Creative writing: the quick matrix McGraw-Hill Education (UK) Just Imagine is an exciting, unique and versatile resource that provides teachers with practical and stimulating creative writing activities for fiction, non-fiction and poetry. Taking three different, but interconnected media by which to generate and explore creative writing - 'Text and Themes', 'Images' and 'Music' - the book/CD offers inspiration for a wide range of creative writing workshops. The book is organised into three sections: Texts and themes: 8 theme-based sections that use a variety of texts, interview clips and discussion points to explore such topics as memories, dreams, school life, friendships, outsiders, journeys, time and the wild; Images: a gallery of photographs and illustrations in a range of styles and forms, encompassing a range of themes including characters, landscapes, events and objects; Music: a CD which features instrumental tracks and soundscapes of different styles, moods and tempos. This second edition includes three brand new tracks on the CD as well as many new images, texts and also interview clips with high profile children's authors. Sets of activities and teachers' notes accompany each of the selected pieces and stimuli throughout, all of which can be easily adapted according to the needs of individual classes. Just Imagine offers a wealth of material to help children develop confidence with their writing, deepen their understanding of the creative process and, above all, enjoy their creativity. It will appeal to Primary and Secondary English Teachers, as well as students studying on undergraduate and postgraduate initial teacher education courses in primary English/Literacy, PGCE

Secondary English and Undergraduate courses in Creative Writing.

There are two sides to every story. A little girl finds a strange beast in the woods and takes it home as a pet. She feeds it, shows it off to her friends and gives it a hat. But that night it escapes. Then the beast tells the story of being kidnapped by the girl, who forced it squirrel food, scared it with a group of beasts and wrapped it in wool. Can the two beasts resolve their differences? An eye-opening story that makes you look at things from a different perspective. 'Roberton's premise is as sublime as it is simple, with a subtle message. [...] Totally delightful.' - Kirkus Reviews

This guide provides students of all subjects with the language that they need to write about a variety of visual images. It gives inexperienced writers a starting point to say what they want to say using language that mature writers use. How to write what you want to say ... about visual images is a guide for those who know what they want to say but can't find the words. It is unique in providing the tools for writing about the full range of visual

images, including those used to inform (such as graphs, diagrams and maps) and those that tell a story or appeal to the emotions (such as artworks, photographs, sketches and illustrations). It suits inexperienced writers from the middle years of schooling onwards.
