from Eden - a Christian Business with a Kingdom Mission
 My Book Of Simple Addition by Publishing Kumon | Fast ...
 My Book Of Simple Addition. This book focuses on helping children learn how to add the numbers 1 and 2 to other numbers. This very basic mathematical skill cannot be acquired through repetition alone. By using this book, children will be able to understand, without difficulty, the concept of addition by first repeatedly tracing and reciting numbers and then gradually shifting to addition formulas that include the numbers 1 and 2.
