In this close-
knit Amish
family,
nothing is as
perfect as it
seems . . .
When Viola
Keim starts
working at a
nearby

Mennonite
retirement
home, she
strikes up an
unlikely
friendship with
resident Atle,
whose only
living relative,
son Edward, is
living as a
missionary in
Nicaragua.
Viola
understands
the
importance of
mission work,
but she can't
imagine
leaving her
father in the
hands of
strangers.
Even though
her family is
New Order
Amish, it's not
the Amish
way, and
though she
doesn't know
Ed, she judges
him for
abandoning
his father. But
when Ed
surprises his

father with a visit, Viola and Ed both discover an attraction they never expected. Despite her feelings, choosing Ed would mean moving to a far-off country and leaving her family behind. She can't do that. Her twin sister, Elsie, is going blind and will need someone to care for her all her life. Her family is reeling with the recent discovery that her grandmother hid her past as an

Englischer. Her father seems forgetful and distracted—and to be harboring some secrets of his own. Does Viola dare leave them all behind and forge her own life? Or will family ties mean her one chance at love slips away?

 Berkley Publishing Group
 Heather O'Grainne, Assistant Secretary in

the Office of Future Threat Assessment, investigates a radical group called "Daybreak" who are attempting to destroy modern civilization starting with the elimination of America's top government personnel. Reprint. 60,000 first printing.

The Days of Redemption Series, Book One Drawn & Quarterly
 Part history, part autobiography, Eksteins relates the tragic story of

the Baltic nations before, during, and after World War II through personal stories from his family. Photos and map.

Until the Daybreak

Shae Ford Daybreak is a thorough investigation of how Bush/Cheney altered the way American government works and deteriorated the Constitution and Bill of Rights. It includes clear plans for how we may reclaim

democracy, declare our rights, and truly set out for a new America. Shocking and inspirational, Daybreak provides a clear breakdown of all that we have lost, and all that we have to gain. Daybreak Harper Collins A woman's remarkable life provides a new perspective on a century of turbulent change. *Daybreak, Nightfall* Random House Books for Young Readers

Triumph or disaster? An epic of medical heroism or evidence of Allied indifference to the fate of Europe's Jews? This narrative investigates the emergency relief operation following the British liberation of Belsen. *Daybreak* Penguin The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a new, easy-to-use

numbering system! It's sink or swim for Jack and Annie when the Magic Tree House whisks them off to the middle of the ocean. Luckily, they find a mini-submarine on a coral reef. Unluckily, they are about to meet a giant octopus and one very hungry shark. Will the dolphins save the day? Or are Jack and Annie doomed to be dinner? Did you know that there's a Magic Tree House book for every kid?

Magic Tree House: Adventures with Jack and Annie, perfect for readers who are just beginning chapter books

Merlin Missions: More challenging adventures for the experienced reader

Super Edition: A longer and more dangerous adventure

Fact Trackers: Nonfiction companions to your favorite Magic Tree House adventures

The Montgomery bus boycott was a formative moment in twentieth-century history: a harbinger of the African American freedom movement, a springboard for the leadership of Martin Luther King Jr., and a crucial step in the struggle to realize the American dream of liberty and equality for all. In *Daybreak of Freedom*, Stewart Burns presents a groundbreaking

documentary history of the boycott. Using an extraordinary array of more than one hundred original documents, he crafts a compelling and comprehensive account of this celebrated year-long protest of racial segregation. *Daybreak of Freedom* reverberates with the voices of those closest to the bus boycott, ranging from King and his inner circle, to

Jo Ann Robinson and other women leaders who started the protest, to the maids, cooks, and other 'foot soldiers' who carried out the struggle. With a deft narrative hand and editorial touch, Burns weaves their testimony into a riveting story that shows how events in Montgomery pushed the entire nation to keep faith with its stated principles. *I Was Born*
Ruined

A

headspinning thriller from crime writer Deon Meyer: the story of an ex-cop who has seven days to solve a seemingly unsolvable crime -- the answer to which lies in his own dark past. When Johannes Jacobus Smit, an antiques dealer, is found burned with a blowtorch and killed execution-style with a single shot to the back of the head, former cop Zatopek "Zed" van Heerden is called in to

investigate the unusual circumstances of the murder. Zed is still obsessed with the betrayals of his own past but must fill in the blanks of this victim's life. Who tortured and killed Smit, and who was Smit in the first place? Not the man whose papers he carries, that much is certain. Zed can never be sure of the loyalties of the people with whom he is dealing -- his own past reputation ensures that --

and he soon finds himself uncovering secrets that the security services of many countries would like left alone. "Exciting....A terrific ride on almost every level."- Chicago Tribune
A Story of the Age of Discovery
 Houghton Mifflin Harcourt
 These 366 daily affirmations and meditations extend support and wisdom to women who have survived

childhood sexual abuse. These 366 daily affirmations and meditations extend support and wisdom to women who have survived childhood sexual abuse. With understanding, compassion, and strength, the author addresses issues such as intimacy, fear, play, sharing secrets, and anger. She also shares her personal knowledge of sexual abuse to illustrate that we can not only

survive, but thrive.

