**Mezcal and Tequila Cocktails** Gestalten  
 IACP AWARD WINNER • Indulge your thirst for new ways to enjoy tequila and mezcal with 60+ recipes for agave cocktails from a James Beard Award-nominated author and New York Times spirits writer. From riffs on classics such as the Mezcal Mule and Oaxaca Old-Fashioned to new favorites such as Naked and Famous or Smoke and Ice, discover how to use mezcal and tequila to create cocktails in nearly every classic cocktail formula—from flip to sour to highball—that highlight the smoky, edgy flavors of these unique and popular spirits. Robert Simonson, author of *The Old-Fashioned* and *The Martini Cocktail*, covers a broad range of flavors with doable, delicious recipes that are easy to assemble, most only requiring three or four ingredients. This comprehensive, straightforward guide is perfect for tequila and mezcal enthusiasts looking for creative ways to enjoy agave spirits more often and in more varied ways—or for anyone who just likes to drink the stuff.

 Deep learning is often viewed as the exclusive domain of math PhDs and big tech companies. But as this hands-on guide demonstrates, programmers comfortable with Python can achieve impressive results in deep learning with little math background, small amounts of data, and minimal code. How? With fastai, the first library to provide a consistent interface to the most frequently used deep learning applications. Authors Jeremy Howard and Sylvain Gugger, the creators of fastai, show you how to train a model on a wide range of tasks using fastai and PyTorch. You'll also dive progressively further into deep learning theory to gain a complete understanding of the algorithms behind the scenes. Train models in computer vision, natural language processing, tabular data, and collaborative filtering Learn the latest deep learning techniques that matter most in practice Improve accuracy, speed, and reliability by understanding how deep learning models work Discover how to turn your models into web applications Implement deep learning algorithms from scratch Consider the ethical implications of your work Gain insight from the foreword by PyTorch cofounder, Soumith Chintala  
**The Monocle Guide to Shops, Kiosks and Markets** Die Gestalten Verlag-DGV

The definitive travel guides that make you feel like a local wherever you go. Monocle reports from around the globe. As its editors and correspondents dart from city to city, they get to know the best places to rest their heads, stretch their limbs, and kick back with a contact in a hard-to-find cocktail bar. That

information is now available in The Monocle Travel Guide Series: a line-up of titles that speaks to readers in an informed but informal way about everything from architecture to art, late-night bars to earlymorning markets. Designed to be compact and collectable, these books go beyond the traditional tourist beats to make sure visitors get the best out of a city--no matter how short their stay. *The Monocle Travel Guide to Mexico City* Die Gestalten Verlag-DGV

The Monocle Guide to Good Business follows up on the success of *The Monocle Guide to Better Living*. The book offers multifaceted perspectives on the world of work today and in the future--from compelling business ideas to inspiring company cultures. Ever since the launch of Monocle in 2007 this highly successful global magazine and media brand has championed a clear and new take on the world of work It has encouraged its readers to start their own businesses, do the thing that makes them feel fulfilled (even if it means ditching a comfortable corporate salary), and find places to build their HQ that deliver a good quality of life too. The magazine's belief in making things (and making them well), using your hands, doing an apprenticeship, and keeping things small and tight has linked perfectly with a community of entrepreneurs who are determined to find their own way in the world --and know that this will allow them to run their lives in new and fresh ways. These developments are also expressed in the maker movement, new shared spaces, and unusual business schools. So it was a natural step for the magazine's team to create *The Monocle Guide to Good Business*. This guide is not your traditional business book, but it does give advice on how to go from clever fledgling idea to success story and introduces people with inspiring stories. The Monocle Guide to Good Business is also a picture-rich journey for anyone who runs a company, wants to run a company, or wishes their boss had some new ideas It will even tell you why you need an office dog. From the best business neighborhoods to the sturdiest desks, this book will have you planning a new career --or at least fixing your office. It's a book that should be thumbed and used. It's a manual and a manifesto, a guide and a good read.

**The Monocle Guide to Hotels, Inns and Hideaways** Die Gestalten Verlag-DGV  
 A sunny stroll through Rio de Janeiro's outposts of good food, design, retail, and more, this definitive travel guide will make you feel like a local no matter where you are from. *The Monocle Travel Guide to London (Updated Version)* Penguin  
 Scenic trails, adventures off the beaten track, and pristine hiking destinations around the world.

**The Monocle Guide to Cosy Homes** O'Reilly Media  
 Toronto may boast one of the world's most famous skylines but beneath the iconic pinprick of the CN Tower lies a burgeoning city that has become one of North America's most intriguing and

surprising urban centres.

