Written in lucid language, this valuable textbook brings together fundamental concepts of data mining and data warehousing in a single volume. Important topics including information theory, decision tree, Naïve Bayes classifier, distance metrics, partitioning clustering, associate mining, data marts and operational data store are discussed comprehensively. The textbook is written to cater to the needs of undergraduate students of computer science, engineering and information technology for a course on data mining and data warehousing. The text simplifies the understanding of the concepts through exercises and practical examples. Chapters such as classification, associate mining and cluster analysis are discussed in detail with their practical implementation using Weka and R language data mining tools.

Advanced topics including big data analytics, relational data models and NoSQL are discussed in detail.

Pedagogical features including unsolved problems and multiple-choice questions are interspersed throughout the book for better understanding.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to

relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Industrial Arts Index Houghton Mifflin Harcourt

The Du Mauriers -- three beautiful, successful and rebellious sisters. Much has been written about Daphne but here the hidden lives of the sisters are revealed in a riveting group biography.

Harpers Weekly Ballantine Books

The Cleaning Checklist Simon and Schuster

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming,

media, digital and mobile entertainment issues and trends.

The Journal of Plumbing, Heating, Air Conditioning Contractors Cambridge University Press

An ex-Marine captain shares his story of fighting in a recon battalion in both Afghanistan and Iraq, beginning with his brutal training on Quantico Island and following his progress through various training sessions and, ultimately, conflict in the deadliest conflicts since the Vietnam War.

Farmer's Advocate and Home Journal

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper

and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

Ask a Manager

A collection of seventeen wonderful short stories showing that the legendary Tom Hanks is as talented a writer as he is an actor. "Reading Tom Hanks's *Uncommon Type* is like finding out that Alice Munro is also the greatest actress of our time." —Ann Patchett, bestselling, Pulitzer Prize-winning author of *The Dutch House* A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game-- and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

In the wake of the post-9/11 sniper shootings, fragile love finds a stronghold in this intense, romantic novel from the author of *Break and Invincible Summer*. It's a year after 9/11. Sniper shootings throughout the D.C. area have everyone on edge and trying to make sense of these random acts of violence.

Meanwhile, Craig and Lio are just trying to make sense of their lives. Craig's crushing on quiet, distant Lio, and preoccupied with what it meant when Lio kissed him...and if he'll do it again...and if kissing Lio will help him finally get over his ex-boyfriend, Cody. Lio feels most alive when he's with Craig. He forgets about his broken family, his dead brother, and the messed up world. But being with Craig means being vulnerable...and Lio will have to decide whether love is worth the risk. This intense, romantic novel from the author of *Break and Invincible Summer* is a poignant look at what it is to feel needed, connected, and alive.
