"A lively, unexpected portrait of the jet-age stewardesses serving on iconic Pan Am airways between 1966 and 1975"--

Ghost Houghton Mifflin

FINALIST FOR THE 2021 NATIONAL BOOK AWARD FOR YOUNG PEOPLE'S LITERATURE A debut YA novel-in-verse by Amber McBride, *Me (Moth)* is about a teen girl who is grieving the deaths of her family, and a teen boy who crosses her path. Moth has lost her family in an accident. Though she lives with her aunt, she feels alone and uprooted. Until she meets Sani, a boy who is also searching for his roots. If he knows more about where he comes from, maybe he'll be able to understand his ongoing depression. And if Moth can help him feel grounded, then perhaps she too will discover the history she carries in her bones. Moth and Sani take a road trip that has them chasing ghosts and searching for ancestors. The way each moves forward is surprising, powerful, and unforgettable. Here is an exquisite and uplifting novel about identity, first love, and the ways that our memories and our roots steer us through the universe.

A Scene in Between Penguin

With *The Sex Lives of Cannibals*, Maarten Troost established himself as one of the most engaging and original travel writers around. *Getting Stoned with Savages* again reveals his wry wit and infectious joy of discovery in a side-splittingly funny account of life in the farthest reaches of the world. After two grueling years on the island of Tarawa, battling feral dogs, machete-wielding neighbors, and a lack of beer on a daily basis, Maarten Troost was in no hurry to return to the South Pacific. But as time went on, he realized he felt remarkably out of place among the trappings of twenty-first-century America. When he found himself holding down a job—one that might possibly lead to a career—he knew it was time for him and his wife, Sylvia, to repack their bags and set off for parts unknown. *Getting Stoned with Savages* tells

the hilarious story of Troost's time on Vanuatu—a rugged cluster of islands where the natives gorge themselves on kava and are still known to "eat the man." Falling into one amusing misadventure after another, Troost struggles against typhoons, earthquakes, and giant centipedes and soon finds himself swept up in the laid-back, clothing-optional lifestyle of the islanders. When Sylvia gets pregnant, they decamp for slightly-more-civilized Fiji, a fallen paradise where the local chiefs can be found watching rugby in the house next door. And as they contend with new parenthood in a country rife with prostitutes and government coups, their son begins to take quite naturally to island living—in complete contrast to his dad.

People We Meet on Vacation Anchor

Ego Trip's Book of Rap Lists is more popular than racism! Hip hop is huge, and it's time someone wrote it all down. And got it all right. With over 25 aggregate years of interviews, and virtually every hip hop single, remix and album ever recorded at their disposal, the highly respected Ego Trip staff are the ones to do it. The Book of Rap Lists runs the gamut of hip hop information. This is an exhaustive, indispensable and completely irreverent bible of true hip hop knowledge.

A Scene in Between (Revised Edition) Simon and Schuster

A moving YA debut about a girl who grapples with questions of her Jewish identity, mental health struggles, and sexuality while on a temple exchange trip through Israel. When high school senior Tally and her twin brother Max head off on an exchange trip to Israel over their winter break, Tally thinks it will be a good distraction for Max; he might be trying to hide it, but she knows he's still struggling in the wake of a car crash that injured him and killed the driver. Maybe this will help him get back on track and apply to college the way he and Tally always planned. But as the group travels across the country, Tally realizes her plan might not be working, and that her brother might not be the only one with a lot on his mind. When a new relationship gets complicated in the face of her own anxiety-about her future, her sexual and romantic identity, and her place within the Jewish diaspora-Tally must grapple not only with the past, but also with what life will be like when they get back home. Debut author Haley Neil offers a

relatable and deeply felt story about identity on the cusp of adulthood.

78-87 Penguin

In this border-hopping anthology of travel memoir and fiction, every trip is a big one, as an advance guard of adventurous writers--both seasoned names and fresh voices--scatter across the globe, face the pure euphoria and sheer anxiety of travel, and survive a lot of very fast living.

Leela and Liam want to visit their favorite spots at the Metropolitan Museum of Art on their class trip, but when their teacher and tour guide have different plans, they realize new discoveries can be just as sweet as old traditions. Aligned to Common Core Standards and correlated to state standards. Calico Kid is an imprint of Magic Wagon, a division of ABDO.

The Great Believers Crown

#1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. The Road Trip St. Martin's Griffin

This spinoff of *The Replacement Crush* featuring Amy and Toff is sure to melt your heart. Shy bookworm Amy McIntyre is about to compete for the chance to interview her favorite author, who hasn't spoken to the press in years. The only way to win is to step out of the shadows and into the spotlight, but that level of confidence has never come easy. The solution? A competition coach. The problem? The best person for the job is the guy she's secretly crushing on...local surfer celebrity Toff Nichols. He's a player. He's a heartthrob. He makes her forget basic things, like how to breathe. How can she feel any confidence around him? To her surprise, Toff agrees to help. And he's an excellent teacher. Amy feels braver—maybe even brave enough to admit her feelings for him. When their late night practices become less about coaching and more about making out, Amy's newfound confidence wavers. But does Toff really like her or is this just another lesson?

