DANIELA DESIREE

The Quiet/Crazy Easter Day Knowhere Media

"Driving to his office in rush-hour traffic, gagging on the exhaust from a bus in front of him, Jim Hohnberger longed for quiet. The treadmill of life was exacting a toll on Jim's mind, body, and family that had reached unacceptable levels. A pristine valley encompassing nearly 1,600 square miles of unspoiled American and Canadian wilderness provided the quiet the Hohnbergers sought. It is a book about reordering priorities and turning down the volume of busyness, hustle, and hurry so we can connect with God and our families in a way that makes us truly come alive."--

Back cover.

Come to the Quiet CreateSpace

"Refresh your walk with God as you journey through this uplifting gathering of devotions by eight of today's most inspiring women: Kay Arthur, Emilie Barnes, Julie Clinton, Elizabeth George, Sharon Jaynes, Stormie Omartian, Jennifer Rothschild, [and] Lysa TerKeurst."--Back cover

God's Quiet Things W H Allen

The monumental bestseller Quiet has been recast in a new edition that empowers introverted kids and teens Susan Cain sparked a worldwide conversation when she published Quiet: The Power of Introverts in a World That Can't Stop Talking. With her inspiring book, she permanently changed the way we see introverts and the way introverts see themselves. The original

book focused on the workplace, and Susan realized that a version for and about kids was also badly needed. This book is all about kids' world—school, extracurriculars, family life, and friendship. You'll read about actual kids who have tackled the challenges of not being extroverted and who have made a mark in their own quiet way. You'll hear Susan Cain's own story, and you'll be able to make use of the tips at the end of each chapter. There's even a guide at the end of the book for parents and teachers. This insightful, accessible, and empowering book, illustrated with amusing comic-style art, will be eye-opening to extroverts and introverts alike.

The Quiet Extinction DigiCat

Into a world where it often seems nobody is listening comes a poignant story that celebrates the power of silence. "Why are you so quiet?" Her teacher implores it, her classmates shout it, even her mom wonders it. Everyone, it seems, is concerned for Myra Louise. So, in search of an answer to the tiresome question nobody will stop asking, she invents a listening machine. If the raindrops, or the crickets, or the dryers at the laundromat can tell her why they're so quiet, maybe Myra Louise can finally make everybody understand. But the more she listens, the less interested she becomes in finding any answer at all. Because Myra Louise comes to realize that all she really needs is someone else to listen alongside her. With gorgeous illustrations from Risa Hugo, Jaclyn Desforges's first picture book champions introversion and the value of being a listener, a thinker, and an observer in our increasingly loud world.

Wilderness, A Journal of Quiet Adventure in Alaska Abingdon Press

Are you overwhelmed with pressures from family, friends, career, and daily routines? In the Quiet of the Day offers quiet times amidst the chaos we call life. The devotionals include scripture and reflection affirming your value as a woman. And so reassured in your identity—accepted and loved by God just as you are—you can confidently rise above the endless pressures of daily life with an attitude of joy and peace as you continue growing spiritually. This beautiful book is a padded hardcover with a ribbon.

The Quiet War Annick Press

A highly successful Christian recording artist and renowned thinker in the Catholic Church examines the rich tradition of meditation and contemplation deeply embedded within the center of Christianity, providing strong exercises for unleashing the spiritual, psychological, and physical health benefits of meditation. Original.

Birds Art Life Anchor

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Charlotte and the Quiet Place Baker Books

I love to go into the garden. I sit quietly. I see flowers and plants. It makes me feel peaceful. If I am very still, I see birds, insects, and creatures I had not noticed before. I can even hear them! Nibble, crunch, chomp. Chew, bite, slurp, swallow, gulp. They are all hungry! Get ready to look and listen. Get ready for fun in the quiet garden. You can make your own quiet garden, too!

Come to the Quiet Chronicle Books

Robert Wuthnow and John H. Evans bring together a stellar collection of essays that paints a contemporary portrait of American Protestantism—a denomination that has remained quietly, but firmly, influential in the public sphere. Mainline Protestants may have steered clear of the controversial, attention-grabbing tactics of the Religious Right, but they remain culturally influential and continue to impact American society through political action and the provision of social services. The contributors to this volume address religion's larger role in society and cover such topics as welfare, ecology, family, civil rights, and homosexuality. Pioneering, timely, and meticulously researched, *The Quiet Hand of God* will be an essential reference to the dynamics of American religion well into the twenty-first century.

