Crossley-

Holland's
award-winning
Arthur trilogy
comes to its
triumphant
and moving
close -- now in
paperback! Art
hur de
Caldicot waits
eagerly in

Venice for the
start of the
Fourth
Crusade. But
it's now, when
Arthur's future
should be
clearest, that
he feels the
most doubt.
Jealousies and

greed threaten the Crusade, leading him to question its true mission. Back in England, his engagement to Winnie remains uncertain, as his search for his birth mother is stymied by his vicious father. And his seeing stone shows him the last days of King Arthur's court -- a great dream destroyed, but also a glorious legend rising from the ruins. Likewise in this book, Arthur becomes a

man worthy of his kingly name.

The Landscape of King

Arthur Henry Holt
The author offers convincing proof that King Arthur existed by tracing the legend of King

Arthur to its roots in the 12th century chronicles of Geoffrey of Monmouth. Work with Boys Macmillan
A study of the personal religion of King John, presenting a more complex picture of his actions and attitude.

Keeping Tryst; a Tale of King

Arthur's Time . . . Boydell & Brewer
Even though her instincts tell her that she is not welcome, Dallas Lawson not only

decides to remain at the family mansion but also falls for Comte, the handsome head of the castle.

In the Valley of the Kings: Stories

Penguin UK
Bringing peace and order to the warring kingdoms of Britain with the aid of his Round Table knights, King Arthur finds himself vulnerable to the treachery of such fearsome enemies as Morgan le Fey.
King Arthur
Henry Holt

Books For Young Readers
The tales of King Arthur and the Knights of the Round Table are among the best-known stories in the world, but they are often relegated to the realm of legend. However, Arthur was a man, not a myth. In this book, acclaimed historian Christopher Hibbert vividly brings to life the sixth-century British monarch and his extraordinary court.

How to Help Boys
Scholastic Inc.
The second thrilling novel in Kevin Crossley-Holland's bestselling Arthur trilogy Arthur

de Caldicot has achieved his dream: He now serves as squire to Lord Stephen of Holt Castle. But this new world opens up fresh visions as well as old concerns. Arthur longs to escape the shadow of his unfeeling father and meet his birth mother. To marry the beautiful Winnie, but maintain his ties with his friend Gatty. And to become a Crusader, with all the questions of might and

right involved. Just as he so brilliantly did in *THE SEEING STONE*, Kevin Crossley-Holland weaves Arthurian legend with everyday medieval life in the unforgettable story of one hero's coming of age.

Children's Books
Arthur de Caldicot arrives at Holt to be squire to

Lord Stephen and accompany him on a crusade. It is an exciting and bewildering time for him as he finds a warhorse, is fitted with armour, and improves his fighting skills. He dreads a confrontation with his blood-father, the violent Sir William, and dreams of finding his true mother; he discovers girls including the vivacious Winnie de Verdon whom he rescues from burning

to death; he has to deal with the aftermath of a murder; he sees the sea for the first time, sails to France and finally takes the Cross. And meanwhile these events are reflected in his seeing stone, in stories of King Arthur and the Knights of the Round Table. Packed with incident, wonderful characters, and fascinating historical detail, and interwoven with brilliant retellings of Arthurian

legends, this is a glorious follow-up to THE SEEING STONE.

The Solicitors' Journal & Reporter W. Norton & Company
 "This is the secret book at the heart of American

letters. Holt is one of the finest American writers alive."—Junot Díaz
 In the Valley of the Kings marks the extraordinary debut of Terrence Holt, who fifteen years ago abandoned a promising writing career to practice medicine. Moved by his patients' valor in the face of death, seeking to comprehend the mysteries revealed at their bedside, Holt has taken up fiction again. He

emerges now with this astonishing collection of one novella and seven short stories that explore the farthest reaches of the imagination in a style that recalls the nineteenth-century American masters. Holt leaps across genres and millennia, from small-town America to deep space, daring his readers to journey with him into realms as mysterious as they are unforgettable. The opening

story, “? ????s,” is a chilling account of the last days of the human race, as the hospitalization of a little girl in a New England town heralds a terrifying plague, transmitted not by a microbe but by a single word. The final story, “Apocalypse,” returns to small-town New England and another vision of the end, in an intimate account of how a couple struggles to live and love

under the shadow of the Earth’s approaching doom. In between, these stories range from outer space, where—in “Charybdis”—an astronaut alone on a doomed NASA mission comes to terms with his fate, to the Egyptian desert of the title novella, where an archaeologist seeks a fabulous tomb that holds the secret of immortality. Painting with lurid colors and finely crafted prose, Holt offers his

readers haunting visions of the reefs and abysses of the human imagination. In the Valley of the Kings redefines the art of the story, throwing aside the rules in search of the enduring truths that ultimately make stories worth reading. Popular Romances of the Middle Ages Scholastic Inc. Medieval life meets Arthurian magic in a novel that transcends boundaries of

time and age, appealing to children of 9+ and older readers alike. The winner of the Guardian Children's Fiction Prize and the Smarties Prize bronze award in 2001, this timeless novel is stunningly reissued for a new generation. The year is 1199, the place the Welsh Marches. Young Arthur de Caldicot is given a magical shining stone in which his legendary namesake is revealed. In

100 short chapters that brilliantly evoke life in a medieval manor, stories of the boy King Arthur begin to echo - and anticipate - the secrets and mysteries that emerge in his own life . . . "As bright and as vivid as the pictures in a Book of Hours. Deep scholarship, high imagination, and great gifts of storytelling have gone into this; I was spellbound." - Philip Pullman, The Guardian

Children's Books
Le Morte D'Arthur is Sir Thomas Malory's richly evocative and enthralling version of the

Arthurian legend. Recounting Arthur's birth, his ascendancy to the throne after claiming Excalibur, his ill-fated marriage to Guenever, the treachery of Morgan le Fay and the exploits of the Knights of the Round Table, it magically weaves together adventure, battle, love and enchantment.

Le Morte D'Arthur looks back to an idealized Medieval world and is full of wistful, elegiac regret for a vanished age of chivalry. Edited and published by William Caxton in 1485, Malory's prose romance drew on French and English verse sources to give an epic unity to the Arthur myth,

and remains the most magnificent re-telling of the story in English. *Essays, Theological and Literary* Reston Publishing Company *The Anglo-Israel Post Bag* *The Seeing Stone* **The King of the Castle** King John and Religion *King of the Middle March* (*The Arthur Trilogy, Book 3*)
