startling moment in a smoke-filled stairway. Only one will leave the Twin Towers alive. Will he find his way home? The last thing Jake Bryan knew was the roar of the World Trade Center collapsing on top of him and his fellow firefighters. The man in the hospital bed remembers nothing. Not rushing with his teammates up the stairway of the south tower to help trapped victims. Not being blasted from the building. And not the woman sitting by his bedside who says she is his wife. Jamie Bryan will do anything to help her beloved husband regain his memory, and with it their storybook family life with their small daughter, Sierra. But that means helping Jake rediscover the one thing Jamie has never shared with him: his deep faith in God. Jake's fondest prayer for his wife is about to have an impact beyond anything he could possibly have conceived. Where Yesterday Lives Struik Christian Media

The hope-filled sequel to the bestselling *One Tuesday Morning*. In this new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul's, the memorial chapel across the street from where the Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie's husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul's. Now it will take the persistence of a tenacious man, the questions from her

curious young daughter, and the words from her dead husband's journal to move Jamie beyond one Tuesday morning. "Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she'd ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie's face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she'd fallen for when she was only a girl." Someone Like You Simon and Schuster From #1 NYT bestseller Karen Kingsbury comes a story of faith and a forever kind of love that will stay with you long after the last page. The Baxters make plans to come together for a summer lakeside reunion, a celebration like they haven't

had in years. But before the big day, the unthinkable happens. As the Baxter family rallies together, memories come to light in the grief-stricken hours of waiting and praying, memories that bring healing and

hope during a time when otherwise darkness might have the final word. In a season that changes all of them, the brilliance of family love overshadows even the valley of heartache as the Baxters draw closer to God and each other. Along

the way, secrets are revealed and the truth about the family's history is finally made known. Ultimately, in this portrait of family love, the Baxters cling to each other and to God's promise of forever.
