COHEN PHOEBE

Cabin Porn: Inside
National Geographic
Books
Three of them, one of
her, and a remote
cabin in the woods. Let
the hot, winter nights
ensue in this steamy
dark romance from
New York Times
bestselling author
Penelope Douglas, now
with bonus material.
Tiernan de Haas

doesn't care about
anything anymore. The
only child of a film
producer and his
starlet wife, she's
grown up with wealth
and privilege but not
love or guidance. And
when her parents
suddenly pass away,
she knows she should
be devastated. But
she's always been
alone, hasn't she? Jake
Van der Berg, her
father's stepbrother
and her only living
relative, assumes
guardianship of

Tiernan. Sent to live in the mountains of Colorado with Jake and his two sons, Noah and Kaleb, Tiernan quickly learns that these men now have a say in what she chooses to care and not care about anymore. As the men take Tiernan under their wing, she slowly finds her place among them. Because lines blur and rules become easy to break when no one else is watching. One of them has her. The other one wants her. But he's going to keep her.

Small Eco Houses

Hachette UK

A tour through America's favorite cabins Created in partnership with Cabin Living magazine. An inspirational celebration of one of America's icons. Handsomely designed

with more than 300 color photographs. Cabin Living is a collection of twenty-five of the best stories covering legacy cabins, dream cabins, as well as tiny cabins from across the United States. In addition, floor plans, hundreds of full-color photos, maintenance and decorating sidebars, outdoor living and recreation features, and anecdotes about family gatherings, traditions, all give expert advice about how to achieve the cabin state-of-mind. Cabin Living magazine provides stories and expert advice about cabin maintenance, decorating, DIY projects, remodeling, outdoor living and recreation, hosting and more.

Cabin Style Die

Gestalten Verlag
 Nestled in thriving woodlands, overlooking bodies of water, or even exposed to the elements on a mountain's peak, architects are contending to create high-impact spaces on a small scale. *Cabin Fever* takes a broad look at remote retreats designed to make the most of their natural surroundings and illustrates why the call of the wild is louder than ever. A desire to escape the commotion of the city without sacrificing creature comforts is something felt by many; especially in today's interconnected world. Featuring rustic timber cabins on stilts, mirrored pods in the woods, and otherworldly off-grid getaways, *Cabin Fever*

showcases a new wave of modern hideaways, all remotely positioned and away from the hustle and bustle.

Off Grid Life Chelsea Green Publishing
 From weekend homes to get-away cabins, this architecture embodies our longing for relaxing in nature.

Flora Abrams
In Shed Style, Selina Lake reveals how even the smallest garden can be home to an outdoor retreat. From the traditional gardener's potting shed to a writer's cabin to an artist's studio, Selina explores sheds, cabins, huts, greenhouses, pods and all manner of garden structures, providing ample inspiration for anyone dreaming of their own garden hideaway. She reveals how any existing shed,

cabin or outbuilding can become a versatile work or social space rather than just somewhere to store the lawnmower. If you are short of space indoors, as so many of us are nowadays, a garden office, creative space, 'she shed' or work pod can provide a perfect solution. A greenhouse or potting shed will appeal to keen gardeners, while a cosy shepherd's hut, perhaps with a bijou wood-burning stove, can work as guest accommodation. In *Shed Style*, Selina reveals how to create the shed of your dreams, presenting hundreds of fresh ideas for decorating and styling both the interior and exterior as well as suggestions for lighting, fabrics, furniture and other

accessories. *Shed Style* is perfect for anyone who wants to make the most of their outdoor space.

The creators behind the greeting card and design studio Hello!Press share a joyful tribute to moms in this delightfully illustrated children's book. Is your mom more amazing than a billion butterflies? More sparkly than a universe of stars? Sweeter than a cloud of cotton candy? Then this book is definitely for you!
From Eunice and Sabrina Moyle, the

creative team behind Hello!Press, this children's book celebrates all the things that make Mom magical. Each page reveals whimsical artwork and a delightful, imaginative message that children—and their Moms—will love.

Cabin Porn Rizzoli Publications

Fresh perspectives on how good design can create stylish yet ecologically sound living spaces in small-scale homes. Anyone who has faced the challenges of limited living space will find inspiration in this survey of the latest trends in environmentally sensitive, small-scale residential designs. More than fifty residential spaces are profiled—from woodsy

houses and repurposed barns to cool apartments and urban lofts—both inside and out. Most of the projects were designed by up-and-coming architects, and each design proves that small-scale efficiency as well as beautiful, thoughtful design can overcome the apparent constraints of a small setting. Environmental impact is a growing concern, so each project was chosen because of its ecological sensitivity. Each case history describes the challenges confronting the designer and the solutions. Creating color schemes to enhance the feeling of openness, taking advantage of high ceilings to make multiple levels, and using collapsible

furniture and sliding doors to maximize space are some of the design solutions that can be applied in any situation. Filled with beautiful color photographs and helpful floorplans, this book is a remarkable showcase of how good design can transform any small space into a comfortable, modern—and environmentally sensitive—home.