*The Monocle Travel Guide to Miami* Die Gestalten Verlag  
 The Monocle team heads north in this celebration of all things Nordic. This heavily illustrated book from Monocle is a celebration of the Nordic region, featuring some surprises, quirks—and maybe a sauna or two— along the way. Monocle's journalists, editors, and photographers have returned time and again to all corners of northern Europe for insights, inspiration, and ideas for living better. This book isn't about hammering the overhyped hygge trend or fussing over foamy food. Much the opposite—it's about a shared but distinct set of values that have helped these nations excel in quiet diplomacy, thoughtful design, and reasoned debate. Monocle looks beyond the clichés and uncovers the people, companies, and stories that help the Nordic region rank highly in everything from art and architecture to eating well. Far from lumping these different nations together, the Monocle team will highlight the people, places and products that show the Nordics in all their nuances: lessons we can all learn from makers in Norway's high north or retailers reaching higher in Reykjavik; the firms building bridges in Denmark or selling Swedish soft power abroad. The world can learn a lot from these northern countries and *The Monocle Book of the Nordics* is the ideal place to start. *The Well of Loneliness* Die Gestalten Verlag-DGV  
 Karl the Fog may never be too far away but who doesn't enjoy a bit of moody mist? Pull on some layers and head for the city's sprawling hills.

*The Monocle Travel Guide to Melbourne* Gestalten  
 The Monocle Travel Guide Series. The definitive travel guides that make you feel like a local wherever you go.

**Deep Learning for Coders with fastai and PyTorch** Gestalten  
 Milan has a reputation for being industrious but look in the right places and you'll discover that it also knows how to let its hair down. Don't take our word for it: don your snappiest gear and see for yourself.

**The Monocle Book of Entrepreneurs** Die Gestalten Verlag-DGV

A timely handbook helping readers think about how to slow down, reconnect, and live a gentler life. Monocle has always been a champion of taking it slow. Past issues have encouraged readers to dive into a lake and go for a run. To sleep well. To eat food made with love. Even today, in a tense moment in history, the magazine has done its bit to argue for a new modern etiquette where communities are generous with their time, hospitality, and forgiveness. Now its editors and correspondents have brought all of this together into one volume with *The Monocle Manifesto for a Gentler Life*, a book that urges us all to slow down, reconnect, make good things, and think about the spaces we call home. Some of the highlights of this volume include: An illustrated guide

to being nice, respecting your neighbors, and controlling your social media rants; practical tips on how to design a house that's good for you and your family; Q&As with the people who have decided to take a gentler approach to work and living; and a celebration of locally made food—with featured recipes—as well as the chefs that bring people together. The helpful tips and insights in this guide make it the perfect handbook for anyone looking to slow down and enjoy life.

**The Monocle Book of the Home** Gestalten

A handbook for making a home that will stand the test of time; take knocks and scuffs in its stride; and where lives can unfold, children grow up, and dogs run wild.

*The Monocle Travel Guide to Amsterdam* National Geographic Books

How to Make a Nation: A Monocle Guide reveals all you need to make a happy, vibrant and successful nation. From designing a better parliament, choosing a flag and creating social capital to taking care of your young and old, using culture to gain soft power and devising a national brand, this is a book for anyone who fancies a stint as PM, wants to be a more engaged citizen or just believes they deserve good government. This is a book about the small and big things that can make our nations work better for everyone who calls them home. Our 340-page guide features original photography and illustrations printed on a selection of great papers and bound with a linen cover. It is also available in a deluxe limited edition. Published by Gestalten.--

**The Monocle Travel Guide to Brussels and Antwerp** Die Gestalten Verlag-DGV

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

From the team at Monocle, a look at some of the coziest and most creative homes around the world. Good homes are places where lives unfold, families grow up, dogs jump on sofas, and friends share meals. They're also spaces to find some solitude—a quiet corner to read a book or have a Saturday afternoon nap. Homes need to do it all—they sustain you, inspire you, and tell your story through architecture, design, and collections. Monocle has always celebrated everything that makes a space a home when covering

residences—whether featuring a city hideaway, a modernist seaside residence, or a summer outpost in a forest. The Monocle team brings this all together in one volume that explores individual homes, housing projects old and new, communities of self-builders, even whole neighborhoods where a simple philosophy of building well has created quality of life for many. The Monocle Book of the Home is packed with great photography that delivers the bigger picture and the smallest details alongside fascinating essays full of advice by key thinkers, writers, and designers. As we spend more time at home than ever, this is a book that could change how you live.

**The Monocle Travel Guide to New York (Updated Version)** Gestalten

Based on Mr Hudson's identity, the book is featuring destinations for gays, but not necessarily gay destinations. It is about travelling in style for everyone who is looking for something different and special - no matter if men or women, travelling solo or as a couple. Mr Hudson Explores shows that every part of a trip is an incredible experience. The core content of the book will consist of 20 cities in the Northern Hemisphere and showcases the very best the destination has to offer. Each guide will give a general introduction to the city and, if applicable, its relevance for the gay community. It showcases various locations on culture and art, the most inspiring museum to visit, traditional and upcoming food places, best shopping experiences, music and nightlife: Where to go out, which bars do have the best drinks, and clubs you can have the most fun at the city's best parties and concerts. Depending on the location, day trips and activities can be included. Luxury accommodations and places to stay complete the range. The book will not just give descriptions of the places but also background information, telling the story of the owner, history or anecdotes.

*The Monocle Travel Guide to Hamburg* National Geographic Books  
Los Angeles is known for its glitz and glam, beach culture, blockbuster studios and famous residents. But there's much more to this sprawling metropolis than perfect teeth and tanned and taut bods.
