

to 3rd January 2021; * Page 320: One page for January 2021; * Pages 321-331: Pages for Notes; * Pages 332-333: Planner 2021 with bank holidays.

2020

This 2020 Diary has been especially designed for those who do not like nor need pages and pages of useless information. To stay economical, lightweight and easy to use, unnecessary information has been removed, leaving plenty of room to write plans for the day, useful thoughts, lists, and notes. It is spacious enough to be used for journal writing or to be used to plan the activities for every member of your household. It includes the essential pages: personal data; an overview of the year; one page for each day of the week with Saturdays and Sundays sharing a page; space for notes at the bottom of each page; 10 pages of notes; an overview of 2021 at the end. Size: 12.7 x 20.32 cm (5 "x 8") - Lots of writing space while being the perfect size to slip comfortably into a handbag or backpack. LAYOUT: * Page 1: Personal information; Emergency contact details; Important medical information; * Pages 2-3: Planner 2020 with bank holidays; * Pages 4-319: One page per weekday (one page for weekends) from 1st January 2020 to 3rd January 2021; * Page 320: One page for January 2021; * Pages 321-331: Pages for Notes; * Pages 332-333: Planner 2021 with bank holidays.
