**Taxation for Decision Makers, 2020** John Wiley & Sons

Federal Taxation Basic Principles is a popular first-level tax course textbook that provides a clear concise explanation of the fundamental tax concepts covering both tax planning and compliance. Basic Principles strikes a perfect balance between the AICPA model curriculum (focusing on business tax) and the demands favored by most teachers (covering the fundamentals and building toward the complex). The book is also a favorite in distant learning, because of its clarity and direct approach-- and it is also used in special programs like CFP courses. Basic Principles covers the core tax concepts and principles, including individual taxation, gross income, deductions, credits, property

transactions, accounting methods and periods, deferred compensation, retirement plans, partnerships, corporations, trusts and estates, and tax planning for individuals. It is written by an editorial board of tax teachers that includes members who are currently active in the American Accounting Association, American Taxation Association, the National Tax Challenge, CFP education, CPE lectures, CPA preparation and other programs, so you can be assured that the text is allied with real-world educational outcomes. FOR ADOPTING TEACHERS: Instructors adopting Federal Taxation: Basic Principles also receive a downloadable Instructor's Guide that includes the following helpful features: 1) Course outlines and AICPA Model Tax Curriculum outlines that show how the text can be used by teachers in various types of courses. 2) Summary of each chapter to provide the adopter with a quick view of what's covered and to facilitate course preparation and development of lesson plans. 3) Answers to both the Keystone Problems and End-of-Chapter Problems in each chapter in the book. 4) Testbank questions and answers that correspond to each chapter in the book. 5) Respondus-ready and Microsoft(R) Word files of the Testbank questions created by the textbook authors for all chapters in the book. These files allow instructors to customize their own tests. 6) Computer Slide Presentations for each chapter that help enhance and facilitate class lectures and discussion. Wolters Kluwer offers a complete teaching package to support adopting instructors. When adopted in quantities of 10 or more, upon request and in addition to the Instructor's Guide, adopting teachers will receive at no additional charge: A subscription to Standard Federal Tax Reporter on IntelliConnect. Instructors can use their free Internet-based tax research subscription for course preparation, classroom presentations, or in the accounting lab/library. The AnswerConnect Library keeps teachers completely abreast of recent legislation, cases, and other judicial developments. And, as an AnswerConnect subscriber, teachers receive Tax Tracker News, CCH's daily customizable tax headline news service. Also available to adopters is the following helpful aid for both teachers and students: Federal Tax Study Manual is designed to enhance learning and improve comprehension for students of federal tax.

Prepare for success in working with today's federal taxation using the balanced, conceptual approach and unmatched practice opportunities in Murphy/Higgins/Skalberg's CONCEPTS IN FEDERAL TAXATION 2022. You examine the latest tax laws and most recent code changes in segments that are ideal for C.P.A. Exam review. This edition also reinforces tax concepts using the Internal Revenue Code to prepare you for C.P.A. Exam tax simulations. To ensure understanding, this edition presents taxation as a small number of unifying concepts that you learn and then apply to tax rules and everyday economics. Frequent examples demonstrate how concepts apply to business activities. This edition provides more practice exercises than any other book of its kind to make certain you can use what you've learned. You also have access to professional taxation tools, Intuit ProConnect software and RIA Checkpoint (Student Edition) from Thomson Reuters, for further practice.

#### **McGraw Hill's Taxation of Individuals 2022 Edition** Thomson

The bold and innovative McGraw-Hill Taxation series is now the most widely adopted code-based Tax title across the country. It's apparent why the clear, organized, and engaging delivery of content, paired with the most current and robust tax code updates, is used by more than 600 schools. The breadth of the topical coverage, the storyline approach to presenting the material, the emphasis on the tax and non-tax consequences of multiple parties involved in transactions, and the integration of financial and tax accounting topics make this book ideal for the modern tax curriculum. Story line Approach: Each chapter begins with a story line that introduces a set of characters or a business entity facing specific tax-related situations. Examples related to the story line allow students to learn the code in context. Integrated Examples: In addition to providing examples in-context, we provide "What if" scenarios within many examples to illustrate how variations in the facts might or might not change the answers. More than 100 Videos: Guided Example hint videos provide students with on-demand walk-throughs of key Tax topics, offering narrated, animated, step-by-step solutions to algorithmic variants for select exercises similar to those assigned.
