As a busy mom, it can feel nearly impossible to find time for you.
Between the piles of laundry, dishes in the sink, taking care of
your home and the day-to-day demands, your do-do list can feel
never ending. You feel like you barely have time to make dinner,
how are you going to find time for your goals?The 15 Minute
Formula is your answer. Instead of relying on motivation, you'll
learn how to create a priority based path that makes sense for

you and your life. Stop putting yourself last and filling your days with everything for everyone else. It's time to give yourself permission to dream, and create time for your goals - all while picking cheerios off the floor and tucking your kids into bed. It is possible to manage motherhood and your goals, without the guilt and burnout. The 15 Minute Formula will get you there.

The Miracle Morning (Updated and Expanded Edition)

Robinson

What if you could change your life--without changing your life? Gretchen had a good marriage, two healthy daughters, and work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn't thinking enough about the things that really mattered. "I should have a happiness project," she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen's story will inspire you to start your own happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget someone's name and more.

Become Happy in Eight Minutes

HarperCollins
#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be

honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Being happy yourself has the potential to change other lives and foster a more caring society

The Year of Living Happy Grosvenor House Publishing

Happy Mind, Happy Life The search for happiness is fundamental for all humans, and the answers lie within the depths of your mind. What is happiness? What causes it? How do you hold onto it? What makes it go away? These questions have led to many philosophical debates over thousands of years. The philosophers of Greece were famous for their quest to define the pillars of "the good life." Faith-based movements have painstakingly crafted dogmas and prescribed behaviors in pursuit of ultimate peace and joy. Academic studies have been concentrated on finding the

answer to "the optimal life experience." Governments have professed to craft policies to promote the overall well-being of their citizens. Every day, ordinary dinner table discussions are, at heart, a dialogue in search of a happy life. Happiness is Unique to You What makes one person happy may make another miserable. There is no one key to happiness for everyone. Instead, the answers lie within you. In *The Happy Mind*, you'll learn to find your own personal answers to your most important questions. What makes you happy? What changes can you make to bring more happiness into your life? And how can you let go of old habits, beliefs, and situations that no longer fulfill you? The aim of this book is not to push a specific definition of happiness. Instead, you'll discover valuable insights that will allow you to create lasting happiness instead of being driven by short-term pleasure-seeking. In this book you will learn: How people look for happiness in all the wrong places, and how you can avoid these "happiness traps" that keep you stuck and unfulfilled Why most people mistake pleasure for happiness, and how this simple mistake causes you to lose sight of what really matters to you The nine common qualities that super happy people share (and how you can apply them to brighten up your life) The key traits of unhappiness (and the most important behaviors you should avoid) Many easy-to-grasp suggestions that can be viewed daily to enhance your capacity to live a happy life. Give Yourself the Gift of *The Happy Mind* *The Happy Mind* is your roadmap to living a happy life, custom-designed just for you. Scroll up and click the "Buy Now" button to get started.

Take a daily step toward joy and contentment and ditch stress,

overwhelming thoughts, and boredom with encouraging and biblical messages from Alli Worthington. You do your best to live life well—you work hard to be present in the moment, take care of the people in your life, knock it out of the park at work and home. And yet, somehow, you still have days (perhaps more than you'd like to admit) where you're simultaneously stressed and bored, and you wonder if you even know how to be happy. Is happiness a worthy goal? Does happiness matter to God, or does He only care about holier things? Alli Worthington gets it. As a wife, mother of five boys, author, speaker, and entrepreneur, she knows a thing or two about being busy, stressed, and happy in the midst of a crazy world! Over the years, she's seen how happiness gets a bad rap in Christian circles, and now she is standing up to shout the good news from the roof (or the internet, as the case may be): You are allowed to be happy! Yes, you! You can be happy right now! Join Alli for *The Year of Living Happy: Finding Contentment and Connection in a Crazy World*, and find the roots of your happiest life yet. Each of the 100 short and inspirational entries includes a thoughtful message from Alli, based on God's Word practical ways to make your life happier day by day a journaling section This gorgeous book is an empowering gift for yourself or any woman you love. It can be used as a daily devotional or as a guided journal. Be part of this exciting message: Happiness and holiness can coexist for a beautiful life. Don't miss the great big adventure God has for you. Let this be The Year of Living Happy!

