The Liturgy of the Reformed Church in America Multnomah
The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The

Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Graduation is a time of new beginnings. The old chapter has come to an end, and the time has come to turn the page. The Baccalaureate service offers loved ones a time to pray a blessing over graduates of high school and university and to send them on their way. It reminds them to seek guidance from the Lord as they start down a new path. Unfortunately, in recent times, the Baccalaureate service has fallen out of practice in many circles, foregoing the opportunity to "influence the lives of young people on the threshold of impacting our world," as Pam Williams states in her introduction. Baccalaureate: Guidelines for Inspirational Worship Services to Honor Graduates seeks to reverse this trend, reviving the practice of planting graduates on solid spiritual

footing as they chart a new path for their lives. This resource contains everything needed to get a Baccalaureate service up and running. A time line for preparation; sample letters and press releases to churches, schools, and local media; an order of worship; plus sample sermons are all included to ensure that your service is a success. Baccalaureate: Guidelines for Inspirational Worship Services to Honor Graduates is essential to reviving the Baccalaureate service tradition in your community, covering your new graduates in prayer and blessings as they spread their wings and take flight. This book takes the principles found in Constance Cherry's

successful *The Worship Architect*--in which she provided dynamic blueprints for designing worship services--and applies them to special services in the life of the church. Cherry, a worship professor and practitioner, offers theological reflection, practical guidance, and suggested resources to help worship leaders and ministry students in training to create meaningful special services related to the sacraments, life passages, and other occasions. Cherry sets forth a process concerning worship design for special services and demonstrates how this process is conducive to virtually any style of worship practiced today in a myriad of Christian communities. She includes a model order for each service type, including weddings, funerals, baptisms, child dedications, Holy Communion, and more. The book not only explains what leaders do in order to preside at special services and how to do it, but also why they make certain choices. Each chapter includes discussion questions, practical exercises, and a basic glossary.
