll talk about:

The Dirty Pour (no, it's not a mixed drink!) The Puddle Pour (sounds fun, right?) Swiping (not "stealing!") The ever-popular "Soda Bottle" pour technique Using a blow dryer or straw to create different looks This type of art is extremely affordable because you can paint anything you want using these techniques! You can stick to canvas, but your imagination is your only limit! In this book, I tried to pack it full of photographs to illustrate exactly what I'm talking

about - visually. For a limited time, if you purchase the paperback version of this book on Amazon, you can download the eBook for FREE! That way, you can see all of the full-color photographs in their Technicolor glory. [DIY Acrylic Paint Pouring](#) Independently Published Color Mixing in Acrylic features a range of techniques and valuable instruction for working with and mixing color in this classic medium. **Color Mixing in Acrylic** Walter Foster

Acrylic pouring painting is the art of using fluid acrylics to pour onto a canvas (or other surface) to create unique abstract effects. The actual process of doing pour painting is mesmerizing and quite addicting! This guide will introduce the supplies needed, the techniques used, and example projects to get you started. The book will cover the basics of selecting and mixing paint, choosing a surface to paint, and how to do various types of pours. Aimed at the true

beginner, this book will get you pouring in no time at all.

### Acrylic Pouring Guide

Quarry Books

The Art of Paint Marbling takes you through all the tools, techniques, and tips you need to create your own marbled artwork.

\*2022 Creative Book

Awards winner for Best Drawing & Painting Book\*

Closely following the successful The Art of Paint Pouring and its follow-up, The Art of Paint Pouring: Swipe, Swirl & Spin—The Art of Paint Marbling features a similarly easy-

to-follow format and appealing aesthetic. Paint marbling is a contemporary technique with a long history. What started hundreds of years ago has evolved into a fun, modern art form that's popular on YouTube and has been hailed as a trend by The New York Times. Nowadays, paint marbling uses a base of thickened water, onto which paint is poured and then swirled. Dipping paper directly into the paint creates beautiful, abstract art that's easy to do at home using

minimal, affordable supplies. Using step-by-step projects with thorough instructions, artists can use a variety of techniques to manipulate colored paint into intricate patterns and create marbled artwork on a variety of surfaces, including paper, cloth, and wood panels. Large, beautiful, and colorful photos accompany all of the projects and techniques. Paint marbling serves as a fun hobby for beginners, a new art form for more advanced artists looking

for alternative techniques, and a family activity perfect for artists young and old. With *The Art of Paint Marbling*, you can learn to use paper, paint, and water to create your own on-trend artwork!

This guide is divided into 2; Book 1 and Book 2: What acrylic pouring is all about How to varnish acrylic pour painting How to make Acrylic pouring drip containers How to make acrylic skin All the 50+ best Acrylic pouring

techniques/methods and how to do them. All the basic and advanced Acrylic Pouring tips and tricks. And many more What are you waiting for? Even if you are not technologically or artistically savvy, you can still do your projects with this amazing guide. Get it into your library today by clicking the 'BUY BUTTON' *Acrylic Pour Art How to Do It* Random House Books for Young Readers Welcome to the eclectic world of Flow Painting, also known as Fluid Art and Acrylic Pouring! Flow

Painting can be a therapeutic and rewarding form of art for almost anyone from any background. If you enjoy crafts and DIY projects but have never formally studied Color Theory, Drawing, or Design, don't worry - you CAN do this! Fluid Art is mesmerizing to watch and endlessly entertaining to experiment with, but it can also look deceptively simple to execute. Getting started requires a thorough knowledge of the steps, techniques, and tools involved, but the

educational resources and opinions are seemingly endless! This beginner's guide will take you through not only the basics you need to get started, but all the major points of interest as you advance with your skills and consistency - all while helping you to avoid common pitfalls. From the tools you'll need, to basic layering and pouring techniques, to how to create a professional brand around your Artwork. Everything that follows comes from my own practice,

experiments, and personal experiences. Those are based not only on developing my own body of work, but also from teaching Flow Painting Classes and developing my own unique high-quality line of Primal Flow Pre-Mixed Acrylic Pouring Paints. What I've included here is based on what I've found that works for my students and I, regardless of their level of experience or artistic background. One of the most interesting features of Acrylic Pouring is how

many ways it can be done - the possibilities are endless! Every artist has their own preferred supplies, tools, and techniques - this book barely scratches the surface - but I believe this detailed overview will give you a solid foundation on which to build your skills. We all have to start somewhere, but my hope is that reading this will get you started on the best foot possible!

Designed for beginners, the How to Draw and Paint series offers an easy-to-follow guide that introduces artists to basic tools and materials and includes simple step-by-step lessons for a variety of projects suitable for the aspiring artist. Basic Color Theory allows artists to widen the scope of their abilities, demonstrating how to create color and value charts, basic color

mixing techniques, and a comprehensive approach to understanding color relationships.

### The Art of Paint Pouring

Independently Published  
Acrylic Pouring is a fascinating fluid painting technique. It is based on acrylic paint, which can be brought into a liquid, pourable consistency with the addition of a Pouring Medium and other additives as required. Depending on the technique, this liquefied paint is then poured into each other or tilted onto the canvas and

distributed by tilting the painting surface.

Depending on the choice of paint, the medium, and the additives, different effects are created.

Whether you're trying your hand at painting for the first time or honing your artistic ability, this book is the handiest guide to teach you how to paint. This book presents the step-by-step guides to acrylic pouring. This is the book you need to master the art of acrylic pouring  
Pouring Light - Layering  
Transparent Watercolor  
National Geographic

### Books

Also known as paint pouring, flow art, liquid art, etc. Is a form of abstract art that uses acrylic paints with a runny (fluid) consistency. The acrylic paints react with each other when combined together to make interesting and visually organic motifs. This type of art is fun for all ages. Fluid acrylics can be used on many types of substrates and in many different forms such as pouring, dripping, swirling, glazing, dipping and many other effects.

Fluid art opens up a lot of possibilities and is definitely worth exploring and adding to your artist tool belt. In this book I will teach you everything you will need to become a paint pouring artist. I will share with you: How to set up your paint pouring studio on a budget complete supplies list share all the techniques that I use like; dirty pour flip cup, puddle pours, pre-lift slide technique, open cylinder, ribbon pour, swipe technique and more. I will show you how to properly handle and

care for your art I will show you how to protect your artwork There are plenty of resources to refer to with information about mixing ratios, paint density and more I will share tips on how to price your art And tips on where to sell your masterpiece.