Bad Trips Bloomsbury YA

Aspiring to be the fastest sprinter on his elite middle school's track team, gifted runner Ghost finds his goal challenged by a tragic past with a violent father.

Getting Stoned with Savages Review and Herald Pub Assoc
'A glorious photographic compendium of styles and street cultures from a bygone era'. -- The Guardian 'An artist's image and music is inextricably tethered and A Scene In Between draws these threads together beautifully'. -- Vice Magazine 'A visual manifestation of Knee's personal obsession and acute knowledge of the scene - in particular, the underground style - whilst mirroring the general mood of the era'. -- Dazed Magazine
A revised edition of this cult classic photographic exploration of 1980s music and fashion. *A Scene In Between* sets out to excavate the sartorial treasures of the UK's 1980s guitar scenes. Using original archive photography from scenesters, band members and amateur photographers of the time, Sam Knee takes you on a fashion trip through the visual racket of pivotal indie bands including Primal Scream, Spacemen 3, The Smiths, My Bloody Valentine, The Jesus and Mary Chain, Tallulah Gosh, the Vaselines and countless others. Charity shop chic, anoraks, bowlcuts, leather trousers and stripy tees are all de-rigueur in this evocative photographic historical capsule. Seven years on from

the release of the first edition, Sam Knee has expanded his photographic contact base, and built a loyal Instagram following of over 60,000 (including many big names in fashion and music). This revised edition features a new cover and intro, interviews with Johnny Marr, Deb Googe and Lawrence from Felt, alongside hundreds of never-seen-before photographs that will delight both fans of Sam's work and new music and fashion aficionados.

Look Both Ways Penguin

Now on Netflix as a 4-part documentary series! "Pollan keeps you turning the pages . . . cleareyed and assured." —New York Times
A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences
When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

Class Trip Infinitum Publishing

In 1978, William Least Heat-Moon made a 14,000-mile journey on the back roads of America, visiting 38 states along the way. In 1982, the popular *Blue Highways*, which chronicled his adventures, was published. Three decades later, Edgar Ailor III and his son, Edgar IV, retraced and photographed Heat-Moon's route, culminating in *Blue Highways Revisited*, released for publication on the thirtieth anniversary of *Blue Highways*. A foreword by Heat-Moon notes, "The photographs, often with amazing accuracy, capture my verbal images and the spirit of the book. Taking the journey again through these pictures, I have been intrigued and even somewhat reassured that America is changing not quite so fast as we often believe. The photographs, happily, reveal a recognizable continuity - but for how much longer who can say - and I'm glad the Ailors have recorded so many places and people from *Blue Highways* while they are yet with us." Through illustrative photography and text, Ailor and his son capture once more the local color and beauty of the back roads, cafes, taverns, and people of Heat-Moon's original trek. Almost every photograph in *Blue Highways Revisited* is referenced to a page in the original work. With side-by-side photographic comparisons of eleven of Heat-Moon's characters, this new volume reflects upon and develops the memoir of Heat-Moon's cross-country study of American culture and spirit. Photographs of Heat-Moon's logbook entries, original manuscript pages, Olympia typewriter, Ford van, and other artifacts also give readers insight into Heat-Moon's approach to his trip. Discussions with Heat-Moon about these archival images provide the reader insight into the travels and the writing of *Blue Highways* that only the perspective of the author could provide. *Blue Highways Revisited* reaffirms that the "blue highway" serves as a romantic symbol of the free and restless American spirit, as the Ailors lose themselves to the open road as Heat-Moon did thirty years previously. This book reminds readers of the insatiable attraction of the "blue highway"—"But in those brevities just before dawn and a little after dusk—times neither day or night—the old roads return to the sky some of its color. Then, in truth, they carry a mysterious cast of blue, and it's that time when the pull of the blue highway is strongest, when the open road is a beckoning, a strangeness, a place where a man can lose himself" (Introduction to *Blue Highways*).

Mississippi Solo Penguin

From the #1 New York Times bestselling author of *Book Lovers* and *Beach Read* comes a sparkling novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Two best friends. Ten summer trips. One last chance to fall in love. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong? Downriver Ballantine Books

Fifteen-year-old Jessie and the other rebellious teenage members of a wilderness survival school team abandon their adult leader, hijack his boats, and try to run the dangerous white water at the bottom of the Grand Canyon.