Cabin Tripping Ansel Adams

Initially created by a group of friends as an online scrapbook, Cabin Porn became an international sensation following the publication of the first volume of photographs of hand-made homes in breath-taking natural landscapes around the world. This new book delves

deeper into the best-loved homes featured on the blog over the last ten years, offering close-ups of the stunning architecture and interior design that make them truly remarkable. With more timeless photography and new design stories, Cabin Porn: Inside brings fresh inspiration for your quiet place somewhere.

Shed Style University of Chicago Press
William Coperthwaite is a teacher, builder, designer, and writer who for many years has explored the possibilities of true simplicity on a homestead on the north coast of Maine. In the spirit of Henry David Thoreau, Emily Dickinson, and Helen and Scott Nearing, Coperthwaite has

fashioned a livelihood of integrity and completeness-buying almost nothing, providing for his own needs, and serving as a guide and companion to hundreds of apprentices drawn to his unique way of being. **A Handmade Life** carries Coperthwaite's ongoing experiments with hand tools, hand-grown and gathered food, and handmade shelter, clothing, and furnishings out into the world to challenge and inspire. His writing is both philosophical and practical, exploring themes of beauty, work, education, and design while giving instruction on the hand-crafting of the necessities of life. Richly illustrated with luminous color photographs by Peter

Forbes, the book is a moving and inspirational testament to a new practice of old ways of life.

Cabin Fever Artisan

The co-authors of **American Rustic** share inspirations for rustic elegance in home design for those who love living well in wild places. This gorgeously photographed volume offers visions of refined cabin style by top designers, builders, architects, and artists. From Napa to Nashville and along the Rocky Mountain spine, each project reflects the ways we live, and play, in nature. Whether a bison ranch, a log fishing cabin, a stone guest house, a lakeside retreat, a ski chalet, or a wine country barn, each home exhibits whimsical, playful, comfortable, and

welcoming interiors and architecture—always inspired by the land. The homes curated in *Cabin Style* represent a fresh look at the genre, from traditional to transitional to modern. Interviews with architects, designers, builders and owners illuminate both the backstory and the creative process. Photographer Audrey Hall and writer Chase Reynolds Ewald have collaborated on five books, with their book *American Rustic* being named one of Best Home Design Books of 2015 by *Architectural Digest*. *Secrets, Sex, and Spectacle* University Press of Kentucky Named a BEST BOOK by *People Magazine*, *Boston Globe*, *BookBub*, *PopSugar*,

CrimeReads and more. “Brilliant.... A well-crafted psychological thriller.” —The New York Times Book Review When former journalist Rain Winter was twelve years old, she narrowly escaped an abduction while walking to a friend’s house. The abductor was eventually found and sent to prison, but years later was released. Then someone delivered real justice--and killed him in cold blood. Now Rain is living the perfect suburban life, spending her days as a stay-at-home mom. But when another criminal who escaped justice is found dead, Rain is unexpectedly drawn into the case, forced to revisit memories she’s worked hard to leave behind. Is there a vigilante at work? Who

is the next target? Why can't Rain just let it go? Introducing one of the most compelling and original killers in crime fiction today, Lisa Unger takes readers deep inside the minds of both perpetrator and victim, blurring the lines between right and wrong, crime and justice, and showing that sometimes even good people are drawn to do evil things. Don't miss *The New Couple* in 5B, Lisa Unger's newest psychological thriller about a couple that inherits an apartment with a truly chilling past. Looking for more spine-tingling thrillers? Check out these other titles by New York Times bestselling author Lisa Unger: *Under My Skin* Confessions on the 7:45 Last Girl Ghosted Secluded Cabin Sleeps

CABIN FEVER

COOKBOOK Ansel Adams

A joyful tribute to fathers from the bestselling creators of *Hello! Lucky!* and authors of *My Mom is Magical* and *You Are Fantastic!*. Is your dad cooler than a million popsicles? Tougher than a rhino wrestler? Cuddlier than a ton of bunnies? Celebrate all the things that make Dad amazing with this joyful book!

Cabin Living Voracious

Our longing for simplicity, clarity, and retreat often leads us into nature. *Hide and Seek* showcases a range of charming and elegant hideouts that satisfy this yearning.

Surf Shack Die

Gestalten Verlag-DGV

Humans have been building homes from wood for thousands of years, and yet, in a contemporary world of option and innovation the most primitive resource could in fact be the most pertinent. Stretching back to historic Japanese houses, becoming synonymous with resort accommodation, and intertwining itself in the modern trend of hygge, its tactility and warmth has influenced countless architectural design movements. A safe, sturdy, and sustainable alternative to concrete, architects are rediscovering wood's universal appeal. Out of the Woods documents their progressive and inspiring creations from the foundations up.

My Mom Is Magical

Gibbs Smith

For dreamers of escaping to a cozy cabin in the great outdoors, *Your Cabin in the Woods* is a classic work that not only makes this a reality, but also imparts a deeper appreciation of nature and homebuilding. Author Conrad E. Meinecke has been writing about living the simply life in the wilderness for over 70 years with *Your Cabin in the Woods* and *Cabin Craft and Outdoor Living*. For the first time, these books are combined into a deluxe two-color vintage package. In prose both practical and inspirational, Meinecke details how to turn your cabin dream into a reality, such as choosing land, using tools, and the basics of construction.

