NATHALIA AVERY

Ser fiel Anchor

From the 2015 winner of the ALA William C. Morris Award comes a humorous chapter book series about a not-so-attractive cat and his well-dressed mouse friend. Ugly Cat is dying for a paleta, or ice pop, and his friend Pablo is determined to help him get one by scaring a little girl who is enjoying a coconut paleta in the park. Things go horribly wrong when,

instead of being scared, the little girl picks Pablo up and declares that he would make a great snack for her pet snake. Oh and there's also the small problem that Ugly Cat may have inadvertently swallowed Pablo in all of the commotion! Ugly Cat and his impeccably dressed mouse friend, Pablo, are an unlikely and dynamic duo who will win young readers over with their ridiculously silly antics and their search for tasty treats.

El Fénix DEBATE

One of the twentieth century's enduring works, One Hundred Years of Solitude is a

widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war

and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Poesía Macmillan

El Tubo de Jorgmund es la columna vertebral del mundo y está en llamas. Gonzo Lubitsch, héroe de profesión y solucionador de problemas, es contratado para apagarlo. Pero hay más en el incendio y en el propio Tubo de lo que parece a primera vista. El encargo llevará a Gonzo y a su mejor amigo, el narrador, de vuelta a sus propios orígenes y hasta el oscuro corazón de la Compañía de Jorgmund. El mundo que vimos desaparecer es una aventura vertiginosa, hilarante y épica, y la crónica de un amor y su pérdida. Una odisea repleta de ninjas, piratas y conspiraciones políticas; con heroísmos inesperados en tierras extrañas

y peligrosas y con una amistad puesta a prueba al límite. Pero también es la historia de un mundo no demasiado distinto al nuestro y desesperadamente necesitado de héroes, por improbables que estos sean.

Into the Wild GRIJALBO

Novela histórica que inicia lo que la autora denominó la romántica «saga de los Osorio». La prosa de Bajo es una sabia y dosificada combinación de giros de época, metáforas vibrantes, imágenes notablemente vívidas, diálogos ingeniosos, frescos o punzantes. Esta novela, testimonio del pasado de un pueblo signado por el desencuentro, en la que se incorpora una trama inolvidable, Cristina Bajo se revela como una narradora fecunda que abre decididamente nuevos surcos en el terreno de la ficción histórica actual. Esta es la primera obra de la saga, que se completa con «En tiempos de Laura Osorio», «La trama del pasado» y «Territorio de penumbras».

Capital: A Novel Prentice Hall

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June

1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of

rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

This carefully crafted ebook: "The Count Of Monte Cristo (Complete)" is formatted for your eReader with a functional and detailed table of contents. The Count of Monte Cristo (French: Le Comte de Monte-Cristo) is an adventure novel by French author Alexandre Dumas (père). It is one of the author's most popular works, along with The Three Musketeers. Dumas completed the work in 1844. The story takes place in France, Italy, islands in the Mediterranean, and in the Levant during the historical events of 1815-1838. It is an adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for

his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. The book is considered a literary classic today.

According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood." This English translation was originally published in 1846 by Chapman and Hall, London.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME • Before Doctor Sleep, there was The Shining, a classic of modern American horror from the undisputed master, Stephen King. Jack Torrance's new job at the Overlook Hotel is the perfect chance for a fresh start. As the off-season caretaker at the atmospheric old hotel, he'll have plenty of time to spend reconnecting with his family and working on his writing. But as the harsh winter

weather sets in, the idyllic location feels ever more remote . . . and more sinister. And the only one to notice the strange and terrible forces gathering around the Overlook is Danny Torrance, a uniquely gifted five-year-old.

El mundo que vimos desaparecer AGUILAR Historias asombrosas y divertidas anécdotas de héroes de carne y hueso sobre medallistas olímpicos Hace cerca de tres mil años una antorcha se encendió en Grecia para celebrar los juegos olímpicos en honor a Zeus, pero no fue hasta finales del siglo XIX que flameó en Atenas la llama de los primeros juegos de la era moderna. Desde entonces, atletas de todo el mundo han luchado por ganar el podio y muchos lo han conseguido. Son los medallistas olímpicos, protagonistas de historias asombrosas como Richard Norris y Cosmo Duff, dos supervivientes de la tragedia del Titanic, o Johnny Weissmuller, Herman Brix, Glenn Morris y Buster Crabbe, los cuatro tarzanes de Hollywood, un rey nórdico, un asesino y hasta un premio Nobel de la Paz.

A beautifully packaged edition of one of García Márquez's most beloved novels,

with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

NOW A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like

you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Free Play is about the inner sources of spontaneous creation. It is about where art in the widest sense comes from. It is about why we create and what we learn when we do. It is about the flow of unhindered creative energy: the joy of making art in all its varied forms. *Free Play* is directed toward people in any field who want to contact, honor, and strengthen their own creative powers. It integrates material from a wide variety of sources among the arts, sciences, and spiritual traditions of humanity. Filled with unusual quotes, amusing and illuminating anecdotes, and original metaphors, it reveals how inspiration arises within us, how that inspiration may be blocked, derailed or obscured by certain unavoidable facts of life, and how finally it can be liberated - how we can be liberated - to speak or sing, write or paint, dance or play, with our own authentic voice. The whole enterprise of improvisation in life and art, of recovering free play and awakening creativity, is

about being true to ourselves and our visions. It brings us into direct, active contact with boundless creative energies that we may not even know we had.

Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his temper. And lately, being away at boarding school is only getting worse—Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him.

The Wheel of Life HUERGA Y FIERRO EDITORES

BOOKER PRIZE WINNER • From the winner of the Nobel Prize in Literature, here is “an intricate and dazzling novel” (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the “great gentleman,” Lord Darlington. But lurking in his memory are doubts about

the true nature of Lord Darlington's “greatness,” and much graver doubts about the nature of his own life.

Frank and the tiger Simon and Schuster NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. “It may be nonfiction, but *Into the Wild* is a mystery of the highest order.”

—Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself.

Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention.

Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented.

Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and

fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled

to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with

a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
