3 Planeta Publishing

A magnificent saga of two proud and powerful families--one British, one African--and their battle over Kenya's destiny in the twentieth century. In 1917, Dr. Grace Treverton arrives in Kenya, determined to bring modern medicine to the African natives. Her brother, Sir Valentine Treverton, has his own dream for the British protectorate: to establish an agricultural empire to rival any in England. The aspirations of the wealthy Trevertons collide with those of the Mathenge tribe, an African family that has lived on the land for years. Grace soon finds a deadly rival in Mama Wachera, an African medicine woman who fights to maintain native traditions against the encroaching whites. After Wachera curses the Trevertons, a series of tragedies threatens to destroy what the once-great family fought to create. But the fates of future generations of these two remarkable families are inextricably bound. A bold and brilliant achievement, *Green City in the Sun* brims with all the drama, violence, and fierce beauty of the Kenyan landscape.

*With This Man* University Press of the South, Incorporated Pídeme lo que quieras, o déjame, de Megan Maxwell, autora de obras como *Niyomismalósé* o *Te esperaré toda mi vida*, es el tercer y último volumen de la serie de narrativa erótica más morbosa y adictiva que está arrasando en nuestro país: Pídeme lo que quieras (Pídeme lo que quieras y Pídeme lo que quieras, ahora y siempre). Esta serie ha cosechado muy buenas críticas por sus dos primeros libros y eso ha provocado un aluvión de peticiones para la publicación de esta tercera parte. Pídeme lo que quieras, o déjame es una intensa y atrevida historia de amor, plagada de morbo y erotismo, en la que los protagonistas luchan por preservar su relación, a pesar de que el precio que tendrán que pagar por ello puede ser demasiado caro. La aclamada Megan Maxwell concluye de este modo una de las sagas eróticas más populares de nuestro país.

**Now and Forever** A.R. Dawn

Letters from the past transport a young Spanish woman into the mysterious lives of her father and her uncle during the waning years of colonial rule in Guinea When Clarence comes upon a series of letters from her family's past, she starts to piece together the story of her father's travels with his brother, and she becomes curious about her origins. Sifting through the clues and assembling the narrative, Clarence embarks on a journey to the exotic African isle of Fernando Poo, where the 2 brothers, Jacobo and Kilian, landed after fleeing their conventional, safe lives in the

Spanish Pyrenees. A secret rests at the heart of this tale as it moves back and forth between generations and spaces. For Clarence, in 2003, the life that Jacobo and Kilian created 50 years ago on the island as 2 expatriate cocoa cultivators starts to unfold. The brothers explore a culture that is starkly different from Spain, and in the midst of discovering what it means to grow the perfect cocoa beans, they build a strong friendship—and learn the dangers and delights of forbidden love.

"Fanny is finally found, strangled to death and left on a lonely heath, covered by moss and branches. At the same time, grainy but explicit photographs of the girl with a stranger are discovered, hidden in Dahlstrom's darkroom. Intrepid TV journalist Johan Berg, sent from Stockholm to cover the two deaths, pushes the investigation one decisive step ahead while still trying to resolve his simmering relationship with Emma, a woman he first met last summer while investigating another series of murders on Gotland." "All evidence points to one of Fanny's coworkers at the stable, an American who has left the country for a short vacation. As Knutas and his team wait for his return to make the arrest, the inspector takes a well-deserved weekend off with an old friend, and at the lonely cottage in the woods, the pieces finally fit together. But this time, Knutas has gotten too close."--BOOK JACKET.

THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself-I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me-I want to hold her against me and show her what she's been missing. When she makes a joke at my expense-I want to silence her sassy mouth with my tongue. And when she leaves straight after we f\*ck with barely a goodbye-it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, standalone, contemporary romance.