He provides hand-drawn floor plans for a variety of cabins, from a simple two-room to a more complex long house; the best way to build fireplaces, both indoors and out; and instructions for basic furniture, lighting, and other touches that make a cabin feel like home. Throughout are Meinecke's thoughts on ways to enjoy your new-found space, from hearty fireplace recipes to the types of wood for a perfect fire and the beauty found in birdsong. Instructional as it may be, the book's enduring appeal owes in large part to its warmly engaging tone and firm belief in the restorative power of nature and the satisfaction of hard work. He writes, "Take full enjoyment in the building. Take time out

to rest. Most city folks seem always to rush things through. Why? Lay off until tomorrow. Take an afternoon nap. Stop the clock for the weekend. Get off to an early start in the cool of tomorrow morning. You may be crowded in your work in town, but this should be your rest cure, your recreating." *How to Talk So Kids Will Listen & Listen So Kids Will Talk* Harper Collins
 The full spectrum of Ansel Adams' work in a single volume, offering the largest available compilation from his legendary photographic career capturing American landscapes. The photographs are arranged chronologically into five major periods, from his first photographs made in

Yosemite and the High Sierra in 1916 to his work in the National Parks in the 1940s up to his last important photographs from the 1960s. An introduction and brief essays on selected images provide information about Adams' life, document the evolution of his technique, and give voice to his artistic vision. Few artists of any era can claim to have produced four hundred images of lasting beauty and significance. It is a testament to Adams' vision and lifetime of hard work that a book of this scale can be compiled. ANSEL ADAMS: 400 PHOTOGRAPHS is a must-have for anyone who appreciates photography and the allure of the natural

world.

The Southern Rustic Cabin

Clarkson Potter "In The Family Cabin, author and

"cabinologist" Dale Mulfinger explores the role that cabins have had and continue to have in family bonding and as a repository for family history, nostalgia, and cherished memories.

This collection brings together 37 new and old cabins from across North America as inspiration for anyone who desires a peaceful retreat of their own."--

[My Dad Is Amazing](#)

Particular Books

A visual delight and an inspiration for every bibliophile with a growing home library, this dream-and-drool design book features some of the most jaw-dropping book collections of

homeowners around the world. NAMED ONE OF JO'S FALL FAVORITES IN MAGNOLIA JOURNAL Interior designer Nina Freudenberger, New Yorker writer Sadie Stein, and Architectural Digest photographer Shade Degges give readers a peek at the private libraries and bookshelves of passionate readers all over the world, including Larry McMurtry, Silvia Whitman of Shakespeare and Co., Gay and Nan Talese, and Emma Straub. Throughout, gorgeous photographs of rooms with rare collections, floor-to-ceiling shelves, and stacks upon stacks of books inspire readers to live better with their own collections. Praise for Bibliostyle "Featuring

enviable private libraries and packed floor-to-ceiling shelves, this beautiful volume makes a compelling case for books as décor."—New York "Freudenberger spotlights the splendid, enviable personal libraries of literary figures whose owners obviously care about their book collections and have actually read them, too."—The Boston Globe "This is a coffee table book that makes you think as well as admire and desire."—Sydney Herald "Offers a look into the fabulous homes of book lovers the world over, showcasing how their interior design is built around the tomes they love most."—CN "The photographs of rooms with rare collections, floor-to-ceiling shelves,

and stacks upon stacks of books will inspire readers to live better with their own collections.”—Publisher’s Weekly “Nina Freudenberger teams with Sadie Stein of The New Yorker and photographer Shade Degges of Architectural Digest to showcase beautiful photographs of the private libraries of book lovers from all over the world.”—BookRiot

Bibliostyle Taunton Press

Colin McAllister and Justin Ryan--Scottish interior designers, TV hosts, and property speculators--are cabin aficionados who divide their time between homes in Canada and their beloved Scotland. *iEscapology: Modern Cabins, Cottages and Retreats* is a stunning book of modern-day

retreats--bucolic weekend escapes by the sea, remote getaways in the woods, and rustic mountain hideouts--to inspire peaceful and quiet living. The authors genuinely believe that cabin time has a remarkably positive impact on our health, wellbeing and our happiness. Whether it's a rustic cottage nestled deep within a Nordic forest, a robust mountain lodge in Montana, a breathtaking treehouse in Canada, or a steel-walled, one-room "hotel" in Denmark, these retreats share one vital aspect in common: they proffer the chance to escape and to and live in harmony with nature, far from the madding crowd. Part style bible and lifestyle manual,

the book features a beautiful collection of classic and contemporary cottages and cabins, each accompanied by an informative design profile and beautifully photographed images. And of course, the book is also packed with practical building

and design advice that fans of Colin and Justin have grown to love. You'll find relevant information about different types of dwelling styles, builds, sustainability/off-grid living, tiny homes, renovation on a budget, room zonings, décor and everything in between.