How to Change Your Mind Penguin

The complete history of one of the most long-lived and legendary bands in rock history, written by its official historian and publicist—a must-have chronicle for all Dead Heads, and for students of rock and the 1960s' counterculture. From 1965 to 1995, the Grateful Dead flourished as one of the most beloved, unusual, and accomplished musical entities to ever grace American culture. The creative synchronicity among Jerry Garcia,

Bob Weir, Phil Lesh, Bill Kreutzmann, Mickey Hart, and Ron "Pigpen" McKernan exploded out of the artistic ferment of the early sixties' roots and folk scene, providing the soundtrack for the Dionysian revels of the counterculture. To those in the know, the Dead was an ongoing tour de force: a band whose constant commitment to exploring new realms lay at the center of a thirty-year journey through an ever-shifting array of musical, cultural, and mental landscapes. Dennis McNally, the band's historian and publicist for more than twenty years, takes readers back through the Dead's history in *A Long Strange Trip*. In a kaleidoscopic narrative, McNally not only chronicles their experiences in a fascinatingly detailed fashion, but veers off into side trips on the band's intricate stage setup, the magic of the Grateful Dead concert experience, or metaphysical musings excerpted from a conversation among band members. He brings to vivid life the Dead's early days in late-sixties San Francisco—an era of astounding creativity and change that reverberates to this day. Here we see the group at its most raw and powerful, playing as the house band at Ken Kesey's acid tests, mingling with such legendary psychonauts as Neal Cassady and Owsley "Bear" Stanley, and performing the alchemical experiments, both live and in the studio, that produced some of their most searing and evocative music. But McNally carries the Dead's saga through the seventies and into the more recent years of constant touring and incessant musical exploration, which have cemented a unique bond between performers and audience, and created the business enterprise that is much more a family than a corporation. Written with the same zeal and spirit that the Grateful Dead brought to its music for more than thirty years, the book takes readers on a personal tour through the band's inner circle, highlighting its frenetic and very human faces. *A Long Strange Trip* is not only a wide-ranging cultural history, it is a definitive musical biography.

Midnight Sun Terrace Books

Fiction. A "novel of the counterculture," Gurney Norman's *DIVINE RIGHT'S TRIP* elicited comparison to Salinger and Kerouac upon its publication in 1971. "*DIVINE RIGHT'S TRIP* shows itself to be a subtly written and morally passionate epic of the counterculture, a fictional explication of the hopeful new consciousness come to birth. *Divine Right* is bigger than life, and in giving the story thus far of a segment of his generation, in prose nicely threaded

between the vernacular and the symbolic, Gurney Norman has shown a noble reach and a healthy grasp." - John Updike
Tripping Vintage

"Simply one of the best pieces of rock reportage ever written." — Los Angeles Review of Books As a pioneering rock journalist for *Hit Parader*, *Vogue*, *Saturday Review*, and other publications, Ellen Sander had a backstage pass to the hottest music scenes of the 1960s. In this feast of juicy anecdotes and keen social commentary, she draws upon her professional and personal experiences to chronicle pop culture's highs and lows during the turbulent decade. Join her for weird and wild road trips with companions ranging from Yippies to the members of Led Zeppelin. Stops along the way include the folk music clubs of Greenwich Village, Haight-Ashbury in its riotous heyday, and the euphoric festivals at Monterey and Woodstock. "It is a memoir, a sourcebook, and a love letter," Sander writes, "a recollection of a time, parenthesized by ambivalence and apathy, a search for the ultimate high, a generation with an irrepressible vision, its art, artists, its audience, and the substance of its statement." This expanded edition of *Trips* adds "The Plaster Casters of Chicago," Sander's seminal piece on groupie culture, the lengthy "Concerts and Conversations," as well as a new Preface and chapter postscripts.

The Bookworm Crush Reel art Press

A first hand account of '60s and '70s counterculture seen through the eyes of pioneering photographer Charles Gatewood and legendary scribe William S. Burroughs. Chronicling the grotesque, surreal, and liberated American underground, Gatewood and Burroughs created a lasting, disturbing, and engaging portrait of this tumultuous period in American culture.

Trips Dundurn

'Life as it unfolds in front of the camera is full of so much complexity, wonder and surprise that I find it unnecessary to create new realities. There is more pleasure, for me, in things as they are.' - David Hurn David Hurn (b. 1934) is one of Britain's most important reportage photographers. His documentary photographs are distinguished by their quiet observation and remarkable insight. Released to coincide with Magnum photo agency's seventieth birthday, this is the first book dedicated to Hurn's photographs from Arizona. 'In 1979/80 I was awarded a 'U.K./USA Bicentennial Fellowship'. This was a one year award to

photograph in America. I chose Arizona - it is the most right wing state in America, plus it is the driest State in America. The exact

opposite of my home country Wales. The contrasts appealed to me.' Hurn fell in love with Arizona and made several trips back

between 1979 and 2001. Hurn's greatest subject is ordinary people pursuing ordinary passions and in Arizona he tur