 A new edition of this important work of Nietzsche's 'mature' philosophy. *Forty Days from Darkness to Light* Image
 The cult classic zombie graphic novel: now a Netflix original series! You wake up in the rubble and see a ragged, desperate one-armed man greeting you. He takes you underground

to a safe space, feeds you, offers you a place to sleep, and then announces that he'll take the first watch. It's not long before the peril of the jagged landscape has located you and your new-found protector and is scratching at the door. What transpires is a moment-to-moment struggle for survival-The Road meets Dawn of the Dead. Daybreak is seen through the eyes of a

silent observer as he runs from the shadows of the imminent zombie threat. Brian Ralph slowly builds the tension of the zombies on the periphery, letting the threat-rather than the actual carnage-be the driving force. The post-apocalyptic backdrop features tangles of rocks, lumber, I beams, and overturned cars that are characters in and of themselves. Drawing

inspiration from horror movies, television, and first-person shooter video games, Daybreak departs from zombie genre in both content and format, achieving a living-dead masterwork of literary proportions. When released in 2011, Daybreak was a critical success, a YALSA Great Graphic Novel for Teens, and a TLA Maverick Graphic Novel. Now for the first time,

Daybreak is being adapted into a Netflix Original series, executive produced by Aron Eli Coleite (Star Trek: Discovery, Heroes), Brad Peyton (Frontier, Rampage), and Jeff Fierson (Frontier, Rampage), starring Matthew Broderick. Read the book before it hits the small screen this fall!

Poetry. The
title poem in
William
Fuller's
DAYBREAK
begins with
something
abstract. "At
daybreak one
saw
receptacles
from the day
before and in
those
receptacles
lay strings of
associations."
From such
associations
"eyes
emanating
soft red light"
emerge.
Practical
considerations
follow--
including the
tax
consequences

of such
associations--
without
weighing
down the free
flight of
metaphor as a
vehicle for
"transparent
uninterrupted
thought."
Definite
pronouns
without
antecedents
take on a
physical
presence too,
as real as the
history of
ideas. Each
poem in this
collection
builds a
memory
palace for how
to forget.

Midlan has
awoken.

Soldiers pour from between the gates and monsters descend upon the Kingdom. When Midlan turns its eye to Copperdock, Kael quickly discovers that no realm is safe from the wrath of the King. But while he fights to keep Crevan's soldiers away from his friends, other powers rise up behind him — including an army so terrible that it threatens to devour everything. All paths lead to Midlan, every

fate hinges upon a final battle, and the bloodshed will bring about a reckoning a thousand years in the making — a plan woven by Fate, herself. There's only one soul she can't cast for: a boy from the mountains who might undo everything, if he isn't stopped. When Kael's journey carries him to the battle's end, he doesn't know that the fate of the Kingdom rests upon his shoulders. The

choice he makes will forever change his world ... and bring him to the story's end.

Dead at Daybreak

Scholastic Reference Caprock, Texas, is a sleepy cow town where not much happened until oil is discovered in the 1920s. Suddenly the town comes alive, with thousands of people streaming in to find their fortune. Some are honest folk like Elise and Victor

Underwood, who pray for a little luck with their daily bread. But too many are twobit swindlers. And then there's Big Boy Daugherty, a frontier mobster who corrupts and destroys everything he touches. In a town where moonshining or lying about your Saturday night date has been about the worst that happened, Sheriff Dave Buckalew now faces a whole different set of circumstances as his town springs to life

- in good and not-so-good ways. Allied with Buckalew is Slim McIntyre, a cowboy who's looking for ranch work and finds, instead, a whole lot of trouble. *A Reverse Harem Motorcycle Club Romance* Createspace Independent Publishing Platform
When Henri Nouwen left the world of academe and headed for the village of Trosly in France, he sought a place that would lead him

"closer to the heart of God." Arriving at L'Arche community in Trosly, he felt as if he had finally "come home." Indeed, it was destined to change his life forever. The Road to Daybreak is Henri Nouwen's intimate diary that records his poignant year at L'Arche, which began in the summer of 1985, a precious time of inner renewal and self-discovery. With simplicity and honesty, he describes

how the experience changed his attitudes and enriched his spiritual life. Here Nouwen recounts the struggles and self-doubts he faced along this rocky road to a new vocation as he introduces us to the people of L'Arche and many others whose impact on him was deep and life-lasting. Such was the impact of this experience that he chose to say yes to the call to go to L'Arche Daybreak Community in Toronto and

make it his permanent home and ministry. Rich in insights and sparkling with touching and inspiring anecdotes, *The Road to Daybreak* invites the reader to join this renowned spiritual writer on his journey to a deeper understanding of God and the human family. [Journey to Daybreak](#) Texas Christian University Press In these critical essays Gregory Stephenson takes the

reader on a journey through the literature of the Beat Generation: a journey encompassing that common ethos of Beat literature—the passage from darkness to light, from fragmented being toward wholeness, from Beat to Beatific. He travels through Jack Kerouac's *Duluoz Legend*, following Kerouac's quests for identity, community, and spiritual knowledge. He examines

<p>Allen Ginsberg's use of transcendence in "Howl," discovers the Gnostic vision in William S. Burroughs's fiction, and studies the mythic, visionary power of Lawrence Ferlinghetti's poetry. Stephenson also provides detailed examinations of the writing of lesser-known Beat authors: John Clellon Holmes, Gregory Corso, Richard Fariña, and Michael McClure. He</p>	<p>explores the myth and the mystery of the literary legend of Neal Cassady. The book concludes with a look at the common traits of the Beat writers—their use of primitivism, shamanism, myth and magic, spontaneity, and improvisation, all of which led them to a new idiom of consciousness and to the expansion of the parameters of American literature. Cambridge University</p>	<p>Press Texas announces it will leave the United States and form a new country. Families, friends, and professionals across the United States see old loyalties broken and new loyalties forged in the fires of personal ambition and necessity. Unknown, average young people find themselves on the tip of the spear of the upstart Texas Defense Force, formed to protect the</p>
