Lights! Camera! Action! Life seems so simple in those black & white movies I watch-girl meets boy, they roll around on the beach a bit, then they walk off into the sunset. But my life isn't like that. I've fallen in love with billionaire Hollywood Producer Archer Williams. And I've been blackmailed into betraying him. I just had to steal one little bit of footage. Do it, and they'd wipe my slate clean-no more debt; the nude photos would disappear. The only problem is, his abs have more ridges than the Hollywood Hills, and he's got the most amazing, ocean blue eyes... I tried to steal from him, but instead we ended up sleeping together. And now there's a sex tape to add to my problems as well! Talk about raw footage. I have to betray him-there's no other way out. Hollywood endings

don't happen in real life, do they? Billionaire Blackmail is a standalone romance with a happy ending. But be warned: this book is so hot it will have you fanning yourself (and re-thinking those old black and white movies!). It contains sizzling scenes which are for adults only. Read it only if you enjoy sexy, steamy reads with intelligent heroines, dashing billionaire heroes, fun movie references and good old-fashioned, over-the-top Hollywood endings!

Greek tycoon Nikolai Andretti is out for revenge. Four years ago, Tabitha MacComber made a fool of him. Now he has gained controlling interest in her family's business. He makes a deal with her: if she becomes his mistress, he won't sell off the factory and put all the families in the village out of work. Tabitha remembers Nik and the painful past they share. She fell in love with him, only to have him tear her heart apart with lies. Now he's back and she can't find another way to save all the people who depend on her. But she also finds things about Nik that she wasn't prepared to discover. And she realizes that she's still in love with him. Blackmailed into Marriage marie kelly He wanted her. He wanted her, and whatever he wanted he got. Phill had

been in this business a long time. The so-called 'Casting Couch' had never appealed to him, after all, he had no problem finding willing women. They pretty much came with the job. In fact, it was getting rid of them that was usually the hassle. He didn't do commitments. Having lived a lot of years and had a lot of marriages, he knew all this talk of Love was just a bunch of crap. It didn't exist. Not that he cared. No, casual affairs were enough for him. Always had been. Always would be. He'd been sure she'd agree to his terms but she'd turned him down. That NEVER happened. The minute he'd seen her he'd known she was different. Then, when she'd shook his hand, he'd been sure. There was passion there and passion was one thing he did believe in.

Unlike sex, passion wasn't easy to find, and when he found it he wasn't going to ignore it. He may not be young any longer but he still enjoyed a good romp in bed, so he'd done what he had to do to get her there. He wanted her, and one way or another he would have her. Jana couldn't believe it. How had she gotten into this? Well, she knew how. He'd threatened her. She'd heard things like this happened here but she really hadn't believed it. Now she knew it was true. She'd just agreed to sleep with a total stranger. A man who'd made it clear he didn't believe in Love. In fact, he'd called her naive. Well, maybe she was. She was, after all, just a small town writer. She was experienced but not, she was sure, anywhere as experienced as he was. After all, he was a good bit older

and he lived in Hollywood. Pretty much Sin City from what she could gather. They had absolutely nothing in common. The whole thing was asking for trouble, she was pretty sure of that. She was in way over her head here, she was playing with fire, and she knew that before it was all over she'd probably end up very badly burned. ♥ ♥ ♥ ♥ Blackmailed by the Billionaire is one of the books in Harriet Pope's Billionaire Series Billionaire Adventurers.