 Winner of the 2014 Living Now Book Award for Inspirational

Memoir "An enormously smart, clear-eyed, brave-hearted, and quite personal look at the benefits of meditation." —Elizabeth Gilbert Nightline anchor Dan Harris embarks on an unexpected, hilarious, and deeply skeptical odyssey through the strange worlds of spirituality and self-help, and discovers a way to get happier that is truly achievable. After having a nationally televised panic attack, Dan Harris knew he had to make some changes. A lifelong nonbeliever, he found himself on a bizarre adventure involving a disgraced pastor, a mysterious self-help guru, and a gaggle of brain scientists. Eventually, Harris realized that the source of his problems was the very thing he always thought was his greatest asset: the incessant, insatiable voice in his head, which had propelled him through the ranks of a hypercompetitive business, but had also led him to make the profoundly stupid decisions that provoked his on-air freak-out. Finally, Harris stumbled upon an effective way to rein in that voice, something he always assumed to be either impossible or useless: meditation, a tool that research suggests can do everything from lower your blood pressure to essentially rewire your brain. *10% Happier* takes readers on a ride from the outer reaches of neuroscience to the inner sanctum of network news to the bizarre fringes of America's spiritual scene, and leaves them with a takeaway that could actually change their lives.

Find Your Purpose in 15 Minutes Workbook Simon and Schuster

From the New York Times bestselling author of *Alternate Side*, Anna Quindlen's classic reflection on a meaningful life makes a perfect gift for any occasion. "Life is made of moments, small pieces of silver amidst long stretches of tedium. It would be

wonderful if they came to us unsummoned, but particularly in lives as busy as the ones most of us lead now, that won't happen. We have to teach ourselves now to live, really live . . . to love the journey, not the destination." In this treasure of a book, Anna Quindlen, the bestselling novelist and columnist, reflects on what it takes to "get a life"—to live deeply every day and from your own unique self, rather than merely to exist through your days. "Knowledge of our own mortality is the greatest gift God ever gives us," Quindlen writes, "because unless you know the clock is ticking, it is so easy to waste our days, our lives." Her mother died when Quindlen was nineteen: "It was the dividing line between seeing the world in black and white, and in Technicolor. The lights came on for the darkest possible reason. . . . I learned something enduring, in a very short period of time, about life. And that was that it was glorious, and that you had no business taking it for granted." But how to live from that perspective, to fully engage in our days? In *A Short Guide to a Happy Life*, Quindlen guides us with an understanding that comes from knowing how to see the view, the richness in living.

Think Like a Monk Plume Books

YouTube workout video star Zuzka Light presents her long-awaited debut fitness book, with a 30-day fitness regime of powerful, effective 15-minute workouts. Filming first from a tiny basement in Prague, and eventually settling in Los Angeles, Zuzka Light has single-handedly ushered in the YouTube fitness revolution. Viewers love Light for her short, ferociously effective workouts and her in-the-trenches, never-give-up positive attitude—and she's racked up more than half a billion views to prove it. Now, finally, comes *15 Minutes to Fit*, Light's hotly anticipated debut, with a 30-day fitness plan guaranteed to burn fat and build ripped muscles. Based on innovative high-intensity interval training, the workouts in *15 Minutes to Fit* are designed to be done anywhere, anytime (no fancy gym equipment necessary), in just 15 minutes a day. This book takes the guesswork out of the workout, providing:

- A 30-day workout plan to whip your body into shape—in 15 minutes a day or less
- A companion meal plan, with delicious and healthful recipes for each day
- Step-by-step photographs throughout to illustrate proper form for the workouts
- Quick facts on health and nutrition to help readers separate fact from fiction
- Support and motivation from Light, who overcame many obstacles to become the female face of fitness

As Light says, "Give me 15 minutes a day and I'll give you a badass body." Coauthored by New York Times bestselling author Jeff O'Connell, *15 Minutes to Fit* is the book legions of fans have been waiting for.