The Quiet Music of Gently Falling Snow Harvest House Publishers

This is a new, compact A5 edition of Jackie Morris's collection of short stories, *The Quiet Music of Gently Falling Snow*. A collection of twelve illustrated folk tales, or lullabies for grown-ups, set in a distant world of music, snow and magic. The stories are based around a series of musically-themed illustrations first created by

Jackie for Help Musicians UK.

The Quiet at the End of the World Brindle & Glass

Illustrations and rhyming text depict the quiet wonder of God's creation.

In Praise of Quiet Waters Univ of California Press

Within a world of incessant noise and chaos, *Quiet* is an invitation to seek God in stillness, silence and contemplation. Each chapter concludes with a contemplative practice for the reader. It is a helpful read for both individuals and small groups. Chronicling the author's personal journey, AJ Sherrill reveals how contemplative prayer practices compliment other forms of prayer prevalent in the Church such as intercessory, prophetic, and abiding prayer. If you find yourself longing for greater awareness, intimacy and peace with God, this resource aims to open more possibilities through prayer than many previously believe are available. It is a particular helpful guide for those who find themselves in urban and suburban contexts, where the decibel level of life has never been louder. Not only is this book relevant today, but also captures the thoughts and practices of many saints of times past. *Quiet* has been endorsed by Father Richard Rohr (Author and Franciscan Monk), Jon Tyson (Author and Lead Pastor of Trinity Grace Church in Manhattan) and Skye Jethani (Author and Editor at Christianity Today).

Quiet in the Garden Greenwillow Books

"A writer's search for inspiration, beauty, and solace leads her to birds in this ... meditation on creativity and life"--

Quiet Moments in the Presence of God Crossway

Are you looking for fresh ways to walk with, talk with, and listen to God? "Be still and know that I am God" is an invitation that has

echoed throughout history. But how do we apply it to our daily lives? The reality is this: We don't need to be static for our hearts to be still. In the midst of a full, busy life, we can spend quiet time with God. *Be Still* is a prayer book for anyone looking to set aside intentional time with God and revitalize the way they pray. Brian Heasley shares what he has learned from his thirty-year prayer habit so that you can explore various ways to pray, including Scripture memorization, prayer running, or simply being more alert to God's work and his beauty everywhere. Consider how to develop a regular quiet time. Make space to let God's heart touch your heart. Learn to reflect with awe, reverence, and wonder. Unpack key topics with the option of group discussion. Grow and deepen your daily relationship with God. Cultivate a deeper desire to meet with God and to share his love with others. Packed full of ideas for different ways to pray and tips and advice for how to build prayer practices into everyday life, *Be Still* will change the way you think about prayer and devotion and equip you with all the tools you need to deepen your relationship with God. An excellent small group or mentoring tool as well as a resource for youth leaders and new believers. Companion guide to 24-7 Prayer's *Be Still* prayer course.

2021 **** "What a welcome debut. Young Eddie Toma's passage through the truly ugly parts of this world is met, like an antidote, or perhaps a compensation, by his remarkable awareness of its beauty. This is a writer who understands youth, and how to tell a story." —Gil Adamson, winner of the Writers' Trust Fiction Prize for Ridgerunner Brian Isaac's powerful debut novel *All the Quiet Places* is the coming-of-age story of Eddie Toma, an Indigenous (Syilx) boy, told through the young narrator's wide-eyed observations of the world around him. It's 1956, and six-year-old Eddie Toma lives with his mother, Grace, and his little brother, Lewis, near the Salmon River on the far edge of the Okanagan Indian Reserve in the British Columbia Southern Interior. Grace, her friend Isabel, Isabel's husband Ray, and his nephew Gregory cross the border to work as summer farm labourers in Washington state. There Eddie is free to spend long days with Gregory exploring the farm: climbing a hill to watch the sunset and listening to the wind in the grass. The boys learn from Ray's funny and dark stories. But when tragedy strikes, Eddie returns home grief-stricken, confused, and lonely. Eddie's life is governed by the decisions of the adults around him. Grace is determined to have him learn the ways of the white world by sending him to school in the small community of Falkland. On Eddie's first day of school, as he crosses the reserve boundary at the Salmon River bridge, he leaves behind his world. Grace challenges the Indian Agent and writes futile letters to Ottawa to protest the sparse resources in their community. His father returns to the family after years away only to bring chaos and instability. Isabel and Ray join them in an overcrowded house. Only in his grandmother's company does he find solace and true

