Galignani's Messenger Рипол Классик  
"The History of the Fleet Street House": 20  
p. at the end of v. 18.

**Monthly Review** McFarland

In the tradition of the preceding volumes -  
the first of which was published in 1964 -  
this work synthesizes edited documents,  
including correspondence, ship logs,

muster rolls, orders, and newspaper  
accounts, that provide a comprehensive  
understanding of the war at sea in the  
spring of 1778. The editors organize this  
wide array of texts chronologically by  
theater and incorporate French, Italian,  
and Spanish transcriptions with English  
translations throughout.

When it was first published in 1994, King  
of Ragtime: Scott Joplin and his Era was  
widely heralded not only as the most  
thorough investigation of Scott Joplin's life  
and music, but also as a gripping read,  
almost a detective story. This new and  
expanded edition-more than a third larger

than the first-goes far beyond the original publication in uncovering new details of the composer's life and insights into his music. It explores Joplin's early, pre-ragtime career as a quartet singer, a period of his life that was previously unknown. The book also surveys the nature of ragtime before Joplin entered the ragtime scene and how he changed the style. Author Edward A. Berlin offers insightful commentary on each of all of Joplin's works, showing his influence on other ragtime and non-ragtime composers. He traces too Joplin's continued music studies late in life, and how these reflect his dedication to education and probably account for the radical changes that occur in his last few rags. And he puts new emphasis on Joplin's efforts in musical theater, bringing in early versions of his Ragtime Dance and its precedents. Joplin's wife Freddie is shown to be a major inspiration to his opera Treemonisha, with her family background and values being reflected in that work. Joplin's reputation faded in the 1920s-30s, but interest in his music slowly re-emerged in the 1940s and gradually built toward a spectacular revival in the 1970s, when major battles

ensued for possession of rights. *Letters. To which is prefixed, an intr. vindicating the character of lord Russell against sir J. Dalrymple, &c. To which are prefixed, an intr. [&c.] and The trial of lord W. Russell for high treason* BoD - Books on Demand  
 Taken for granted by fans today, Sunday baseball was made possible only after decades of contention between evangelical Sabbatarians seeking enforcement of antiquated "blue laws," and an alliance of "Pro-Sabs" who prevailed against them with strategy and tenacity. At the heart of the struggle was a debate over the First Amendment and the place of religion in public life. Drawing on case records, this book details the legal and political battles and describes the roles of the judges, law enforcement officers and politicians, and the ordinary citizens who wanted to enjoy baseball on Sunday. The contributions of unheralded civil rights pioneers--such as Joe Neet, John Powell and Lewis Perrine--are documented. King of Ragtime Copyright Office, Library of Congress  
 Reprint of the original, first published in

1859.  
Naval Documents of the American Revolution Graphic Communications Group  
 In A City Called Heaven, Robert M. Marovich follows gospel music from early hymns and camp meetings through its growth into the sanctified soundtrack of the city's mainline black Protestant churches. Marovich mines print media, ephemera, and hours of interviews with artists, ministers, and historians--as well as relatives and friends of gospel pioneers--to recover forgotten singers, musicians, songwriters, and industry leaders. He also examines the entrepreneurial spirit that fueled gospel music's rise to popularity and granted social mobility to a number of its practitioners. As Marovich shows, the music expressed a yearning for freedom from earthly pains, racial prejudice, and life's hardships. Yet it also helped give voice to a people--and lift a nation. A City Called Heaven celebrates a sound too mighty and too joyous for even church walls to hold.
