CASSIUS JAYLEN

Lost Kingdom iUniverse
 WHO AM I? She asked. But no one knew. A near-fatal accident had stolen Jane's past, and now she struggled daily with her new life. Only the knowledge that policeman Matt Sullivan was rooting for her kept her going. But when flashes of her memory returned, Jane grew afraid she wouldn't like the person she used to be.... And so she turned once more to Matt. Now a private detective, he vowed that this time he'd discover the truth about Jane. And this time no one would be able to hurt her in mind or body. Because suddenly Matt was realizing that the new Jane was everything he'd dreamed of getting for Christmas.... But could he keep her?

Ryson Acumen battles frustration and fatigue as another struggle unfolds before him. A growing conflict threatens to engulf Uton from the western shores to the eastern plains. Illusions abound after the magic from an erratic sorceress alters the corridors of life and death, and the delver faces internal doubts as well as horrific monsters. A treacherous creation first hunts the dark creatures of a nightmare realm, but the danger quickly falls back upon Uton. Forced to choose between divergent paths, Ryson must rely on others to defend the person he cares about the most. He can only hope his friends are able to defeat a new menace that revives old fears. While the delver ventures into the Lacobian Desert, cliff behemoths vow to protect his wife, Linda, just as the elf guard, Holli Brances, leads spell casters against an unknown and dangerous foe in the abandoned town of Pinesway. Even the powerful wizard, Enin, enters the clash in hopes of ending the conflict before too many lives are lost. It is ultimately up to Ryson Acumen to defeat his inner demons and to find the answers that will save Uton and all its inhabitants.

Above the Line is a dazzling gathering of insights and anecdotes from all corners of the film industry. The interviews (portions of

which originally appeared in Playboy and Movieline) explore from the inside the skills, intelligence, experiences, and emotions of eleven key players who produce, write, direct, act, and review the movies, including Oliver Stone, Anthony Hopkins, Jodie Foster, Robert Evans, Lily Tomlin, Jean-Claude Van Damme, Harrison Ford, Robert Towne, Sharon Stone, and Siskel and Ebert. Witty, scathing, gossipy, generous, the interviewees show just what make the movies work from "above the line"—from the perspective of those whose names go above the title. These are the "talent"—the gifted individuals, often with inflated egos, often torn by doubts—each representing a piece of the puzzle that somehow gives rise to the best in moviemaking today.

Never Fear - The Apocalypse Corgi

"A modern suburban fantasy . . . There are quests and complications, conflicts and charms. . . . Card's back in top form, doing as well as or better than any of his fantasy work so far."—The San Diego Union-Tribune In a prosperous African American neighborhood in Los Angeles, infant Mack Street is found abandoned in an overgrown park and taken in by a blunt-speaking single woman. Growing up, Mack senses that he is different from most, and knows that he has strange powers. Yet he cannot possibly understand how unusual he is until the day he discovers, beyond a mysterious narrow house no one else can see, an entryway into a magical world. Passing through, Mack is plunged into a realm where time and reality are skewed, a place where his actions seem to have disturbing effects in the "real world." Whether he likes it or not, Mack has become a player in an epic drama. His reward, if he can survive the trip, is discovering not only who he really is . . . but why he exists. Praise for Magic Street "A great read . . . Card's take on his characters [is] as sure as ever, his narrative rock solid, his dialogue crackling and authentic."—Los Angeles Times Book Review "[Card] is a master at creating a sense of urgency that keeps you turning pages."—The Charlotte Observer "Mind-bending . . . Card's clever tale comes with sharp writing and crisp dialogue."—The Tampa Tribune "Compelling . . . By the time the ultimate conflict comes into focus, the novel is propelling the reader forward like a bullet."—Deseret Morning News "A suspenseful fantasy thriller that, during the race to the last page, has one mulling over myth, morals, salvation, and will."—Booklist