Joy on Demand HarperCollins

A long-awaited follow-up to the New York Times bestselling *Search Inside Yourself* shows us how to cultivate joy within the context of our fast-paced lives and explains why it is critical to creativity, innovation, confidence, and ultimately success in every arena. In *Joy on Demand*, Chade-Meng Tan shows that you don't need to meditate for hours, days, months or years to achieve lasting joy—you can actually get consistent access to it in as little as fifteen seconds. Explaining joy and meditation as complementary things that naturally reinforce each other, Meng explains how these two skills form a virtuous cycle, and once put into motion, become a solid practice that can be sustained in daily life. For many years, meditation has been taught and practiced in cultures where almost all meditators practice full-time for years, resulting in training programs optimized for practitioners with lots of free time and not much else to do but develop profound mastery over the mind. Seeing a disconnect between the traditional practice and the modern world, the bestselling author and Google's "Jolly Good Fellow" has developed a program, through "wise laziness," to help readers meditate more efficiently and effectively. Meng shares the three pillars of joy (inner peace, insight, and happiness), why joy is the secret to success, and demonstrates the practical tools anyone can use to cultivate it on demand.

Ten Minutes to Happiness Independently Published

"This book will challenge you to rethink your vision of a good life. With sharp insights and lucid prose, Paul Bloom makes a captivating case that pain and suffering are essential to happiness. It's an exhilarating antidote to toxic positivity."

—Adam Grant, #1 New York Times bestselling author of *Think Again* and host of the TED podcast *WorkLife* One of Behavioral Scientist's "Notable Books of 2021" From the author of *Against Empathy*, a different kind of happiness book, one that shows us how suffering is an essential source of both pleasure and meaning in our lives Why do we so often seek out physical pain and emotional turmoil? We go to movies that make us cry, or scream, or gag. We poke at sores, eat spicy foods, immerse ourselves in hot baths, run marathons. Some of us even seek out pain and humiliation in sexual role-play. Where do these seemingly perverse appetites come from? Drawing on groundbreaking findings from psychology and brain science, *The Sweet Spot* shows how the right kind of suffering sets the stage for enhanced pleasure. Pain can distract us from our anxieties and help us transcend the self. Choosing to suffer can serve social goals; it can display how tough we are or, conversely, can function as a cry for help. Feelings of fear and sadness are part of the pleasure of immersing ourselves in play and fantasy and can provide certain moral satisfactions. And effort, struggle, and difficulty can, in the right contexts, lead to the joys of mastery and flow. But suffering plays a deeper role as well. We are not natural hedonists—a good life involves more than pleasure. People seek lives of meaning and significance; we aspire to rich relationships and satisfying pursuits, and this requires some amount of struggle, anxiety, and loss. Brilliantly argued, witty, and humane, Paul Bloom shows how a life without chosen suffering would be empty—and worse than that, boring.

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son.

Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

The Secrets to Happiness at Work Penguin

Dr. Eric Parrish is the Chief of the Psychiatric Unit at Havemeyer General Hospital outside of Philadelphia. Recently separated from his wife Alice, he is doing his best as a single Dad to his seven-year-old daughter Hannah. His work seems to be going better than his home life, however. His unit at the hospital has just been named number two in the country, and Eric has a devoted staff of doctors and nurses who are as caring as Eric is. But when he takes on a new patient, Eric's entire world begins to crumble. Seventeen-year-old Max has a terminally ill grandmother and is having trouble handling it. That, plus his OCD and violent thoughts about a girl he likes makes Max a high risk patient. Max can't turn off the mental rituals he needs to perform every fifteen minutes that keep him calm. With the pressure mounting, Max just might reach the breaking point. When the girl is found murdered, Max is nowhere to be found. Worried about Max, Eric goes looking for him and puts himself in danger of being seen as a "person of interest" himself. Next, one of his own staff turns on him in a trumped up charge of sexual harassment. Is this chaos

all random? Or is someone systematically trying to destroy Eric's life? New York Times best selling author Lisa Scottoline's visceral thriller, *Every Fifteen Minutes*, brings you into the grip of a true sociopath and shows you how, in the quest to survive such ruthlessness, every minute counts.
