A good number of Christians shy away from praying because of misconceptions and fears they have about prayer. Most are inundated with misinformation and false beliefs about what qualifies as a good prayer. This book was birthed out of a deeper desire and hunger for each believer to recognize the power of prayer that they can institute and practice independently. Prayer itself, as well as the approach to prayer and attitude towards prayer, are simplified in this book, granting readers the freedom to pray. Prayer, when rendered to the Holy Spirit, produces more. Among the key topics that are discussed in this book are: Aspects of prayers Common misconceptions about prayer Benefits of prayer Holy Spirit led prayer (the role of the Holy Spirit in prayer) Praying from a victorious position in spiritual warfare How to pray while waiting for the answer How to incorporate prayer in daily routine All of these have

been shared so as to free the reader to simply talk to God.

*The Science of Prayer* Xulon Press

Prayer is the master key that opens the door to the blessings of God. It opens the heart, opens possibilities that are impossible by natural means, and opens the door to God's presence. Through a particular and persistent kind of prayer, peace and power flow from God into our lives. The problem is that many people have an experience of prayer that is dull, unimaginative, and lacking power. Their prayer yields few answers and little peace. Jesus's disciples said to Him, "Lord, teach us to pray." Hearing Jesus pray, they knew that they needed to learn how to pray on a deeper level in order to see the miracles and transformation of persistent prayer. In the same way, we need to learn the conditions of prayer that prevail so that we can walk in faith, expect answers, and give thanks even before prayer is answered. In *Prayer Power: 40 Days of Learning to Pray Like George Müller*, author Brent Patrick McDougal invites you to take a forty-day journey to discover that kind of prayer. Each day features a teaching from Scripture and a story from the life of

nineteenth-century pastor George Müller, one of the great heroes of our faith. Over a lifetime of ministry, Müller launched multiple orphanages that cared for more than 10,000 children. But not once did he ever ask for donations. Instead, he prayed as each need arose. *Prayer Power* teaches everyday people of faith how to pray with the faith of George Müller, expecting answers because our good God is waiting to meet and reward those who seek Him. *Prayer Sourcebooks, Inc.*

Are you sick, sad, or sorry? Are you depressed, disgusted, or disillusioned? Are you weak, weary, or worried? Do you need Gods loving, healing balm? *Be Blessed and Encouraged* inspires us to pray Gods Word over ourselves and our families, as His Word promises to never return empty. Gods Word reveals His tender and loving heart for us. When we pray His Word over our families, He hears our prayers and answers them. He sweeps away any darkness from our hearts, ushering in new hearts. Pausing, meditating, and journaling push us to slow down our pace and carve out time to meditate on what Gods Word says to us. Journaling helps us to remember the new insights and spiritual

direction He gives us concerning our particular situations. So don't just read through the Word: pray through the Word, meditate on the Word, journal your insights, and experience God's awesome, supernatural hand leading your life, guiding your steps, and directing you and your family to deeper and greater heights for His honor and glory. Be Blessed and Encouraged!

Through this book, the author would like to share how powerful prayers are, how God answers prayers, told from the author's own experience, and how God can pull us out from emptiness, darkness, and sadness to complete joy. For a prayer to be effective, we just have to be simply true to God when we pray. Speak your heart out. Cry if you think you feel like crying. Or even burst out into a cry. Just say a heartfelt, soulful, sincere prayer. Also together in this book are God's stories of His amazing power, unconditional love, forgiveness, mercy, saving grace, healing, awesome miracles, and provision that helped me strengthen my trust, hope, faith, and love to our heavenly Father.

James 5:16: "The prayer of a righteous man is powerful and effective."

"This book demonstrates how to pray and what to say to transform your life from failure to blessing and turn fear into faith." —Arielle Ford, author of *The Soulmate Secret Prayer* can point your life in the right direction—or the wrong one. Whatever you've got going on in your life is what you've been praying for—often unconsciously. If you want something different, you must pray a different prayer. This book will show you how to do just that. Everything you do is prayer. Many don't realize it, but the decisions you make throughout the day, the attitudes you adopt, the conversations you have, the way you respond to other people, and the thoughts you think—even the food you choose to eat and the way you spend your money—are all prayers. We are constantly communing with the Divine, even in our most mundane activities. And our prayers are always answered in the affirmative: "Yes." Whatever you're thinking about (and therefore praying about) will manifest in your life. If you're worrying, "I don't have enough money," the Universe will

say 'Yes, you don't have enough money.' If you're constantly lamenting, "I don't have a man in my life," the Universe will respond, 'Yes, you don't have a man.' If you frequently complain, "I'm fat," the Universe will answer, 'Yes, you're fat.' Your thoughts and words are prayers, and the Universe always gives you what you're praying for. Your Life is Your Prayer will show you how to change your life by changing your prayer: Learn how to stop complaining Discover how to focus on what you do want, not what you don't want Learn how to make your prayers positive and affirming—to get more of what you want in your life Discover how, by constantly choosing new thoughts and new conversations, you will literally create a new life for yourself