Now You See It, Now You Don't! Penguin

"One of the greatest inspirational and motivational books ever written." — Norman Vincent Peale In this bestselling self-help book, a successful businessman reveals the secrets behind harnessing the unlimited energies of the subconscious. Millions of readers have benefited from these visualization techniques, which show you how to turn your thoughts and dreams into actions that can lead to enhanced income, happier relationships, increased

effectiveness, heightened influence, and improved peace of mind. World War I veteran Claude M. Bristol (1891-1951) wrote *The Magic of Believing* to help former soldiers adjust to civilian life. A pioneer of the New Thought movement and a popular motivational speaker, Bristol addressed those in all walks of life, from politicians and leaders to performers and salespeople. His timeless message of the powers of focused thinking and self-affirmation remains a vital source of inspiration and a practical path to achievement.

THE MAGIC Xlibris Corporation

For most of her life, Allison Beckstrom has used magic and accepted the heavy price it exacts. But now that all magic is poisoned, it's no longer just using people—it's killing them. With Portland about to descend into chaos, Allie needs to find a way to purify the wells of tainted magic beneath the city. But the only options left to her are grim: attempt to close down magic forever, or follow her father's plan to set magic into the right hands—even though she's learned to never trust his word. Now, Allie will have to make a choice and face the darkness of her own deepest fears, before time runs out for them all...

Fans of Brandon Mull and James Riley will love this heart-pounding second novel in the action-packed, accessible fantasy adventure series *Order of the Majestic*, which Booklist called a "delight!" Joey Kopecky and his friends, Shazad and Leanora, have the weight of the world on their shoulders. As the new *Order of the Majestic*, it is their responsibility to keep magic alive and free for all, and to fight the influence of the Invisible Hand, a sinister group of magicians intent on rounding up the world's remaining magical items and keeping everything to themselves. It's a vital mission and a sacred duty, but the Invisible Hand has been playing this game—and playing it well—for centuries. Joey, Shazad, and Leanora are still learning their powers—and lately, they can't seem to agree on anything. But all of that changes when Fate taps them on the shoulder, and puts the Secret Map of the World in their hands. Together, Joey and his friends strike off on a tour of hidden magical realms, trying to find a lost kingdom that could hold the key to a new age of magic. Hunted by the Invisible Hand every step of the way, they must reach their ultimate destination first, or risk delivering the world's most powerful source of magic energy right into their enemy's hands.

Fans of Brandon Mull and James Riley will love this thrilling third novel in the action-packed, accessible fantasy adventure series Order of the Majestic, which Booklist called a "delight!" Joey Kopecky never expected to grow up and change the world—much less do it at the age of thirteen. But ever since he discovered magic was real and inherited the wand of Harry Houdini from his mentor, nothing about life has been what he expected. Now, as the Earth's future is threatened by incredible forces, Joey and his friends Shazad, Leonora, and Janelle have decided it's time for something new. The Order of the Majestic trilogy comes to a thrilling conclusion in an epic crossover with the Jack Blank Adventures as Joey and his friends—new and old—try to do the impossible and give magic back to a world that needs it more than ever.

Medical expert Paul A. Offit, M.D., offers a scathing exposé of the alternative medicine industry, revealing how even though some popular therapies are remarkably helpful due to the placebo response, many of them are ineffective, expensive, and even deadly. Dr. Offit reveals how alternative medicine—an unregulated industry under no legal obligation to prove its claims or admit its risks—can actually be harmful to our health. Using dramatic real-life stories, Offit separates the sense from the nonsense, showing why any therapy—alternative or traditional—should be scrutinized. He also shows how some nontraditional methods can do a great deal of good, in some cases exceeding therapies offered by conventional practitioners. An outspoken advocate for science-based health advocacy who is not afraid to take on media celebrities who promote alternative practices, Dr. Offit advises, "There's no such thing as alternative medicine. There's only medicine that works and medicine that doesn't."