companionship. In his teens, Eddie's future seems more secure—he finds a job, and his long-time crush on his white neighbour Eva is finally reciprocated. But every time things look up, circumstances beyond his control crash down around him. The cumulative effects of guilt, grief, and despair threaten everything Eddie has ever known or loved. *All the Quiet Places* is the story of what can happen when every adult in a person's life has been affected by colonialism; it tells of the acute separation from culture that can occur even at home in a loved familiar landscape. Its narrative power relies on the unguarded, unsentimental witness provided by Eddie.

Quiet Prometheus Books

A “masterful . . . brilliantly constructed novel” of love and chaos in 1950s Vietnam (Zadie Smith, *The Guardian*). It’s 1955 and British journalist Thomas Fowler has been in Vietnam for two years covering the insurgency against French colonial rule. But it’s not just a political tangle that’s kept him tethered to the country. There’s also his lover, Phuong, a young Vietnamese woman who clings to Fowler for protection. Then comes Alden Pyle, an idealistic American working in service of the CIA. Devotedly, disastrously patriotic, he believes neither communism nor colonialism is what’s best for Southeast Asia, but rather a “Third Force”: American democracy by any means necessary. His ideas of conquest include Phuong, to whom he promises a sweet life in the states. But as Pyle’s blind moral conviction wreaks havoc upon innocent lives, it’s ultimately his romantic compulsions that will play a role in his own undoing. Although criticized upon publication as anti-American, Graham Greene’s “complex but compelling story of intrigue and counter-intrigue”

would, in a few short years, prove prescient in its own condemnation of American interventionism (*The New York Times*).

Six Secrets to a Powerful Quiet Time Open Road Media

The holidays are filled with joyful noise. But Christmas is sometimes wrapped in quiet: “Searching for presents quiet,” “Getting caught quiet,” and “Hoping for a snow day quiet.” Irresistibly cute, soft colored pencil illustrations of bunnies, bears, and more paint a magical holiday picture indeed.

The Quiet American University of Arizona Press

Twenty-third century Earth, ravaged by climate change, looks backwards to the holy ideal of a pre-industrial Eden. Political power has been grabbed by a few powerful families and their green saints. Millions of people are imprisoned in teeming cities; millions more labour on Pharaonic projects to rebuild ruined ecosystems. On the moons of Jupiter and Saturn, the Outers, descendants of refugees from Earth's repressive regimes, have constructed a wild variety of self-sufficient cities and settlements: scientific utopias crammed with exuberant creations of the genetic arts; the last outposts of every kind of democratic tradition. The fragile detente between the Outer cities and the dynasties of Earth is threatened by the ambitions of the rising generation of Outers, who want to break free of their cosy, inward-looking pocket paradises, colonise the rest of the Solar System, and drive human evolution in a hundred new directions. On Earth, many demand pre-emptive action against the Outers before it's too late; others want to exploit the talents of their scientists and gene wizards. Amid campaigns for peace and reconciliation, political machinations, crude displays of military

might, and espionage by cunningly wrought agents, the two branches of humanity edge towards war...

Not Yet Married Pacific Press Publishing

This book is a journal of Rockwell Kent, who is one of most premier graphic artist, printmaker, and illustrator in America. This journal chronicling the 7-month journey of Kent and his 9-year-old son describes what Kent called "an adventure of the spirit" and compliments the wilderness now nearly lost to us.

It's So Quiet Simon and Schuster

The Quiet Extinction explores the reasons many of our native plants are disappearing, noting their significance to the continent's natural heritage. Kara Rogers captures the excitement of their discovery, the tragedy that has come to define their existence, and the remarkable efforts underway to save them.
