The tale of the legendary golden flower is widely known. The story has been told many times and in many ways. But always the flower is coveted by an old witch to keep herself young and beautiful. And always the flower is used to save a dying queen, who then gives birth to a princess with magical hair. Not willing to lose the flower, the old witch steals the princess and locks her away in a high tower, raising her as her own. But the princess always finds out who she truly is and manages to defeat the old witch. And yet this is only half the story. So what of the old witch, Mother Gothel? Where does she come from? And how does she come across the magical golden flower? Here is one account that recounts a version of the story that has remained untold for centuries . . . until now. It is a tale of mothers and daughters, of youth and dark magic. It is a tale of the old witch.

A Night to Remember Univ of California Press

NEW YORK TIMES BESTSELLER • From the governor-elect of Maryland, the “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. Selected by Stephen Curry as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn’t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they’d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

Rapunzel and the Witch DigiCat

The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God."

The Knight Who Might tries really hard to be a knight, but things don't always go to plan—even with a magic horse, sword, and helmet! However, when The Knight Who Might spots a knight competition advertised, he sees his chance to show the world what a positive attitude can do! This laugh-out-loud story is all about positive attitude and giving it a go, even when you are bound to fail. A silly story written by prolific author Lou Treleaven and illustrated by Kyle Beckett.

"A" *Standard Dictionary of the English Language Upon Original Plans* Good Press

Despite the stock market crash of October 1929, thousands of theatregoers still flocked to the Great White Way throughout the country's darkest years. In keeping with the Depression and the events leading up to World War II, 1930s Broadway was distinguished by numerous political revues and musicals, including three by George Gershwin (*Strike Up the Band*, *Of Thee I Sing*, and *Let 'Em Eat Cake*). The decade also saw the last musicals by Gershwin, Jerome Kern, and Vincent Youmans; found Richard Rodgers and Lorenz Hart in full flower; and introduced both Kurt Weill and Harold Arlen's music to Broadway. In *The Complete Book of 1930s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway from 1930 through 1939. This book discusses the era's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. It includes such shows as *Anything Goes*, *As Thousands Cheer*, *Babes in Arms*, *The Boys from Syracuse*, *The Cradle Will Rock*, *The Green Pastures*, *Hellzapoppin*, *Hot Mikado*, *Porgy and Bess*, *Roberta*, and various editions of *Ziegfeld Follies*. Each entry contains the following information: Plot summary Cast members Names of all important personnel, including writers, composers, directors, choreographers, producers, and musical directors Opening and closing dates Number of performances Critical commentary Musical numbers and the performers who introduced the songs Production data, including information about tryouts Source material Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and list of published scripts, as well as lists of black-themed and Jewish-themed productions. This comprehensive book contains a wealth of information and provides a comprehensive view of each show. *The Complete Book of 1930s Broadway Musicals* will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

"A funny, savage appraisal of a totally automated American society of the future."—San Francisco Chronicle Kurt Vonnegut's first novel spins the chilling tale of engineer Paul Proteus, who must find a way to live in a world dominated by a supercomputer and run completely by machines. Paul's

rebellion is vintage Vonnegut—wildly funny, deadly serious, and terrifyingly close to reality. Praise for Player Piano “An exuberant, crackling style . . . Vonnegut is a black humorist, fantasist and satirist, a man disposed to deep and comic reflection on the human dilemma.”—Life “His black logic . . . gives us something to laugh about and much to fear.”—The New York Times Book Review

Get in on the Christmas cheer with Dr. Seuss's iconic holiday classic starring the Grinch and Cindy-Lou Who—guaranteed to grow your heart three sizes! Every Who down in Who-ville liked Christmas a lot...but the Grinch, who lived just north of Who-ville, did NOT! Not since “’Twas the night before Christmas” has the beginning of a Christmas tale been so instantly recognizable. From the Grinch and his dog, Max, to Cindy-Lou and all the residents of Who-ville, this heartwarming story about the effects of the Christmas spirit will warm even the coldest and smallest of hearts. Like mistletoe, candy canes, and caroling, the Grinch is a mainstay of the holidays, and his story is perfect for readers young and old.

A Standard Dictionary of the English Language Maverick Arts

A lighthearted twist on Rapunzel, the beloved fairy tale from the Brothers Grimm, Tangled brims with thrilling adventure, a distinctive cast of characters, a daring heroine, and, of course, seventy feet of golden hair. Featuring the stunning concept art behind the newest Disney masterpiece, The Art of Tangled also includes a preface by John Lasseter, a foreword by Directors Nathan Greno and Byron Howard, and interviews with the artists, animators, and production team—including Art Director David Goetz—that shed light on the history and artistry of this landmark film.

Describes the formation of the Peking opera in late Qing and its subsequent rise and re-creation as the epitome of the Chinese national culture in Republican era China. This book looks into the lives of some of the opera's key actors, and explores their methods for earning a living, and their status in an ever-changing society.

The Knight Who Might

25 February 1964: 22-year-old Cassius Clay, soon to be Muhammad Ali, has just won the world heavyweight boxing title. Instead of hitting the town, he chooses to celebrate in a Miami hotel room with three close friends - activist Malcolm X, singer Sam Cooke and American football star Jim Brown. This fictional account of a real night imagines what might have happened in that tiny hotel room. As the Civil Rights movement stirs outside, and the melody of 'A Change is Gonna Come' hangs in the air, four men will emerge from that one night ready to define a new world. Kemp Powers' award-winning debut play One Night in Miami... deftly combines the personal and the political at a pivotal moment in history; it received the Ted Schmitt Award 2013 for its world premiere, and went on to be adapted into a critically acclaimed film directed by Regina King in 2020. It is published here in Methuen Drama's Modern Classics series with a brand new introduction by Matthew Xia.
