It is a common knowledge among the ex-refugees from Vietnam that after more than 40 years of living in the US and even with a smooth and successful mainstreaming into the new way of living in an alien social and cultural environment in America, a good number of them are still suffering from the “culture shock.”

Consequently, they have been researching and looking for their old traditions, cultural values and moral practices that have been deeply ingrained in them but have been lost or forgotten due to a variety of factors such as: the language barrier and differences in culture and moral standard between their old and new countries. Because of the demand of working long hours and struggling for survival many of them have no time or ability to educate and communicate effectively with their children in Vietnamese or English, let alone teaching them Vietnamese traditions and morals. As a result, they feel guilty of being unable to carry out this important and traditional duty. This unusual educational book is an effective and powerful tool for all those who can or cannot read Vietnamese or English to discover, rediscover, learn or relearn one of the most esteemed aspects of the Vietnamese traditional teaching: wisdoms and living with virtues and

decency. Sau 40 năm nh c Hoa K, nhieu ngi Vit Nam cm thy cn có nhu cu hc hay hc li nhng truyen thng và o c mà ông cha h ã truyen li cho h t th h này n th h khác. Vietnamese Flashcards Tuttle Publishing

This ebook contains all flashcards from our website, one every two pages. It is ideal for beginners and intermediate learners to acquire some of the most important initial words that make up the majority of everyday conversation. Various features like bidirectional listing make this flashcard ebook the perfect tool on your ebook reader to boost your language skills. This ebook is split into 4 chapters and contains a total of around 2000 vocabularies which you can also find on our website. Each of the

words covers two pages. Page one represents the question in the form of the vocabulary you should translate. Page two delivers the answer with translation and additional information for that word if needed. To learn the vocabularies, simply go from page to page and study the words one by one. The 4 chapters in the book contain 2 sets of vocabularies, once learned from English to Vietnamese (chapter 1 and 2), and after that from Vietnamese to English (chapter 3 and 4). Within that, the first chapter has vocabularies ordered by topic whilst the second chapter has 1000 of the most common vocabularies you need to learn ordered by how often they are used in daily conversations. In addition to using this ebook, you can also go to our website and use the flashcards there to learn and test yourself. The most important part of using flashcards successfully is to use them daily. Studying 100 words a day every day of a week will have a much bigger impact than studying 700 words once a week. Once you know most words in a chapter, write down the ones you still have trouble with and concentrate on those few words several times a day. Once you have moved on to a later chapter, it is also good practice to come back to early chapters from time to time to make sure the easier words are still in your memory. Over time, you will figure out what works best for you. Good luck!