In order, then, to attach ourselves to this great means of salvation, we must first of all consider how necessary it is to us, and how powerful it is to obtain for us all the graces that we can desire from God, if we know how to ask for them as we ought. Hence, in the first part, we will speak first of the necessity and power of prayer; and next, of the conditions necessary to make

it efficacious with God. Then, in the second part, we will show that the grace of prayer is given to all; and there we will treat of the manner in which grace ordinarily operates. Aeterna Press

"And he spake a parable unto them to this end, that men ought always to pray, and not to faint." --JESUS CHRIST, Luke 18:1

"As is the business of tailors to make clothes and cobblers to make shoes, so it is the business of Christians to pray." --

MARTIN LUTHER I am convinced that most people do not need to learn how to pray; they need to Just Pray! Prayer is like any other important discipline in the Christian life. If you don't do it, you won't reap the benefits and blessings that God wants you to have. If you want to reap the benefits and blessings of prayer, then you need to Just Pray! This is what The Prayer Motivator is all about. Down through the

years, nothing has motivated me to pray more than verses on prayer in the Bible and powerful quotes from saints of the past and present regarding their experience with prayer. --Daniel Whyte III, from the Introduction

In Candy Gunther Brown's view, science cannot prove prayer's healing power, but what scientists can and should do is study prayer's measurable effects on health. If prayer benefits, even indirectly, then more careful attention to prayer practices could impact global health, particularly in places without access to conventional medicine.

Marion Harris wrote Words to Encourage Including Prayers and Crossword Puzzles to inspire, motivate and encourage people in their life journey. When I need encouragement and motivation in life, I pray and turn to the word of God. It is a pick-me-upper and spiritual food for the soul. Sometimes, I may even listen to Christian radio or read an enjoyable book or magazine. I also attend church and fellowship with other Christians regularly. The point is there is a possibility that everyone could use some encouragement in this world where we live with its tests and trails. This booklet contains true life short stories highlighting some of my personal experiences and testimonies which the reader may find to be relatable. Following each short story is a prayer of commitment for the guidance of the Holy Spirit. Also included are nine "fruit of the Spirit" (Galatians 5:22-23) crossword puzzles which I have designed to allow the reader to meditate on the word of God while filling in the puzzles.

*7 Secrets to an Awesome Marriage* Zondervan

*The Only Prayer I'll Ever Pray: Let My People Go* is a stirring call for blacks in America to critically examine their loyalty

and dedication to religion and to begin adapting a lifestyle centered on rational thinking. It is time to break the chains of mental bondage caused by religious dogma. This book is a compelling presentation of practical reasons using a common sense approach that encourages blacks in America to disregard their need for religion. It provides a perspective on the harmful influences of religion. Author Donald R. Wright addresses the effects organized religion, primarily Christianity, has had on blacks in America from slavery to the present. He gives a brief but concise explanation as to how slaves were converted to Christianity. He has decoded this Matrix called religion. This book presents the case as an advocate for an alternative view. The author explains a part of his life's journey that began in 2002 and how it brought forth significant changes and new interests. The book explores questions many Christians have wanted to ask, but are afraid, or if certain ones are asked, they are told to just have faith. In 2004, after another disturbing church experience, this author made a commitment to be a more knowledgeable Christian in lieu of being a handicapped

Christian; totally dependent upon pastors, preachers, and teachers for interpretation and instruction regarding the Bible. This commitment lead to a discovery of the many contradictions in the Bible. A contradiction makes truth difficult to attain. Further study lead to a thorough evaluation of Chistianity. This book provides compelling definitions of religion; covers the mis-education of Christians; religious loyalty of blacks; the influence of preachers and the mega church; and black men and the church. It challenges the so-called moral authority of religion and the deprivation of children having the freedom to choose a religion or reject religion in its totality. It is a quest to invigorate thoughts that will move our society toward positive change. Donald R. Wright, former deacon in a Baptist church, has been on a truth-

seeking journey regarding religion and its practices for the past five years. He graduated from Tennessee State University with a Bachelor of Science degree in Electrical Engineering and is a professional engineer. He currently owns an engineering consulting firm in Houston, Texas. Wright and his wife have been married for 29 years and they have one daughter. He is a native of Fayette, Alabama.

series of intimate, illuminating interviews with various members of the Vineyard, an evangelical church with hundreds of congregations across the country, Tanya Luhrmann leaps into the heart of evangelical faith. Combined with scientific research that studies the effect that intensely practiced prayer can have on the mind, *When God Talks Back* examines how normal, sensible people—from college students to accountants to housewives, all functioning perfectly well within our society—can attest to having the signs and wonders of the supernatural become as quotidian and as ordinary as laundry. Astute, sensitive, and extraordinarily measured in its approach to the interface between science and religion, Luhrmann's book is sure to generate as much conversation as it will praise.
