LILIANA FITZPATRICK

[How To Be A Sitcom Writer](#) Taylor & Francis

The New York Times bestseller that inspired the Sundance Grand Jury Prize-winning film. The funniest book you'll ever read about death. It is a universally acknowledged truth that high school sucks. But on the first day of his senior year, Greg Gaines thinks he's figured it out. The answer to the basic existential question: How is it possible to exist in a place that sucks so bad? His strategy: remain at the periphery at all times. Keep an insanely low profile. Make mediocre films with the one person who is even sort of his friend, Earl. This plan works for exactly eight hours. Then Greg's mom forces him to become friends with a girl who has cancer. This brings about the destruction of Greg's entire life. "Mr. Andrews' often hilarious teen dialogue is utterly convincing, and his characters are compelling. Greg's random sense of humor, terrible self-esteem and general lack of self-awareness all ring true. Like many YA authors, Mr. Andrews blends humor and pathos with true skill, but he steers clear of tricky resolutions and overt life lessons, favoring incremental understanding and growth." —Pittsburgh Post-Gazette "One need only look at the chapter titles ('Let's Just Get This Embarrassing Chapter Out of the Way') to know that this is one funny book." —Booklist (starred review) "Though this novel begs inevitable thematic comparisons to John Green's *The Fault in Our Stars*, it stands on its own in inventiveness, humor and heart." —Kirkus Reviews (starred review)

A Confederacy of Dunces CRC Press

Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review *A Confederacy of Dunces* is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, *Chicago Sun-Times*).

Activated Script Analysis engages theatre students in traditional formative script analysis through a fusion of devised theatre and various modes of creative expression, dispelling the notion of script analysis as an isolated pen-to-paper task and reimagining it as a captivating and collaborative process. This book uses diverse, contemporary plays to model the script analysis process for each of four Theatrical Elements: Given Circumstances; Character; Setting; and Structure. By considering each of these elements, readers can uncover patterns and themes within a dramatic text. Woven

throughout the study of each theatrical element are "Connections": Personal Connections, which encourage readers to explore a theatrical element within their own lives, as though their lives were a script; Play Connections, which make abstract ideas presented in script analysis concrete through theatre-based play; Professional Connections, which examine how a theatre professional might analyze a script within their own work; and Performative Connections, which provide the opportunity for students to explore a theatrical element through performance using devised theatre strategies. At the end of each chapter, readers are given the opportunity to analyze a text through the lens of a Theatrical Element and to express their findings through a variety of digital, written, visual, and performance-based modes of expression. Activated Script Analysis is designed for undergraduate theatre students and educators, to be used as the primary text in Script Analysis coursework or as a supplemental text in Acting or Directing courses. The book includes access to downloadable templates and example videos, available at www.routledge.com/9781032125398.

The Story Behind THE LEGEND OF BAGGER VANCE If you've read his books THE WAR OF ART and TURNING PRO, you know that for thirty years Steven Pressfield (GATES OF FIRE, THE AFGHAN CAMPAIGN etc.) wrote spec novel after spec novel before any publisher took him seriously. How did he finally break through? Ignoring just about every rule of commercial book publishing, Pressfield's "first" novel not only became a major bestseller (over 250,000 copies sold), it was adapted into a feature film directed by Robert Redford and starring Matt Damon, Will Smith, and Charlize Theron. Where did he get the idea? What magical something did THE LEGEND OF BAGGER VANCE have that his previous manuscripts lacked? Why did Pressfield decide to write a novel when he already had a well established screenwriting career? How does writing a publishable novel really work? Taking a page from John Steinbeck's classic JOURNAL OF A NOVEL, Steven Pressfield offers answers for these and scores of other practical writing questions in THE AUTHENTIC SWING.

Louis Catron imbued experienced and fledgling playwrights with inspiration, guidance, and a passport to maximizing their writing skills as well as their overall ability to transform written words into a stage production. He understood that being a playwright is more than putting pen to paper. It involves expressing a personal point of view, bringing a vision to life, developing dimensional characters, structuring a play's action, and finding producers, directors, and actors to bring the work to life. In the second edition Norman Bert infuses the enduring merits of Catron's original work with examples, technological developments, and trends geared to today's readers. Bert's play references are familiar to contemporary students, including examples from plays written since 2000. He includes useful information on web-based research and the electronic submission process. A new chapter focuses on the playwright's responsibility to lay the groundwork for production elements like casting, design, theatre architecture as it impacts audience-performer relationships, staging modes, and the uses and expectations of stage directions. Also new to this edition are reading resources for delving deeper into topics discussed.
