•"Much has been written about firefighters, some of it by people who actually fight fires. Few of the books I have any knowledge of show the mindset of the firefighters with as much insight and candor as this book..." —from the foreword by Hugh Downs •"Every so often a writer of substantive talent appears through the smokey background to perk up our interest in firefighters and firefighting.

George Pickett is just such a man.... In *The Brave* you will come to know him and a valiant group of men as they speed from alarm to alarm in downtown New York, where the buildings are tall and for the most part old, where bums and drug addicts populate the streets, and where the fire companies hardly ever rest. You will begin to feel that you too are a member of Engine 33, Ladder 9, and, after George's promotion to lieutenant, of some of Brooklyn's busiest fire companies. It is an empowering feeling, until you suddenly realize that these are among the very first fire companies who will arrive one fateful day in their future at the World Trade Center, providing our city with more courage, determination, and selflessness that we ever knew we had. You will then thank George Pickett for letting you into their lives." —Dennis Smith, New York Times' bestselling author

It's been a lifetime (and three seasons) in the making, but Jane Gloriana Villanueva is finally ready to make her much-anticipated literary debut! Jane the Virgin, the Golden Globe, AFI, and Peabody Award-winning The CW dramedy, has followed Jane's telenovela-esque life—from her accidental artificial insemination and virgin birth to the infant kidnapping and murderous games of the villainous Sin Rostro to an enthralling who-will-she-choose love triangle. With these tumultuous events as inspiration, Jane's breathtaking first novel adapts her story for a truly epic romance that captures the hope and the heartbreak that have made the television drama so beloved. Snow Falling is a sweeping historical romance set in 1902 Miami—a time of railroad tycoons, hotel booms, and exciting expansion for the Magic City. Working at the lavish Regal Sol hotel and newly engaged to Pinkerton Detective Martin Cadden, Josephine Galena Valencia has big dreams for her future. Then, a figure from her past reemerges to change her life forever: the hotel's dapper owner, railroad tycoon Rake Solvino. The captivating robber baron sets her heart aflame once more, leading to a champagne-fueled night together. But when their indiscretion results in an unexpected complication, Josephine struggles to decide whether her heart truly belongs with heroic Martin or dashing Rake. Meanwhile, in an effort to capture an elusive crime lord terrorizing the city, Detective Cadden scours the back alleys of the Magic City, tracking the nefarious villain to the Regal Sol and discovering a surprising connection to the Solvino family. However, just when it looks like Josephine's true heart's desire is clear, danger strikes. Will her dreams for the future dissolve like so much falling snow or might Josephine finally get the happy ever after she's been dreaming of for so long?

Sleigh Bells In The Snow Simon and Schuster

There is an absolute veil of mind behind penning any emotion, whether it is Shayari or Poetry and Najam! The thoughts raised out from your pure heart and clear mind may hit positively to your soul. At that time words are overwhelmed with love. This love is for Mehbooba(beloved), this is love with a little rustic touch, this love is for nature, this love is for the country, this is love for the mother who sees me even in the mirror. This is love for the father whose torn vest speaks. This is the love for every successor who lives in the world of hearts. A few lines for that mad love devoted to the peaks of success. I transformed and inked all the silent conversations I made with my diary during the cold nights. This book is a link of emotions and not language. Also, it is the bundle for them who steal the emotions and some stilted pain of mine and yours! This is actually not a book, it's a journey and an essence of heart and world's fulfillment where humans are given more importance than machines!

Snow Is Falling Harper Collins

Let's Read is a simple and systematic way to teach basic reading. Developed by noted linguist Leonard Bloomfield, the book is based on the alphabetic spelling patterns of English. Bloomfield offered an antidote to the idea that English is a difficult language to learn to read by teaching the learner to decode the phonemic sound-letter correlations of the language in a sequential, logical

progression of lessons based on its spelling patterns. The learner is first introduced to the most consistent (alphabetic) vocabulary and then to increasingly less alphabetic and less frequent spelling patterns within a vocabulary of about 5,000 words.
